Taylor G. Petrey's trenchant history takes a landmark step forward in documenting and theorizing about Latter-day Saints (LDS) teachings on gender, sexual difference, and marriage. Drawing on deep archival research, Petrey situates LDS doctrines in gender theory and American religious history since World War II. His challenging conclusion is that Mormonism is conflicted between ontologies of gender essentialism and gender fluidity, illustrating a broader tension in the history of sexuality in modernity itself. As Petrey details, LDS leaders have embraced the idea of fixed identities representing a natural and divine order, but their teachings also acknowledge that sexual difference is persistently contingent and unstable. While queer theorists have built an ethics and politics based on celebrating such sexual fluidity, LDS leaders view it as a source of anxiety and a tool for the shaping of a heterosexual social

order. Through public preaching and teaching, the deployment of psychological approaches to "cure" homosexuality, and political activism against equal rights for women and same-sex marriage, Mormon leaders hoped to manage sexuality and faith for those who have strayed from heteronormativity.

Praying the Prayers of Paul Moody Publishers

Marriage requires not just love, but sacrificial love, says Bryan Chapell. In his newly revised and updated book, *Each for the Other*, he shows married couples how to emulate the unselfish, sacrificial love of Christ. While imparting invaluable instruction grounded in Scripture, Chapell not only helps husbands and wives understand the nature of God's care but also affirms the importance of building a spiritual foundation that binds them together as one. By presenting a biblical model of marriage, Chapell encourages couples to dive into the deeper dimensions of their relationship. The result, he says, is a Christ-centered marriage and a grace-filled family. Refreshing and honest, *Each for the Other* is a perfect guide to show spouses, engaged couples, and marriage counselors what marriage is meant to be.

With his trademark insights and energy, Keller offers biblical guidance as well as specific prayers for certain situations, such as

Why study and pray the prayers of the Apostle Paul? One word: transformation. Of the many benefits we have in learning from Paul, a few stand out:1. We see how the Holy Spirit wants us to pray. Scripture provides a wealth of prayers inspired by the Holy Spirit, each of them giving a glimpse into the unsearchable wisdom of Almighty God. These prayers should shape our priorities and our entire outlook on life. So often, we pray such small, self-centered prayers instead of asking how God would have us pray. As we read and pray Paul's prayers, God will work His purposes in us as we contemplate what Paul prayed for and why. Paul prayed for the eyes of Ephesian hearts enlightened (Ephesians 1:18) and rejoiced in the rich fellowship he had with the Thessalonian church

(1 Thessalonians 3:9-13). When your soul was the last time you prayed for either of those things? Spurgeon illustrates why we want to pray according to God's priorities: "A man might try to fill us and fail, but God, who made us, knows every corner and cranny of our nature, and can pour in joy and peace till every portion of our being is flooded, saturated, and overflowed with delight." 2. We can pray along with Paul confident of God's answers. Praying God's prayers according to God's priorities means we can be sure of God's answers. This doesn't mean He will answer as we expect, but it does mean God will answer prayers according to His will as He promises (1 John 5:14). Since Scripture is His revealed will, praying Paul's prayers guarantee God's answers. Let this sink into

your soul. As you earnestly pray for God to strengthen your faith to grasp the depths and riches of Christ's love (Ephesians 3:14-19), God will answer you--He wants you to experience the profundity of Christ's love. "Expect great things, expect things beyond all expectation," Spurgeon writes. "Your largest hopes shall all be exceeded. Hope, and hope, and yet hope again, and each time hope more and more, but the Lord will give you more than you have hoped for." 3. Our minds will be enlightened and affections stirred. As we contemplate the prayers and petitions of the great apostle, God's Spirit will illuminate the prayers and shape the desires of our heart. Instead of merely praying for circumstances and our to-dos, our hearts will pray for things like the

filling of our minds with "the knowledge of His will in all spiritual wisdom and understanding, so as to walk in a manner worthy of the Lord, fully pleasing to him: bearing fruit in every good work and increasing in the knowledge of God..." (Colossians 1:9-10). As we pray prayers like this and see God answer us, our hearts will be drawn into deeper delight and communion with our Father. As you pick up Lessons from the Prayers of the Apostle Paul, let the Holy Spirit mentor you in prayer as you enter into Paul's prayer closet. This isn't a comprehensive study on Paul's prayers, but rather eight sermons working through rich nuggets from Paul's prayers. Don't read this book to finish; read to change. Note helpful verses and quotes and incorporate them

into your daily prayer routine. Put down the book and get on your knees. Cry out to God in worship, dependence, and intercession. He will hear you and He will answer. The prayer of Paul in Philippians 1:9-11 is our prayer for this volume: "And it is my prayer that your love may abound more and more, with knowledge and all discernment, so that you may approve what is excellent, and so be pure and blameless for the day of Christ, filled with the fruit of righteousness that comes through Jesus Christ, to the glory and praise of God." In almost 500 years of evangelical praying, there has never been a book like this. "Teach Us to Pray" is in effect four books in one. It begins with a detailed analysis of the biblical theology of prayer, surveying each part of the Scriptures in turn. Next comes an investigation of prayer and spirituality within Hinduism, Buddhism, Islam, historic Christianity (Puritanism) and a different Christian contemporary tradition (Roman Catholicism). In addition, expert commentators offer "Lessons in Prayer from the Worldwide Church," featuring

Korea, China, Latin America and Africa. Finally a group of Christian leaders write about prayer in their individual experience, adding a personal dimension to this comprehensive book. This is a full library on the subject of prayer, conserving the best insights of the past and breaking new ground with penetrating original thinking. *Christ's Call to Reform the Church* Review and Herald Pub Assoc

Defining prayer simply as "calling on the name of the Lord," Millar follows the contours of the Bible's teaching on prayer. In this *New Studies in Biblical*

Theology volume, he shows how prayer is intimately linked with the gospel and how it is primarily to be understood as asking God to deliver on his promises.

