Pure Engelhard gem. In this one, The Girls  
of Cincinnati, he's given us something  
never thought possible, a coming-of-age  
saga that's also a sizzling thriller. The  
plot here is riveting. The dialogue  
sparkles. What's it about? It's about life.  
Anyone who's been in love - especially love  
that appears to be out of reach - will  
understand what's going on between

Engelhard's two heroes, Eli Brilliant and  
Stephanie Eaton. Anyone who feels the  
approach of menace will understand what  
these two must endure when a crazed woman  
appears on the scene, threatening them both  
with "a fate worse than death." Anyone who  
works at a dead-end job will be right there  
with Eli, who ends up working for Harry's  
Carpet City in Cincinnati, Ohio. Eli is  
back home in the Midwest after he failed to  
make it in New York as an actor. So that's  
one dream down the drain. But now that he's  
back in Cincinnati, he's got Stephanie  
Eaton - or does he? Something always goes  
wrong between them, and this time, terribly  
wrong. Engelhard, the last of the  
Hemingways, gives us the heartland of  
America as it's rarely been given to us  
before in literature. He gives us an  
unvarnished view inside the world of Sales  
and he gives us a broken-down old salesman  
that's the equal of anything produced by  
Arthur Miller and David Mamet. Engelhard is  
most precious in his asides, his quick-cut  
commentaries. In Eli Brilliant, Engelhard  
gives us a character, though young and  
handsome, who we can all identify with -  
especially when we find Eli always reaching  
for the unattainable. Yes, he's a lover, a  
chick magnet - hence the title - but don't  
be fooled. This character, and this novel,  
goes much deeper. From start to finish, The  
Girls of Cincinnati is a triumph.

Kate Gray takes an unblinking look at bullying in her debut novel, Carry the  
Sky. It 's 1983 at an elite Delaware boarding school. Taylor Alta, the new  
rowing coach, arrives reeling from the death of the woman she loved. Physics  
teacher Jack Song, the only Asian American on campus, struggles with his  
personal code of honor when he gets too close to a student. These two young,  
lonely teachers narrate the story of a strange and brilliant thirteen-year-old boy  
who draws atomic mushroom clouds on his notebook, pings through the  
corridors like a pinball, and develops a crush on an older girl with secrets of her  
own. Carry the Sky sings a brave and honest anthem about what it means to be  
different in a world of uniformity.

Archie 3000 Motorbooks  
Filmatized in 2013 and the official recipient of three Oscars,  
Solomon Northup's powerful slave narrative 'Twelve Years a  
Slave' depicts Nortup's life as he is sold into slavery after  
having spent 32 years of his life living as a free man in New  
York. Working as a travelling musician, Northup goes to  
Washington D.C, where he is kidnapped, sent to New Orleans,  
and sold to a planter to suffer the relentless and brutal life of  
a slave. After a dozen years, Northup escapes to return to  
his family and pulls no punches, as he describes his fate and  
that of so many other black people at the time. It is a  
harrowing but vitally important book, even today. For further  
reading on this subject, try 'Uncle Tom's Cabin' by Harriet  
Beecher Stowe. Solomon Northup (c.1807-c.1875) was an  
American abolitionist and writer, best remembered for his  
powerful race memoir 'Twelve Years a Slave'. At the age of  
32, when he was a married farmer, father-of-three, violinist  
and free-born man, he was kidnapped in Washington D.C and  
shipped to New Orleans, sold to a planter and enslaved for a

dozen years. When he gained his freedom, he wrote his famous memoir and spent some years lecturing across the US, on behalf of the abolitionist movement. 'Twelve Years a Slave' was published a year after 'Uncle Tom's Cabin' by Harriet Beecher Stowe and built on the anti-slavery momentum it had developed. Northrup's final years are something of a mystery, though it is thought that he struggled to cope with family life after being freed.

