Collecting vintage diecast toy cars has become an increasingly popular hobby over the last 25 years, and this book provides a comprehensive overview of the companies that made these toys during the 1950s and 1960s. As well as examining the major names such as Dinky Toys, Corgi Toys and Matchbox (Great Britain), Solido (France), Tekno (Denmark) and Tootsietoy (USA), this book is unique in its coverage of many smaller and more obscure brands, not only from Europe or the USA but from countries as far afield as Japan, Israel and Argentina. The book provides fascinating insights into the history of individual companies, accompanied by 250 photographs of rare examples, most of them with their original boxes. A further unique feature is the inclusion of a large selection of colorful and evocative illustrations from catalogs and period trade advertisements.
