Post subject: MM 206L-4 Engine:

Hello! I am looking for a 206L-4 engine for my 1964

Minneapolis Moline Jet Star 3 industrial. My governor failed and the engine blew up. I live in NY but would be willing to travel (I have a trailer) or pay shipping expenses.

The Ford Ferguson 9N and 2N were also available with

a similar engine. The Steam to Diesel:

Z129D engine Continental developed was a diesel version of the Z129 engine used on the TO-30 but, I believe the Z129D had a fuel injection system like conventional diesel engines.

Solution to Ford 2n/9n lower lift arms leaking ??? I finally found time to get working on my 2n lift arms to

repair the leaks.  
When I found out that the rear end has to be pulled apart to repair it, I thought that was a pretty dumb design and there's got to be a better way.
