Wanted: Parents for a Baby W. W. Norton & Company

"Becoming guardian to her orphaned godson is a heartbreaking honor for Emmy Jacobs. The real challenge will be sharing that honor with godfather Dylan Harper! Having got off on the wrong foot with him, Emmy must now somehow get along with the brooding--and gorgeous--Dylan"--Cover verso.

Baby on the Rebel Heir's Doorstep Dorrance Publishing

Jodie Price spends the holidays in bed with her broodingly good-looking boss – consultant pediatrician Sam Taylor! It seems to be the start of something special – until Sam tells her he's infertile....

A Scandal, a Secret, a Baby Harlequin
rooks Renshaw has little time on his hands to deal with problems. But when his mom shows up after a weekend in Vegas married to someone he's never met, he decides to do some digging. Turns out she's hitched herself to a con artist with a trail of bad debts and abandoned women along the way. When Brooks finds out his new stepdad has a daughter, he decides to look into her, too. Only when he finds his new stepsister, he's ready to give her exactly what she wants. Eleanor works as a live-in baby nurse for new mothers. But her need to have a baby of her own has led her to take matters into her own hands. It's not the ideal situation, but she can't wait on Mr. Perfect any longer. But one phone call about a final job may change all her carefully made plans. Warning: This

book is filthy, gooey goodness, with baby-making galore! They might be stepbrother and sister, but hey, who are we to stop love? Turn the lights down low, because we've got some claiming to do! *Baby of the Family* Harlequin
Discusses reasons why teenage boys engage in sex, the consequences of irresponsible sexual activity, and alternative ways for young men to feel good about themselves.
A Child of My Own University of Pennsylvania Press
By the author of the bestselling *Multiple Sclerosis*, here is an essential resource for anyone with MS who is considering having a child.
I Want A Baby Harper Collins
At thirty, Delaney is no longer interested in playing the role of "good girl." After all, what has it gotten her this far in life? The one thing she wants most of all—to become a mother—still seems far out of reach. When she and her best

friend go to Boise for a night out, the handsome stranger Delaney meets seems too good to be true. Conner is attractive, and she can't help but notice his other qualities too—he's healthy, seems to have good genes, and she never has to see him again. If she just so happens to get what she's always wanted out of spending the night with him, he'll never have to know. But soon after Delaney discovers she's pregnant, a newcomer moves onto the ranch just outside of Dundee. And wouldn't you know, it just so happens to be Conner... Originally published in 2002 under the title *A Baby of Her Own Bound* by a Baby Harlequin, it is arguably the most common theme in ABDL fiction – becoming a baby again, perhaps forever and perhaps completely so. For many Adult Babies, the idea of being able to give into our wishes and desires completely and without restriction is a wonderful concept and one that grabs our attention. For the vast majority of adult babies, the expression of our inner infant is complicated by endless compromises and limits on what we can actually do. Our partners limit us. Our finances limit us. Social acceptance - and the lack thereof – limits us. Friends, employment, family and other issues limit us. But fiction can overcome all of these. In fiction, we can bend the rules of probability, break the bounds of social norms and erase the limits that otherwise keep us from expressing our inner infancy the way we wish. In these three books, you will read of adults that become complete babies once more. If they are not originally completely willing to become babies again, they quickly discover the joys, the peace and comfort of diapers, baby clothes, bottle feeds and baby toys. Infancy is entrancing to almost everyone, but for those special people – adult babies – infancy is only a diaper-change away and stories of grownups reverting to babyhood is less fiction than an innate desire that we express on the pages of a book. Enjoy your stay in the world of refreshing infancy. *Experiencing Endings and Beginnings* Harlequin The Piggie is one of the most famous and beloved child cases in the history of psychoanalysis. A two-year-old girl suffering from terrible nightmares, depression, and self-harming behaviours, the Piggie, came to Donald Winnicott for treatment. In writing up the case and allowing it to be published (with the posthumous help of his wife Clare and his student, Ishak Ramsey), Winnicott invited the world into his consulting room and allowed the inner world of the very young child to be seen. Seven psychoanalysts rediscover the Piggie, meeting her as an adult, re-scrutinising the case as it was formulated by Winnicott, and suggesting new understandings of the Piggie's material. Introduced by a foreword from Angela Joyce, the book features an interview with the adult Piggie, discussing her recollections of the treatment and her view of its impact many years on, as well as a meticulous historical overview from an investigation of 'The Piggie' archive revealing previously unknown information, a critical, detailed reappraisal of the case, and reflections from several authors on how modern psychoanalytic technique might be applied to the case were the Piggie to be seen in 2020. In this age, when the voice of the child needs to be heard more than ever, *Finding The Piggie* gives new life to this classic piece of psychoanalytic literature in which the importance of the child's feelings and conflicts is made abundantly clear. With this comprehensive exploration, a new generation of clinicians and others can rediscover this important case and think about it anew.

