Second World War.
From the

Midnight. Lily
Litvyak is no one's
idea of a fighter
pilot: a tiny,
dimpled teenager
with golden curls
who lied about her
age in order to

fly. But in the
crucible of the air
war against the
German invaders,
she becomes that
rare thing—a flying
ace, glorified at
home and around the
world as the White
Lily of Stalingrad.
The real Lily
disappeared in

1943, and the facts

question: what if Lily survived that last crash and became a prisoner of the Germans? Lily lives in a world of horrifying risk, where the life and death stakes are high in the air, but also on the ground. In the Soviet system, everyone is an informer, even your best friend. Lily lives in constant fear that she will be found out, arrested and executed as the daughter of an "enemy of the people." When she ends up a German prisoner, as a Soviet officer and a Jew, the need for

deception becomes even more desperate. *Girl at the Edge of Sky* is a masterwork of the imagination, subtle and bold all at once, bringing us deep into the precarious life of a remarkable woman who lies to fight for the country that would disown her, and then lies to survive the enemy that would annihilate her.

The Call Anchor

Not too far from now, in a world very like our own, the oppressors have changed places with the oppressed. After their defeat in the Yellow War, the white people of America are thrust into a brutally altered reality. They are hunted like wild beasts and drive like cattle, transported in reeking ships and sold to their conquerors as field hands and house slaves. Robbed of their old names and their old language, treated with a mixture of cruelty and condescension by their

Chinese masters, whites take on new identities and new strategies of survival. Some, like *Nose*, plunge into dissipation. Others, like *Top Man*, become imitation Yellows. And some, like *White Lotus*, rebel. In this mesmerizing book John Hersey creates an alternate history that casts a harsh radiance on our own. It has some of the stateliness of *Exodus*, along with the power of oral narratives of slavery. It has heroes and victims—and villains who turn out to be victims of another color. At once a masterpiece of storytelling and a complex novel of ideas, *White Lotus* compels us to reexamine our notions of race and racism, freedom and oppression. Public Integrity Other Press,

Writing in a new and different mode, John Hersey, who has enriched us with such memorable novels as *A Bell for Adano* and *The Wall*, now gives us his first collection of short stories. A superb and witty storyteller, he invents a variety of voices... A boy remembers his childhood summer on the North China sea and the typhoon that punished the fire-and-brimstone preacher for the sin of pride. A scullery maid tells of the time she took her master's prize catch with her on a blind date. An apprentice on a lobster trawler is an uncomfortable witness to the humiliation of his captain—known to be the best lobstering skipper out of either Menemsha or New Bedford... In the title story, Venus, an insouciant

septuagenarian, recaptures in a dazzling tone-perfect recitation the world of the rich and spoiled Lost Generation as she and her “Michelangelic” husband are adventuring in Willa Cather land and indulge in what turns out to be their last fling... In these beautifully crafted stories Hersey proves himself to be a master of the form, and his eleven tales will delight all who love a good short story. *The Man Who Had Everything* Permanent Press (NY)

In 1942, a dashing young man who liked nothing so much as a heated game of poker, a good bottle of scotch, and the company of a pretty girl hopped a merchant ship to England. He was Robert Capa, the brilliant and daring photojournalist, and *Collier's* magazine had put him on assignment to photograph the war raging in Europe. In these pages, Capa recounts his terrifying journey through the darkest battles of World War II and shares his memories of the men and women of the Allied forces who befriended, amused, and captivated him along the way. His photographs are masterpieces — John G. Morris, *Magnum Photos'* first executive editor, called Capa “the century's greatest battlefield photographer” — and his writing is by turns riotously funny and deeply moving. From Sicily to London, Normandy to Algiers, Capa experienced some of the most trying conditions imaginable, yet his compassion and wit shine on every page of this book.

This collection—harvest of a lifetime of brilliant reportage and reflection—brings together the most memorable biographical pieces John Hersey has written over the past fifty years. His subjects range from Sinclair Lewis, for whom the twenty-three-year-old Hersey was secretary, and the young John F. Kennedy as he related to Hersey the dramatic story of PT 109, to Private John Daniel Ramey and his efforts to overcome illiteracy with the help of the U.S. Army, and Jessica Kelley, an elderly widow trapped in a buckling tenement as the 1955 Connecticut floods raged outside. Whether describing a brisk morning stroll with President Truman or hours spent fishing for blues

with Lillian Hellman, recounting Benjamin Weintraub's harrowing escape from a Nazi death camp or Varsell Pleas's dangerous struggle for voting rights in the Mississippi of 1964, Hersey brings us face to face with some of the extraordinary events and people of the past half century. And it is with his profoundly curious and sympathetic mind and unsurpassed journalistic eloquence that he brings each startlingly to life. "The skill that won Hersey a Pulitzer Prize in 1945 is more than evident . . . an important collection of lives and their lessons." —The New York Times Book Review

