The Mazda Miata is one of the most popular sports cars on the road today. In production for more than 20 years, the Miata's popularity has grown, and the number of aftermarket components available to the Miata enthusiast has grown, too. This immense selection of parts has made it difficult for many would-be modifiers to choose the proper combination that will help them reach the goals they have set for their two-seaters. Author and Miata expert Keith Tanner has

been modifying, repairing, building, and racing Miatas for years, and he will guide you through how to best modify your car to suit your needs, starting with an explanation on how everything works and how the various parts will interact. You'll not only learn what upgrades will help you reach your goals, but also how to adjust or modify what you have to make your car work at its best. From autocross to cross-country touring, the Miata can do it all. Keith Tanner tells you how to make it happen!

The Book of the Mazda MX-5 Miata Haynes
Manuals N. America,
Incorporated
With its arrival in the

United States in 1990, the Mazda Miata inspired the return of the open roadster. Though other makes and models followed, the Miata remains the convertible sports car of choice for budget-conscious enthusiasts, as popular in autocross and amateur racing circles as it is among pleasure drivers. This book shows readers how to make the most of any Miata: what to look for in a used model and how to perform common maintenance and repairs,	as well as over 15 projects to improve performance and appearance. Focusing on the engine, wheels and tires, suspension, body kits, interior, and more, the projects include full details on required parts, cost, time, tools, and skill necessary for completion. With easy-to-follow directions and clear illustrations, this handy guide is a virtual road map for taking the Miata the full distance. <u>2019 Mazda CX-9 Owner Manual Compatible</u>	<u>with OEM Owners Manual, Factory Glovebox Book</u> Veloce Publishing This is a phenomenally detailed book which covers the car from bumper to bumper.
