For his eighth birthday, Emilio Scotto received a World Atlas. Promptly he announced his plan to make a route that would pass through all the countries of the world, a route he named BLUE ROAD ONE. When, some years later, he found himself astride a black 1100 Honda Gold Wing motorcycle, Blue Road One beckoned, and Scotto set off on a journey that would last more than a decade, take him virtually everywhere in the world, and land him in the Guinness Book of World Records. This is his story, a thrill ride that begins in his native Argentina, crosses Panama in the tumultuous time of Noriega, Mexico in the midst of an earthquake, and finds him broke in L.A. where, in a chance meeting, Muhammad Ali gives him fifty dollars and a signed book. Breaching the Iron Curtain, crossing the Berlin Wall at Checkpoint Charlie, being blessed by the Pope, set upon by cannibals in Sierra Leone, fleeing Somalia on a freighter, Scotto's adventures would be unbelievable if they weren't true. His tale of touring the world from Tunisia to Turkey, Petra to Afghanistan, Yugoslavia to Singapore, traveling miles enough to take him to the moon and back, is unlike any ever told. Come along, for the ride of a lifetime.