#### A Second Course in Business Statistics Wentworth Press

This is one of the most significant military books of the twentieth century. By an outstanding soldier of independent

mind, it pushed forward the evolution of land warfare and was directly responsible for German armoured supremacy in the early years of the Second World War. Published in 1937, the result of 15 years of careful study since his days on the German General Staff in the First World War, Guderian's book argued, quite clearly, how vital the proper use of tanks and supporting armoured vehicles would be in the conduct of a future war. When that war came, just two years later, he proved it, leading his Panzers with distinction in the Polish, French and Russian campaigns. Panzer warfare had come of age, exactly as he had forecast. This first English translation of Heinz Guderian's classic book - used as a textbook by Panzer officers in the war - has an introduction and extensive background notes by the modern English historian Paul Harris.

#### The Gift Within Us Andrews McMeel Pub

One of the most important forms of communication--intuition--is often overlooked or misunderstood by many people. In The Gift Within Us, author Mary Ann Bohrer explores the subject of intuition through interviews with scientists, paranormal researchers and 33 highly gifted intuitives from around the world who share their stories in individual profile chapters. Ultimately, we learn that every individual has

access to this amazing divine wisdom simply by listening to our own inner voice. The process is simple, but the rewards are profound. According to research, people are increasingly identifying themselves as "spiritual but not religious," yet they don't know how to satisfy their yearning for greater spiritual connection and understanding. In this insightful and groundbreaking book, the author outlines six simple steps to accessing our own inner voice, so that each and every one of us can tap into this incredibly powerful form of communication and divine guidance, *The Gift Within Us*. About The Author Mary Ann Bohrer is a PR professional, communications specialist and intuition advocate who has interviewed some of the most gifted intuitives in the world. She has also interviewed top scientists, psi researchers, academicians and even a leading Catholic Archbishop regarding the topic of intuition, and shares her findings in *The Gift Within Us* that each and every one of us--regardless of religious affiliation, or whether they identify as religious at all--has access to this amazing and life-changing gift, simply by listening to our own inner voice. Editorial Reviews "In *The Gift Within Us*, Mary Ann really captures what it's like to be a psychic medium, and this book shows us how to listen to our own inner voice. This intelligent book will help many people appreciate and access the spiritual world." James Van Praagh, Spiritual medium and author of *Talking to Heaven*, *Adventures of the Soul*, and *The Power of Love* "This direct connection has always been available to all of us. Some receive this guidance through prayer, some through meditation, and others by simply listening to their inner voice. We all have access to divine wisdom - it's just a matter of knowing and trusting that we are loved and worthy of receiving that guidance." Archbishop Harry J. Flynn, former Archbishop Emeritus of the Archdiocese of St. Paul and Minneapolis "The evidence is in - intuition is real and it exists within all of us to various degrees. Mary Ann has written a powerful and engaging book that documents real life evidence for this precious gift, and underscores the benefits of listening to our own inner voice." Gary E. Schwartz, PhD, Professor of Psychology, Medicine, Neurology, Psychiatry and Surgery, University of Arizona and Author of *Super Synchronicity*, *The Afterlife Experiments* and *The Sacred Promise* "Most people have had one or more

extraordinary intuitive or transcendent experiences, but we quickly learn not to talk about them. They feel strange and otherworldly, so we're concerned how others will react if we tell them our stories. This is why Mary Ann Bohrer's *The Gift Within Us* is such a gift. It helps to break the paradox of common experiences that no one wants to talk about, and it reminds us that these experiences are real, normal, and valuable. Highly recommended!" Dean Radin, PhD, Chief Scientist at the Institute of Noetic Sciences (IONS) and Author of *The Conscious Universe*, *Supernormal* and *Real Magic*

Around the world, parties of the left and center-left have been struggling, losing ground to right-wing parties and various forms of reactionary populism. This book brings together a range of leading academics and experts on social democratic politics and policy to offer an international, comparative view of the changing political landscape. Using case studies from the United Kingdom, Germany, Spain, France, Australia and New Zealand contributors argue that despite different local and specific contexts, the mainstream center-left is beset by a range of common challenges. Analysis focuses on institutional and structural factors, the role of key individuals, and the atrophy of progressive ideas as interconnected reasons for the current struggles of the center-left.
