In the Time of the Butterflies

"The 280 men of the 548th Night Fighter Squadron fought their P-61 Black Widows across the Pacific. The Ground Echelon landed on Iwo on D+8, under the mortar, small-arms and kamikaze attack--the Widows arrived a little later. The entire Squadron lived in foxholes (between USMC howitzers and the enemy) for 6 weeks, on C-rations and one canteen of water per day. All while maintaining and flying the world's most complex aircraft. Not a single Japanese bomb fell on Iwo while the 548th stood night-time watch. On Ie Shima (Okinawa) they again arrived under kamikaze attack, shot down several enemy aircraft, made extensive night intruder bombing and rocket attacks, acted as escorts for hundreds of B-29 crew-rescues, and made critical nightly weather observations over tomorrow's targets for the day-bomber fleet. The Squadron had

its share of odd moments, from losing a man on Iwo to its own friendly small-arms fire, to scoring the only American shoot-downs of a B29 and a P61." "This book is those men's story--all of them, not just the aircrews. It covers the entire history of the Squadron. The tale is told as much as possible in the first person, using Squadron veterans' memories, illustrations, and extensive records and memorabilia--augmented (where records exist) by official materials." -- Book Jacket.

Celebrating its 30th anniversary in 2024, internationally bestselling author and literary icon Julia Alvarez's *In the Time of the Butterflies* is "beautiful, heartbreaking and alive ... a lyrical work of historical fiction based on the story of the Mirabal sisters, revolutionary heroes who had opposed and fought against Trujillo." (Concepción de León, *New York Times*) Alvarez's new novel, *The Cemetery of Untold*

Stories, is coming April 2, 2024. Pre-order now! It is November 25, 1960, and three beautiful sisters have been found near their wrecked Jeep at the bottom of a 150-foot cliff on the north coast of the Dominican Republic. The official state newspaper reports their deaths as accidental. It does not mention that a fourth sister lives. Nor does it explain that the sisters were among the leading opponents of Gen. Rafael Leónidas Trujillo's dictatorship. It doesn't have to. Everybody knows of *Las Mariposas*--the Butterflies. In this extraordinary novel, the voices of all four sisters--Minerva, Patria, María Teresa, and the survivor, Dedé--speak across the decades to tell their own stories, from secret crushes to gunrunning, and to describe the everyday horrors of life under Trujillo's rule. Through the art and magic of Julia Alvarez's imagination, the martyred Butterflies live again in this novel of courage and love, and the human costs of political oppression. "Alvarez helped blaze the trail for Latina authors to break into the literary mainstream, with novels like *In the Time of the Butterflies* and *How the García Girls Lost Their Accents* winning praise from critics and gracing best-seller lists across the Americas."--Francisco Cantú, *The New York Times Book Review* "This Julia Alvarez classic is a must-read for anyone of Latinx descent." --Popsugar.com "A gorgeous and sensitive novel . . . A compelling story of courage, patriotism and familial devotion." --People "Shimmering . . . Valuable and necessary." --Los Angeles Times "A magnificent treasure for all cultures and all time." --St. Petersburg Times "Alvarez does a remarkable job illustrating the ruinous effect the 30-year dictatorship had on the Dominican Republic and the very real human cost it entailed."--Cosmopolitan.com
