A Hands-on Guide To Getting The Most From Your Toyota. The Toyota Truck & Land Cruiser Owner's Bible? is the authoritative companion book for your Toyota truck, whether it's a heavy hauling pickup, rugged off-road FJ40, or a new Land Cruiser that's never left pavement. Author, veteran truck mechanic and off-road expert Moses Ludel has written the only comprehensive source of

information for Toyota Trucks and Land Cruisers—a history, buyer's guide, service manual, and high-performance tuning book all in one! Discover every aspect of Toyota trucks, from their origins in 1958 to the latest technological advances. You'll learn tips for buying the right new or used truck, and which accessories make sense for your needs. Step-by-step procedures with hundreds of photos cover basic maintenance and more complicated work, like tune-ups, valve adjustments, brake jobs and installing aftermarket suspension/lift kits. Get the hot set-up for your truck, whether you want low-end torque or high-RPM power. Moses gives specific tuning recommendations for engines from the early inline-6s to the advanced 4.5L 24-valve DJ engine. He shares expert insights into the best high performance components and the latest technology from Toyota Racing Development.

You'll also find suspension and chassis modifications, and the best tire and wheel combinations. Comprehensive coverage of Toyota Trucks and Land Cruisers from 1958-1996, including: * 4Runner * SR-5 * Tacoma * T-100 * FJ25 * FJ40 * FJ43 * FJ45 * FJ55 * FJ80 * FJ60 * DJ80 * Stout * Hi-Lux * Xtra Cab * Cab and Chassis Models

Buying a car can be a smart idea - a car loses the lion's share of its value when it is driven off the new car lot, so why let someone else take that loss? But buyer beware: A used car is likely to need more repairs and may come with a short warranty or none

at all. In addition, used cars may lack the latest safety features. That is why it is so important for consumers to do extensive research so they can avoid all of the potential pitfalls of buying a used car. The auto experts at "Consumer Reports" have done the work for you and have compiled their extensive research and report their findings into the 2007 edition of USED CAR BUYING GUIDE. This fabulous tool will help steer any consumer who is in the market for a used car towards the better-performing and more reliable used car models and away from those models with a troubled past or substandard performance. Before consumers set foot on a used car lot, they should read all the valuable information provided in this book so they can be armed with as much information as possible and the knowledge to make an educated choice. "Consumer Reports" knows cars and offers the most detailed and revealing used car reliability information available anywhere including: - Unbiased reviews of every major model from 1999 - 2006- Lists of the best and worst used vehicles and how to avoid a lemon - A checklist of what to look for when inspecting a used car- Best used cars for gas mileage- Tips on negotiating the best priceReliability, recalls and crash test information- Making sense of safety information -How to get the most money when trading in your current car The majority of this book is devoted to the profiles of 264 cars, minivans, SUVs and trucks, presenting all major 1999-2006 models. Each profile contains a photo from the representative year, a write-up of the vehicle, reliability history, crash-test data, and the model years when key safety gear was added and when a major redesign was made.

Kiplinger's Personal Finance

This new, thoroughly updated sixth edition of Bradt 's Botswana Safari Guide remains the only full-

blown, standalone guide to one of Africa 's most popular and rewarding safari destinations. This is the sole guide to focus on Botswana 's key safari locations: the Okavango Delta, Chobe National Park and the Northern Kalahari. Botswana 's wilderness is pristine, a virtue underpinned by governmental commitment to sustainable tourism. The Okavango Delta 's permanent waters attract year-round wildlife, including all the 'big five'. Outside the Delta, this English-speaking country offers tremendous variety in landscapes, from the arid Kalahari to lush forests. Riverine areas harbour spectacular herds of elephants and buffalo, as well as mighty predator populations. Dusty savannahs attract hardier game such as oryx and springbok. On Makgadikgadi 's great salt pans, zebras gather in huge congregations after rain. Birdwatching is brilliant throughout. Then there 's Botswana 's rich history, from the ancient rock paintings at the Tsodilo Hills to Stone Age arrowheads on the Makgadikgadi Pans. Bradt 's Botswana Safari Guide offers detailed descriptions of many lodges, from traditional tented camps to those offering five-star luxury and top-class cuisine, plus detail on what animals occur where, enabling you to select the optimum approach. With this book 's comprehensive GPS co-ordinates and detailed maps, independent travellers can drive themselves around. But perhaps you prefer bespoke mobile safaris with a private guide? Either way, take a night drive to see creatures of the dark: genets and hunting leopards. For a different feel, explore rivers on gentle motorboat cruises, including on multi-day trips, or get closer to the water in a traditional

mokoro (dug-out canoe), with a poler escorting you along shallow waterways. Or seek out a specialist walking camp for the excitement of bush walks – when meerkats might even pose atop your head for a great lookout. And why not use this book 's advice to book-end trips by visiting Livingstone (Zambia) and the Victoria Falls? Written and updated by Chris and Susie McIntyre, experts on all things Africa, Bradt 's Botswana Safari Guide is the definitive companion to discovering this thrilling destination.
