Globalisation and
the rapid increase
in world trade in
the past decade
have contributed
to greater
demand for
international
transport and
logistics and,
consequently, the
expansion of the
maritime industry.

The dramatic
changes in the
mode of world
trade and cargo
transportation
make it more
important than
ever to have a
clear
understanding of
the way in which
freight is
transported by sea
and the role of
ports in this
exchange. At the
cutting edge in its
assessment of the
industry, Maritime
Logistics covers
the whole scope of
maritime logistics
and examines
latest logistical
developments
within the port and
shipping industry.
With a range of
new international
contributors, this

new edition has
been thoroughly
revised and
updated. There
are new chapters
on port centric
logistics,
hinterland logistics
and global supply
chains, maritime
transport and
logistics as a trade
facilitator, and
future trends and
developments.
Written by a team
of international
experts with over
fifty years'
experience in the
field, Maritime
Logistics provides
a truly global
perspective. The
book covers
everything that
students of
logistics, as well
as those working
within the industry,

need to know about maritime logistics, including shipping lines, containers, tankers, dry bulk, port-centric logistics, and much more.

Sea Scout

Manual Haynes Manuals N. America, Incorporated SELOC Marine maintenance and repair manuals offer the most comprehensive, authoritative information available for outboard, inboard, stern-drive and diesel engines, as well as personal

watercraft. SELOC has been the leading source of how-to information for the marine industry since 1974. Manual

For anyone who owns a boat, this is the handbook you need to own.

Included are all of the official government rules and regulations that must be followed by anyone out on the water. This book will prepare you for head-on situations, avoiding collisions, using, distress signals, and will inform you of all the up-to-date water regulations.

Whether you're in a jam or just relaxing at sea, Navigation Rules will teach and prepare you for anything and everything you may encounter while on your boat.
