Canada's automotive "Dr. Phil" says there's never been a better time to buy a new car or truck. For deals on wheels, 2013 will be a

"perfect storm." There's never been a better time to buy a new car or truck, thanks to a stronger Canadian dollar, a worldwide recession driving prices downward, and a more competitive Japanese auto industry that's still reeling from a series of natural disasters. In addition to lower prices and more choices, 2013 car buyers will see more generous cash rebates, low financing rates, bargain leases, and free auto maintenance programs. Buy, sell, or hold? Which cars and trucks are "wallet-friendly" and can easily last 15 years? Which vehicles offer the most features to best accommodate senior drivers? Do ethanol and hybrid fuel-saving claims have more in common with Harry Potter than the Society of Automotive Engineers? Is GM's 2013 Volt electric car destined to become an electric Edsel? These questions and more are answered in this informative guide.

Legendary travel writer Paul Theroux drives the entire length of the US-Mexico border, then goes deep into the hinterland, on the back roads of Chiapas and Oaxaca, to uncover the rich, layered world behind today's brutal headlines. Paul Theroux has spent his life crisscrossing the globe in search of the histories and peoples that give life to the places they call home. Now, as immigration debates boil around the world, Theroux has set out to explore a country key to understanding our current discourse: Mexico. Just south of the Arizona border, in the desert region of Sonora, he finds a place brimming with vitality, yet visibly marked by both the US Border Patrol looming to the north and mounting discord from within. With the same humanizing sensibility he employed in Deep South, Theroux stops to talk with residents, visits Zapotec mill workers in the highlands, and attends a Zapatista party meeting, communing with people of all stripes who remain south of the border even as their families brave the journey north. From the writer praised for his "curiosity and affection for humanity in all its forms" (New York Times Book Review), *On the Plain of Snakes* is an exploration of a region in conflict.

In the New York Times bestseller that the Washington Post called "Lean In for misfits," Sophia Amoruso shares how she went from dumpster diving to founding one of the fastest-growing retailers in the world. Amoruso spent her teens hitchhiking, committing petty theft, and scrounging in dumpsters for leftover bagels. By age twenty-two she had dropped out of school, and was broke, directionless, and checking IDs in the lobby of an art school—a job she'd taken for the health insurance. It was in that lobby that Sophia decided to start selling vintage clothes on eBay. Flash forward to today, and she's the founder of Nasty Gal and the founder and CEO of Girlboss. Sophia was never a typical CEO, or a typical anything, and she's written #GIRLBOSS for other girls like her: outsiders (and insiders) seeking a unique path to success, even when that path is windy as all hell and lined with naysayers. #GIRLBOSS proves that being successful isn't about where you went to college or how popular you were in high school. It's about trusting your instincts and following your gut; knowing which rules to follow and which to break; when to button up and when to let your freak flag fly. "A witty and cleverly told account . . . It's this kind of honest advice, plus the humorous ups and downs of her rise in online retail, that make the book so appealing." —Los Angeles Times "Amoruso teaches the innovative and entrepreneurial among us to play to our strengths, learn from our mistakes, and know when to break a few of the traditional rules." —Vanity Fair "#GIRLBOSS is more than a book . . . #GIRLBOSS is a movement." —Lena Dunham

These days, there are many advantages to buying a used car over a new car. Unfortunately, purchasing a used car may pose a greater risk to the consumer. A used car in its nature will most likely need more repairs, lack newer safety measures, and may come with a short warranty or none at all. That is why it is so important for consumers to do extensive research so they can avoid all of the pitfalls of the used car market category. The auto experts at "Consumer Reports" have done the work for you and have compiled their extensive research and report their findings into the 2006 edition of "Used Car Buying Guide." Most people don't start thinking about retirement until they hit 40, 50 or beyond. But what if making some simple changes in the way we live today gave us the opportunity to retire earlier and more fearlessly than we expect? Even better, what if a way existed to start enjoying life with more peace of mind, happiness and freedom right now? If you're worried about your future and are tired of the rat race that seems to lead nowhere, then rightsizing

might be the best way for you to reimagine your life-starting today! What is rightsizing? Rightsizing is the conscious choice to reinvent a lifestyle that more closely fits you and your family in the best possible manner at every stage of life. Rightsizing provides the freedom to let go of the daily grind of just getting by day-in and day-out. So instead of constantly striving toward more and more stuff and trying to keep up with the neighbors, rightsizing avoids unsustainable debt, stress, addiction and competition and allows us to recreate life with meaning and purpose. Rightsizing helps us each design a life that lets us spend our time and resources on whatever is most important to us. And best of all, rightsizing is about discovering what gives our life meaning, makes us smile, and allows us to sleep well and deeply every single night. If you don't have that now, maybe it's time to rightsize your life. Rightsizing-A SMART Living 365 Guide to Reinventing Retirement is a collection of blog posts written by Kathy Gottberg on her blog SMART Living 365.com. These articles address some of her best ideas about the topic and reveal how each of us can discover our own unique version of a life focused on what truly matters.
