From the very first day you use them, the design challenges in this

compendium will spur your students, too, to jump right in and engage

throughout the entire class. The activities reinforce important science

content while illustrating a range of STEM skills. The 30 articles have been

compiled from NSTA OCOs journals for elementary through high school. Next

time you need an engaging STEM activity, you OCO will be glad you have

this collection to help you blend meaningful and memorable

experiences into your lessons."
