1994 LT1 Engine Specifications | It Still Runs

The 1991-94 Mercury Capri will be a rare car by 2020, 30 years after it was first made. Only 66,000 were made worldwide, and fewer than 40,000 still exist. When they encounter engine trouble, many Capri owners simply junk a perfectly good car because they are afraid they won't be able to find parts, or because they don't have the service manual.
