## 8th Gen Civic SI Manual

### Transmission Fluid DIY

My mothers 8th Gen Civic just started having transmission issues. I m aware that Honda s newer AT s are very prone to failure however this car has had all maintenance done at recommended intervals and now the transmission doesn t engage when you put it in drive. Doesn t happen all the time but it basically clunks n revs, then either takes off or just stalls out. Vehicle has a little over 110k ...

I went to Honda to see what kind to get, and, big surprise, the only thing they would tell me was to get Honda Manual

Transmission Fluid. Anyways, I want to buy the best (possibly synthetic) fluid on the market, but I dont know what brand to get, or even what weight. ... 8th Generation Honda Civic Forum. We ' re a community for 8th Gen 2006 ...

### [Honda Civic \(eighth generation\) - Wikipedia](#)

I can't speak to the 7th gen Civics, but early 7th gen Accords had problems with some gear shafts not getting enough ATF to keep them cool so they would cook the fluid and ultimately themselves. Honda issued a recall, placing some sort of baffle to better cool the gears/shaft and by 06-07 it was pretty much a non-issue.
