What you need to know about your customers Now more than ever, every interaction you have with customers is critical. Customers today have unlimited information at their fingertips—and can influence the purchase decisions and behaviors of millions of others. With this comes a shift in the balance of power, and every company must come to terms with the fact that the customer is in control. Interacting with customers in the way they want is an essential business strategy and in

many industries, the key to business success. Executives still refer to B2B and B2C business models, as though companies control demand by going to customers with products and services. But as Bill Price and David Jaffe (authors of *The Best Service is No Service*) show, a new business model is emerging in which the customer directs the relationship. It is becoming a world of "Me2B"—one in which the customer, not the business, dictates the terms of engagement. In order for your business to thrive, you must create positive experiences to fulfill a range of customer needs. Though the mediums for customer engagement continuously evolve, Price and Jaffe show that customer needs remain unchanging. In *Your Customer Rules!*, they define a critical hierarchy of seven needs that your company can meet and apply as a methodology. Throughout this practical guidebook, Price and Jaffe share examples of companies who succeed by meeting these seven needs, including Amazon, Apple, IKEA, Nordstrom, USAA, Shoes of Prey, Vente-Privee, and Yamato Transport, as well as those that didn't. *Your Customer Rules!* offers tailored advice for companies at every stage, from nimble startups to legacy firms with established customer service practices—and everyone in between. With a simple, elegant solution for driving lasting value for customers, *Your Customer Rules!* is a clear guide for strengthening customer relationships and competing on more than price. It is essential reading for executives at all levels—business owners, marketing managers, and anyone who works directly with customers.

Black Enterprise Springer

Celebrating its 30th anniversary in 2024, internationally bestselling author and literary icon Julia Alvarez's *In the Time of the Butterflies* is "beautiful, heartbreaking and alive ... a lyrical work of historical fiction based on the story of the Mirabal sisters, revolutionary heroes who had opposed and fought against Trujillo." (Concepción de León, *New York Times*) Alvarez's new novel, *The Cemetery of Untold Stories*, is

coming April 2, 2024. Pre-order now! It is November 25, 1960, and three beautiful sisters have been found near their wrecked Jeep at the bottom of a 150-foot cliff on the north coast of the Dominican Republic. The official state newspaper reports their deaths as accidental. It does not mention that a fourth sister lives. Nor does it explain that the sisters were among the leading opponents of Gen. Rafael Leónidas Trujillo's dictatorship. It doesn't have to. Everybody knows of Las Mariposas—the Butterflies. In this extraordinary novel, the voices of all four sisters—Minerva, Patria, María Teresa, and the survivor, Dedé—speak across the decades to tell their own stories, from secret crushes to gunrunning, and to describe the everyday horrors of life under Trujillo's rule. Through the art and magic of Julia Alvarez's imagination, the martyred Butterflies live again in this novel of courage and love, and the human costs of political oppression. "Alvarez helped blaze the trail for Latina authors to break into the literary mainstream, with novels like *In the Time of the Butterflies* and *How the García Girls Lost Their Accents* winning praise from critics and gracing best-seller lists across the Americas."—Francisco Cantú, *The New York Times Book Review* "This Julia Alvarez classic is a must-read for anyone of Latinx descent."—Popsugar.com "A gorgeous and sensitive novel . . . A compelling story of courage, patriotism and familial devotion."—People "Shimmering . . . Valuable and necessary."—Los Angeles Times "A magnificent treasure for all cultures and all time."—St. Petersburg Times "Alvarez does a remarkable job illustrating the ruinous effect the 30-year dictatorship had on the Dominican Republic and the very real human cost it entailed."—Cosmopolitan.com Automotive News Algonquin Books Thoroughly revised and updated for 2001, the guide that has helped thousands of car and truck buyers make the right decision is now better than ever. Includes a listing of AAA Top Car Award winners for the year, fuel economy reports, and sound advice on "buy vs. lease". Full-color photos throughout.

Now more than ever, Subaru fanatics have a wealth of factory and aftermarket performance upgrades at their disposal. In High-Performance Subaru Builder's Guide, author Jeff Zurschmeide explains in detail the similarities and differences between the Subaru models, and describes how to modify each for performance on the street and at the track. He uses over 300 color photos to show you how to modify your Impreza, Legacy, WRX, or STI for improved acceleration, handling, braking, and style. The book provides detailed chapters explaining how to modify the intake, exhaust, turbocharger, and computer systems for more horsepower and torque--plus info on upgrading your drivetrain to handle all that power. If taking corners is your thing, you'll find chapters on the suspension, steering, chassis, brakes, and wheels and tires. A special chapter even shows you how to get started in your favorite type of racing, including examples of successful racers and their cars.