—GQ Magazine “ Nothing can be said about this book that can equal what the book has to say. It speaks for itself, and in an unforgettable way, for humanity. ” —The New York Times Hiroshima is the story of six human beings who lived through the greatest single manmade disaster in history. John Hersey tells what these six -- a clerk, a widowed seamstress, a physician, a Methodist minister, a young surgeon, and a German Catholic priest -- were doing at 8:15 a.m. on August 6, 1945, when Hiroshima was destroyed by the first atomic bomb ever dropped on a city. Almost four decades after the original publication of this celebrated book John Hersey went back to Hiroshima in search of the people whose stories he had told. The wish amongst political and military leaders

during the 1990s to hold on to the classical identity of the armed forces as an instrument of force made them pursue a strict separation between military operations and the civilian aspects of peacekeeping, such as policing, administrative functions, and political and societal reconstruction. In his book *Soldiers and Civil Power*, Thijs Brocades Zaalberg argues that this policy failed to match up to reality. Supporting civil authorities, and at times even substituting them (de facto military governance), became the key to reaching any level of success in Cambodia, Somalia, Bosnia and Kosovo. As a result of the false segregation between the civilian and the military domain, this was accomplished mostly by improvisation and creativity of commanders who probed for the limiting boundaries of their original mandate by reaching ever further into the civil

Designed for the tourist seeking a fresh, authentic, Roman experience, this intimate, stimulating guide explores Rome's splendid modern architecture, its bustling close-in neighborhoods, and its rivers, magnificent fountains, and aqueducts.

Itineraries take the reader to Fascist and occupied Rome of World War II, the nearby Alban Hills, and the Eternal City's lesser-known green spaces. Innovative chapters feature cultural and artistic Rome, including art galleries, jazz clubs, film locations, and rooftop bars--even places that offer a sumptuous (and free) "vernissage" of wine and hors d'oeuvres. With Bill and Dianne as guides--their voices part of the experience--the curious traveler will discover a housing project built under Mussolini; ascend a little-known holy Roman road on the city's outskirts; spend an evening in the out-of-the-way, artsy neighborhood of Pigneto;

enjoy a trattoria where only Italians eat; and, among the book's many informative, creative "sidebars," find in one the troubling story of Rome's Jewish community, and in another locate sites in "Angels & Demons." 16 maps, 70 photos, an index, and detailed directions and instructions (including websites) make this "new" Rome easily accessible. For the frugally-minded, at times adventurous (at times armchair) traveler. Foreword by Rome Mayor Walter Veltroni. Mr. Straight Arrow Johns Hopkins University Press

A unique love story, a tale of loss, a parable of Europe, this haunting novel is an examination of intimacy and betrayal in a community rarely captured so vibrantly in contemporary literature. Zoli Novotna, a young woman raised in the traveling Gypsy tradition, is a poet by accident as much as desire. As 1930s fascism spreads over Czechoslovakia, Zoli and her grandfather flee to join a clan of fellow Romani harpists. Sharpened by the world of books, which is often frowned upon in the Romani tradition, Zoli becomes

the poster girl for a brave new world. As she shapes the ancient songs to her times, she finds her gift embraced by the Gypsy people and savored by a young English expatriate, Stephen Swann. But Zoli soon finds that when she falls she cannot fall halfway – neither in love nor in politics. While Zoli's fame and poetic skills deepen, the ruling Communists begin to use her for their own favor. Cast out from her family, Zoli abandons her past to journey to the West, in a novel that spans the 20th century and travels the breadth of Europe. Colum McCann, acclaimed author of *Dancer* and *This Side of Brightness*, has created a sensuous novel about exile, belonging and survival, based loosely on the true story of the Romani poet Papsuza. It spans the twentieth century and travels the breadth of Europe. In the tradition of Steinbeck, Coetzee, and Ondaatje, McCann finds the art inherent in social and political history, while vividly depicting how far one gifted woman must journey to find where she belongs. Praise for Zoli “ Soaring and stumbling over decades of midcentury Eastern Europe, Zoli is

a riveting novel. ” —Gail Caldwell, Boston Sunday Globe

“ Beautifully written . . .

Beautifully conceived, wonderfully told, the story is proof of an indomitable spirit. The elusive character of Zoli, the brilliant artist, is unforgettable. ” —The Washington Post Book World

In this charming, deeply atmospheric novel set against the Amalfi Coast of the 1950s, two women form an intense and lasting friendship that embodies the paradoxes of Italian society. Inspired by her own adventurous, unconventional life, actress and writer Goliarda Sapienza ’ s recently rediscovered novel takes the reader to the sun-drenched town of Positano in southern Italy. There, while working on a film, Goliarda encounters the captivating Erica, a

beautiful widow called

“ Princess ” by the locals, who has been the object of much speculation. As the two women grow closer in spite of their different personalities, they gradually reveal more about their thoughts, feelings, and experiences, and the ghosts from their pasts that continue to hang over them.

Writing the story of their transformative friendship thirty years later, Goliarda offers a profound reflection on love in its many forms, and opens a window onto an enchanting time and place that lingers in the mind. And this unlikely bond, forged between a leftist idealist and a traditional aristocrat, acts as a microcosm of Italy, illuminating its complex, competing impulses.
