The bestselling guide to learning a new

language and remembering what you learned, now revised and updated "A brilliant and thoroughly modern guide . . . If you want a new language to stick, start here."—Gary Marcus, cognitive psychologist and author of the New York Times bestseller *Gunar Zero* Gabriel Wyner speaks seven foreign languages fluently. He didn't learn them in school—who does? Rather, he mastered each one on his own, drawing on free online resources, short practice sessions, and his knowledge of neuroscience and linguistics. In *Fluent Forever*, Wyner shares his foolproof method for learning any language. It starts by hacking the way your brain naturally encodes information. You'll discover how to hear new sounds and train your tongue to produce them

With spaced-repetition systems, you'll build a foundation for your language in a week and learn hundreds of words a month—with just a few minutes of practice each day. This revised edition also shares fresh strategies that Wyner has refined over years of study.
