Interactive Math Notebook Resource Book, Grade 8 Carson-Dellosa Publishing
GRADE 8: This 64-page math workbook allows students to create their own subject-specific resource that can be referenced throughout the year. INCLUDES: This Interactive Notebook emphasizes the study of mathematics with 28 lessons covering the number system, ratios, equations, geometry, statistics, probability, and more. BENEFITS OF INTERACTIVE NOTEBOOKS: Encourages students to become active participants in their own learning by providing an easy-to-follow plan for setting up, creating, and maintaining a notebook with essential information. Students are

encouraged to be creative, use color, and work with interactive content to gain a greater understanding of the topics covered. WHY MARK TWAIN MEDIA: Mark Twain Media Publishing Company specializes in providing captivating, supplemental books and decorative resources to complement middle- and upper-grade classrooms. Designed by leading educators, the product line covers a range of subjects including mathematics, sciences, language arts, social studies, history, government, fine arts, and character. Common Core Grade 8 Summer Math Workbook WWW.MathNotion.com Each page in Common Core Math Workouts for grade 6 contains two "workouts"; one for skills practice and one for applying those skills to solve a problem. These workouts make great warm-up or assessment exercises. They can be used to set the stage and teach the content covered by the standards. They can also be used to assess what students have learned after the content has been taught. Content is aligned with the Common Core State Standards for Mathematics and includes Geometry, Ratio and Proportional Relationships, The Number System, Expressions and Equations, and Statistics and Probability. The workbooks

in the Common Core Math Workouts series are designed to help teachers and parents meet the challenges set forth by the Common Core State Standards. They are filled with skills practice and problem-solving practice exercises that correspond to each standard. With a little time each day, your students will become better problem solvers and will acquire the skills they need to meet the mathematical expectations for their grade level.
