One summer. Two rivals. A plot twist they didn't see

coming... Nora Stephens' life is books—she 's read them all—and she is not that type of heroine. Not the plucky one, not the laidback dream girl, and especially not the sweetheart. In fact, the only people Nora is a heroine for are her clients, for whom she lands enormous deals as a cutthroat literary agent, and her beloved little sister Libby. Which is why she agrees to go to Sunshine Falls, North Carolina for the month of August when Libby begs her for a sisters ' trip away—with visions of a small town transformation for Nora, who she 's convinced needs to become the heroine in her own story. But instead of picnics in meadows, or run-ins with a handsome country doctor or bulging-forearmed bartender, Nora keeps bumping into Charlie Lastra, a bookish brooding editor from back in the city. It would be a meet-cute if not for the fact that they 've met many times and

---

it ' s never been cute. If Nora knows she ' s not an ideal heroine, Charlie knows he ' s nobody ' s hero, but as they are thrown together again and again—in a series of coincidences no editor worth their salt would allow—what they discover might just unravel the carefully crafted stories they ' ve written about themselves.

A winsome, beautifully written, page-turning read of a modern spiritual journey. This is the colorful story of one man's religious path that begins with a fundamentalist Baptist childhood to an adolescence in emergent church spirituality. He moves on through hipster years as a house painter and

musician, then marries and enters a seminary in Wisconsin. After years of wearing a black cassock and preparing to be an Anglican priest, and his final bold decision of joining the Catholic Church, Tyler Blanski's tale does not reject suitors of religion, but seduces them. An Immoveable Feast is a profound love story told with humor, wisdom and bite. A fresh breeze blows through it, one that perhaps hasn't blown through Christian conversation in a long time. Blanski reminds us that religion is not dead because it is not mortal. It is the liturgy of heaven...on earth.

My life is a hot mess. Single, working, and raising two daughters, it's a miracle I get up, dressed, and fed every morning. Forget about dating-nobody's got time for that. Even if love hadn't left me jaded, I'm not settling for anything less than perfect this time around. Lucky for me, the perfect man just happens to work in my office. But there's just one small problem: he's my boss, and is totally off limits. But hey, if it's meant to be, it'll find a way, right? Then a night out with friends turns into a night in with the walking-talking bad boy cliché of a bartender. It's just one night. No harm, no foul, right? Except when the hot bartender turns out to be my boss's trouble-making brother, who wants more than just one night with me. The more I resist the spark between us, the more I find myself wanting him too. Which

puts me in the middle of what could be the biggest sibling rivalry of the century. Life is messy. And love? Well, love is even messier.
