on lubrication, the cooling system, care of battery, etc., which are absolutely necessary to economical and satisfactory operation. Your car is a splendid piece of machinery. If properly cared for, it will give you years of satisfactory service at little cost. When repairs are needed, we recommend having the work done by an authorized Ford dealer. They are provided with special service equipment. Furthermore they are interested, more than any one else, in your personal

satisfaction with the car. Let experienced mechanics make repairs or adjustments. Your car is too valuable a piece of machinery to place in unskilled hands. Expert workmanship is just as essential in servicing your car as it is in building it. The Car Owner's Manual You REALLY Need Ravenio Books All models. Bolt by bolt, and shot by shot, Haynes tears down brand new cars to build a step-by-step procedure for maintaining and troubleshooting

your vehicle. Its manuals cover routine maintenance; tune-up procedures; engine repair; cooling and heating; air conditioning; fuel and exhaust; emissions control; ignition; brakes; suspension and steering; electrical systems and wiring diagrams.