Early Female Development Routledge

In the final story in *The Heirs of Wishcliffe*

trilogy, a baby turns up on the heir's doorstep and he turns to his former flame for help! The latest Harlequin Romance novel by Sophie Pembroke is simply unmissable! From Harlequin Romance: Be swept away by glamorous and heartfelt love stories. The Heirs of Wishcliffe Book 1: Vegas Wedding to Forever Book 2: Their Second Chance Miracle Book 3: Baby on the Rebel Heir's Doorstep The Psychological Processes of Childbearing Lulu.com

Once again, author Ralph Milton brings his enormous talent as storyteller to the task of retelling biblical stories. Based on the bestselling Family Story Bible, the Lectionary Story Bible includes many new and wonderfully engaging stories from both the Hebrew and New Testament scriptures. At least one, but usually two stories from the lections are included for each Sunday of the church year making Lectionary's Story Bible a complete lectionary resource for Christian educators, camp leaders, worship leaders, and families who want to share their faith at home. The book also includes a scripture index of the stories included in the collection, for non-lectionary settings and uses. Adept at handling even difficult material, Ralph Milton writes stories that are positive and life-affirming, use inclusive language, and portray a God of love to children and adults alike. Margaret Kyle has created many new

illustrations brimming with the energy, curiosity, and joy that so characterizes her work. Lectionary Story Bible Year A is the first in a series that will cover all three years of the lectionary. The complete set will be an indispensable resource for anyone who wants to share faith stories with children and make the Bible relevant to young people today. Mummy... I Want to Be A Baby Again (Vol 6) Simon and Schuster A Baby Of Her Own What Delaney wants is a baby of her own. At thirty, she longs to break away from the constraints of her life. Longs to reach out for her heart's desire. She'd prefer marriage as well, but there's no man in Dundee, Idaho, she's interested in marrying. Then one winter night she meets a handsome stranger named Conner, a man who might be able to provide her with the solution she needs...and the baby she wants! Afterward she thinks she must have been out of her mind. But it's too

late. Because she's pregnant. And because the stranger isn't a stranger anymore. Conner Armstrong is now living on a ranch just outside Dundee. A Husband Of Her Own Rebecca Wells desperately wants to overcome her reputation. She's finally trying to put an end to her twenty-four-year rivalry with the perfect Josh Hill, a rivalry that began when she was a kid and the Hills moved in across the street. Great-looking, popular, a successful horse rancher, Josh is Dundee's golden boy - and the son her father always wanted. But even when her father insists they call a truce, it's hard for Rebecca to drop her resentment of Josh. She refuses to acknowledge that she feels more for him than she's ever let on. The man she loves to hate is also the man she'd hate to love!

