Chilton's Total Car Care Repair Ford's Focus Mk1 was a game-changing family hatchback, setting new standards for ride, handling and driver enjoyment. The sporty ST170 was noted for being a top-notch all-rounder, while the rapid RS broke the mould for front-wheel-drive hot hatchbacks, offering outstanding ability on road or track. Today, the ST170 and Mk1 RS are highly-regarded driver's machines, while gradually gaining cult status - and increasing value - among classic collectors. But both machines suffer the potential for rust, neglect, abuse and accident damage - which makes buying one a task that's fraught with risk.