"This book will be like having the breath of God at your back. Let it lift you to new hope." —Dan B.

Allender, PhD, author of Bold Love

This new edition includes an expanded chapter on using the

practical "prayer cards"—a hallmark of the teaching found in

A Praying Life—and a chapter on the need and use of prayers of

lament. Prayer is so hard that unless circumstances demand it—an

illness, or saying grace at a meal—most of us simply do not

pray. We prize accomplishments and productivity over time in prayer.

Even Christians experience this prayerlessness—a kind of practical

unbelief that leaves us marked by fear, anxiety, joylessness, and

spiritual lethargy. Prayer is all about relationship. Based on the

popular seminar by the same name, A Praying Life has disciplined

thousands of Christians to a

vibrant prayer life full of joy and power. When Jesus describes the intimacy He seeks with us, He talks about joining us for dinner (Revelation 3:20). A Praying Life feels like having dinner with good friends. It is the way we experience and connect to God. In A Praying Life, author Paul Miller lays out a pattern for living in relationship with God and includes helpful habits and approaches to prayer that enable us to return to a childlike faith.

As a woman in the church, it's difficult to know what it means to say "I'm called to

ministry." Whether you have been wrestling with that

Holy Spirit leading you toward vocational ministry but are

unsure of what that means or if you are hearing the voice of

the Lord correctly. This book

will help you answer these questions and serve as a guide as you walk down this new and unfamiliar path. Author Kristen Padilla answers questions like: What does the Bible say about ministerial calling? Can I, as a woman, be called to gospel ministry? What is the difference between spiritual gifts and ministerial roles within the church? Is there value in obtaining a theological education? Should I go to a Bible college, seminary, or divinity school, and what is the difference between these three? What is the value in having a ministerial mentor and doing internships? What if I feel called to ministry but do not know what type of ministry? Each chapter ends with further questions, exercises, assignments, and stories of real women doing vocational ministry. This is a book that will prepare you for a lifetime of vocational service to God.

You will walk away with a biblical understanding of ministerial calling and a robust view of women in gospel ministry, as well as practical tools to help you pursue God's call for your life. X

Many Christian women are floundering—they are confused about what it means to be a Christian woman. Churches aren't sounding a clear call to biblical womanhood, much less teaching what it is. On top of that, precious few resources exist to help disciple women in the biblical image of womanhood. In this book Susan Hunt and Barbara Thompson call women to pass on a legacy of

biblical womanhood to the next generation. Part One gives a defense of biblical womanhood, urging women to follow God's design. Part Two applies the principles of biblical womanhood to the stages of a woman's life. This includes a chapter about what it means to have a pilgrim's perspective through the final season of life on earth. Part Three appeals to churches to equip women to live out and to leave the legacy of biblical womanhood and includes practical guidance for ministering to women. When combined with Crossway's *Spiritual Mothering, By Design*, and *The True Woman*, this book will breathe new life into women's ministries in the church.

What does the church need to hear today? As many have said, the church must always be reforming. It must continually move closer to a truer, more faithful expression

of the gospel. The risen Christ's powerful letters to the seven churches in Revelation are a guide to just that. Based on John MacArthur's exposition of these letters, *Christ's Call to Reform the Church* is a plea to the modern church to heed these divine warnings, to reform before it succumbs to the kinds of compromise and error that invite God's judgment. *Christ's Call to Reform the Church* admonishes the church today to learn from the mistakes God's people have made in the past, rather than commit them again. The Word of God has many benefits, one of which is that it reveals our blind spots. That's what this book does—it shines a light on problems we didn't know we had. May it be embraced by Christians everywhere, spurring them toward the God-honoring, grace-driven work of continued reformation.

It's tempting to believe that the Christian faith is alive and well in our country today. Our politicians talk about God. Our mega-churches are filled.

Christian schools dot our landscape. Brace yourself. It's an illusion. Believe it or not, only 8 percent of Americans profess and practice true evangelical Christian faith. There are more left-handed people than evangelical Christians in America. In this book, Mark Driscoll delivers a wake-up call for every believer: We are living in a post-Christian culture—a culture fundamentally at odds with faith in Jesus. This is good and bad news. The good news is that God is still working, redeeming people from this spiritual wasteland and inspiring a resurgence of faithful believers. The bad news is that many believers just don't get it. They continue to gather exclusively into insular tribes, lobbing e-bombs at each other in cyberspace. Mark's book is a clarion call for Christians. It's time to get to work. We can only do this if we unite around Jesus and the essentials found in his Word, while at the same time, appreciating the distinctives within each Christian tribe. Mark shows us how to do just that. This isn't the time to wait or debate.

Join the resurgence.

The Seventh-day Adventist Hymnal. Zondervan

God's Word has always had enemies, but in recent years the inspiration and authority of Scripture have been attacked with renewed vigor. Respected scholar D. A. Carson has written widely on the nature of Scripture over the past thirty years, and here presents a timely collection of his work in two parts. In part 1, Carson selects essays written on such themes as how to interpret the Bible, recent developments in the doctrine of Scripture, unity and diversity in the New Testament, and redaction criticism. Presenting a theologically balanced and confessional perspective, Carson defines the terms of a number of debates, critiques interpretive methods and

theories, and suggests positive guidelines for future action. Part 2 presents critical reviews of nine books dealing with the inspiration and authority of Scripture. Though substantial in content, Carson's detailed reviews will foster careful thought and perspective in those who are relatively new to the debates surrounding biblical inspiration and authority. This volume is a diverse collection that will prove to be a helpful resource to both seasoned pastors and scholars and those who are just starting serious study of the Bible.