A Baby on Her Christmas List HarperCollins UK
The riotously funny Lilly, last seen in Chester's Way (Greenwillow), thinks her new baby

brother, Julius, is disgusting -- if he was a number, he would be zero. But when Cousin Garland dares to criticize Julius, Lilly bullies her into loudly admiring Julius as the baby of the world. Lilly knows her baby brother is nothing but dreadful -- until she claims him for her own. "Henkes displays a deep understanding of sibling rivalry and a child's fragile self-esteem....Lilly is a superb and timely heroine." -- Publishers Weekly. "Who Wants To Be A Baby... Again? (vol 6) Springer Science & Business Media A Baby of Her Own/a Husband of Her Own Mills & Boon A Child of the Dales Taylor & Francis Rescuing the bachelor Yuletide Baby by Deb Kastner Shocked to find a baby girl abandoned at his church on Christmas Eve, pastor Shawn O ' Riley needs help. Experienced foster mom Heather is happy to show him the ropes of baby care—but isn ' t prepared for the way he melts the walls around her heart. Can Shawn and Heather give each other the best Christmas gift of all—family and love? A Husband for Christmas by Gail Gaymer Martin Picturesque Lilac Circle, Michigan, is the perfect

place for Nina Jerome to put her painful divorce behind her. She hadn ' t planned on being distracted by her sweet neighbor Doug Billings. The temporary dad is clueless when it comes to taking care of his little niece, and Nina agrees to help. Can Doug convince Nina she deserves a second chance at love—just in time for Christmas?

A Child of One's Own AB Discovery

As her son grows up from little boy to adult man, a mother secretly rocks him each night as he sleeps.

Finding the Piggie Basic Books

A wry and addictive debut about a modern-day American dynasty and its unexpected upheaval when the patriarch wills his dwindling fortune to his youngest, adopted son—setting off a chain of events that unearths secrets and tests long-held definitions of love and family. The money is old, the problems are new. Meet the Whitbys: an American dynasty once inundated with ungodly real estate wealth and now facing a new millennium of unfamiliar obstacles. There was a time when

the death of a Whitby would have made national news, but when the family patriarch, Roger, dies, he is alone. Word of his death travels from the long-suffering family lawyer to Roger's clan of children (from four different marriages), and the outlook isn't good. Roger has left everything to his twenty-one-year-old son Nick, a Whitby only in name—and Nick is nowhere to be found. Brooke, an older daughter who is both overwhelmingly nostalgic and unexpectedly pregnant, leads the search for Nick, hoping to convince him to let her keep her Boston home. Shelley, the only child from the third marriage, hasn't told anyone that she's dropped out of college just months before graduation and is currently working as an amanuensis for a blind architect, with whom she crosses complicated boundaries. And when Nick, on the run from the law after a misguided act of political activism, finally appears at Shelley's New York home, worlds collide and explode in spectacular fashion. Soon, the three siblings are faced with the question they have been running from their whole lives: What do they want their future to look like, if they can finally escape their past? Weaving together multiple perspectives to create a portrait of the American dream gone awry, *Baby of the Family* is a vivid, absorbing debut about family secrets and how they define us, bind us together, and threaten to blow us apart.

Social Development In Young Children AB Discovery Among the elementary human stories, parenthood has tended to go without saying. Compared to the spectacular attachments of romantic love, it is only the predictable sequel. Compared to the passions of childhood, it is just a background. But in recent decades, far-reaching changes in typical family forms and in procreative possibilities (through reproductive technologies) have brought out new questions. Why do people want (or not want) to be parents? How has the 'choice' first enabled by contraception changed the meaning of parenthood? Looking not only at new parental parts but at older parental stories, in novels and other works, this fascinating book offers fresh angles and arguments for thinking about parenthood today.

Giving Her My Baby
Pan Macmillan

The past fifteen years have seen a resurgence of interest in the psychology of female development, impelled by factors both intrinsic and external to psychoanalysis. Within psychoanalysis, increasingly sophisticated formulations regarding ego development and object relations have modified and elaborated drive-oriented conceptualizations of psychosexual development. In addition, the recent

focus upon narcissistic and borderline adult pathologies has led to a closer examination of the earliest phases of life, with emphasis upon early mother-child interactions and the nature of early identifications, narcissistic development and the formation of gender identity. The social and cultural changes reflected in the women's movement resulted in widespread charges that Freudian doctrine concerning female development was denigrating and phallogentric; in responding to this challenge, psychoanalytic theorists were stimulated to reconsider established hypotheses that viewed femininity as a secondary, defensive formulation. In addition, new discoveries and reinterpretations relating to fetal development and the physiology of the female orgasm challenged traditional conceptions about the masculine nature of libido. These various

