Audi A4 Simon and Schuster
Nominated as one of America's best-loved novels by PBS's The Great American Read.
An American classic and great bestseller for over thirty years, A Separate Peace is timeless in its

description of adolescence during a period when the entire country was losing its innocence to World War II. Set at a boys' boarding school in New England during the early years of World War II, A Separate Peace is a harrowing and luminous parable of the dark side of adolescence. Gene is a lonely, introverted intellectual. Phineas is a handsome, taunting, daredevil athlete. What happens between the two friends one summer, like the war itself, banishes

the innocence of these boys and their world.

A Hands-on Guide

To Getting The Most From Your Toyota. The

Toyota Truck & Land Cruiser

Owner's Bible? is the authoritative companion book for your Toyota

truck, whether it's a heavy hauling pickup, rugged off-road FJ40, or a new Land Cruiser that's never left pavement. Author, veteran truck mechanic and off-road expert Moses Ludel has written the only comprehensive source of information for Toyota Trucks and Land Cruisers—a history, buyer's guide, service manual, and high-performance tuning book all in one! Discover every aspect of Toyota trucks, from their origins in 1958 to the latest technological

advances. You'll learn tips for buying the right new or used truck, and which accessories make sense for your needs. Step-by-step procedures with hundreds of photos cover basic maintenance and more complicated work, like tune-ups, valve adjustments, brake jobs and installing aftermarket suspension/lift kits. Get the hot set-up for your truck, whether you want low-end torque or high-RPM power. Moses gives specific tuning recommendations for engines from

the early inline-6s to the advanced 4.5L 24-valve DJ engine. He shares expert insights into the best high performance components and the latest technology from Toyota Racing Development. You'll also find suspension and chassis modifications, and the best tire and wheel combinations. Comprehensive coverage of Toyota Trucks and Land Cruisers from 1958-1996, including: * 4Runner * SR-5 * Tacoma * T-100 * FJ25 * FJ40 *

FJ43 * FJ45 * FJ55 * FJ80 * FJ60 * DJ80 * Stout * Hi-Lux * Xtra Cab * Cab and Chassis Models

Complete Guide to Used Cars 1996

An in-depth, hard-hitting account of the mistakes, miscalculations and myopia that have doomed America's automobile industry. In the 1990s, Detroit's Big Three automobile companies were riding high. The introduction of the minivan and the SUV had revitalized the

industry, and it was widely believed that Detroit had miraculously overcome the threat of foreign imports and regained its ascendant position. As Micheline Maynard makes brilliantly clear in **THE END OF DETROIT**, however, the traditional American car industry was, in fact, headed for disaster. Maynard argues that by focusing on high-profit trucks and SUVs, the Big Three missed a golden opportunity to win back the American car-

buyer. Foreign companies like Toyota and Honda solidified their dominance in family and economy cars, gained market share in high-margin luxury cars, and, in an ironic twist, soon stormed in with their own sophisticatedly engineered and marketed SUVs, pickups and minivans. Detroit, suffering from a “good enough” syndrome and wedded to ineffective marketing gimmicks like rebates and zero-percent financing,

failed to give consumers what they really wanted —reliability, the latest technology and good design at a reasonable cost. Drawing on a wide range of interviews with industry leaders, including Toyota’s Fujio Cho, Nissan’s Carlos Ghosn, Chrysler’s Dieter Zetsche, BMW’s Helmut Panke, and GM’s Robert Lutz, as well as car designers, engineers, test drivers and owners, Maynard presents a stark picture of the culture of arrogance and insularity that led

American car manufacturers astray. Maynard predicts that, by the end of the decade, one of the American car makers will no longer exist in its present form. *Car Talk* Includes advertising matter. *jeep cherokee and comanche automotive repair manual* Get the most from your FI system! This handy guide will help you coax better mileage and top performance from most any Bosch system, including Asian imports, Motronic, and D, L, LH, K, K w-Lambda, and KE-Jetronic systems.