strands of developing knowledge and interest intersect in the area of early female development and make it a focal point from which to investigate and resolve major issues in psychoanalytic thinking. As inconsistencies and errors in the classical formulations about female psychosexual development are discovered, and reformulations made through closely detiriled observations based on current theoretical assumptions, they in tum illuminate issues in ego psychology, object relations and narcissistic development, and enlarge the entire body of psychoanalytic theory.

With Child in Mind The Wild Rose Press Inc
I devoured this novel whole in one sitting. My God what a ride... it broke my heart... A definite must read. ' Marmite Miss,
As I watch her walk away, an arm raised to her face as she wipes tears from her eyes, I wonder if I really can go through losing her again. Because if I do this, I might gain a child, but I ' ll lose her in the process. Isla and Ben are devoted

parents to their beloved daughter, Reese. She is their little miracle, the child they thought they ' d never have until donors made her existence possible. But Isla has never told Reese about her biological parents. She wants to be honest with her daughter, but can she bear to open up old wounds? Then Isla receives a call from Lucy, once her closest friend, and it seems she may need to make a decision sooner than she thought. They haven ' t spoken in almost ten years, but Lucy has devastating news: she has lost her beloved husband Nate, just after they decided they wanted to become parents after all. Heartbroken for her friend, Isla welcomes Lucy back into her life. But then Lucy comes to Isla with a request that changes everything. If Lucy gets what she wants, Isla ' s perfect family could be destroyed. But would she deny the woman who helped her become a mother the chance for her own happiness? A Child of My Own is a heartbreaking, gripping and emotional story about motherhood, loss and friendship, perfect for fans of Jodi Picoult, Kelly Rimmer and Kate Hewitt. Why readers love A Child of My Own:
' Unforgettable... I literally could not put this book down... You will need to lock yourself away and clear your diary as you will

not be able to look up until you ' ve reached the end... order yourself a bumper pack of tissues. ' On The Shelf Books ' I devoured this novel whole in one sitting. My God what a ride... it broke my heart... I cried and it takes a lot for a book to make me cry. A definite must read novel for 2021. ' NetGalley reviewer, Booked

Wow keep the tissues handy... This book will make you laugh and cry but also just fill your heart with love and friendship. ' NetGalley reviewer, Booked

Grabbed me by the heart and wouldn't let go... emotional and passionate. ' Yaya Reads Lots of Books, Booked

Spectacular and emotional... I was spellbound; Carnevale was instantly able to grab my attention and hold it for the entire plot! Her characters are so realistic you'll feel they are your friends, too. ' Goodreads reviewer, Booked

This book had me go through every emotion possible... I was in tears at some points and smiling at other points... It really was a rollercoaster... Absolutely brilliant! ' Stressed Rach, Booked

Such a moving and emotional book, I absolutely loved every second of it... Immediately, I was pulled into this story, and totally consumed by it... I adored this stunning book. ' Sibzzreads, Booked

I cried like a baby... I really loved it... This is an emotional roller-coaster and a real tear-jerker. ' The Book Lovers Boudoir, Booked

Pulled on my heart strings from the first page until the last. I went through every rollercoaster of emotions that both couples experienced. I cried... phenomenal. ' Cait is Booked

Greek's Baby of Redemption Harlequin Will she ever be a mom? Jodie Price spends the holidays in bed with her broodingly goodlooking boss—consultant pediatrician Sam Taylor! It seems to be the start of something special—until Sam tells her he ' s infertile.... Sam knows that Jodie loves kids—she ' s fantastic with the children on the ward and he knows she wants a baby of her own one day. A baby he can ' t give her. It seems an impossible situation—unless Jodie can convince Sam that her love for him is stronger than her desire for a child....
