How do we
express the
good that God
wants for those

we love? How do
we experience
blessing through
pain and
suffering? Why
would we bless
even enemies?

How do we keep spoken blessings in sync with God's will? And how do we integrate blessing, a concept woven throughout the entire Bible, into the fabric of our everyday lives? In *Given*, you will journey outside of your comfort zone, into a world of blessing as a relational calling—as a way God relates to you and a way you're called to relate to others. You will travel across countries, cultures, and centuries of church history to

expand your paradigm of a word ripe with significance. Along the way, you'll be inspired to begin the essential Christian practice of being given by God as a blessing. Journey with author Tina Boesch to discover your calling to a meaningful way of living and relating to God and others, inspired by Christ, who gave himself on the cross so that we could fully experience God's blessing.

Tabernacles of Clay WaterBrook
It's tempting to believe that the Christian faith is alive and well in our country today. Our politicians talk about God. Our mega-churches are filled. Christian schools dot our landscape. Brace yourself. It's an illusion. Believe it or not, only 8 percent of Americans profess and practice true evangelical Christian faith. There are more left-handed people than

evangelical Christians in America. In this book, Mark Driscoll delivers a wake-up call for every believer: We are living in a post-Christian culture—a culture fundamentally at odds with faith in Jesus. This is good and bad news. The good news is that God is still working, redeeming people from this spiritual wasteland and inspiring a resurgence of faithful believers. The bad news is that many believers just don't get it.

They continue to gather exclusively into insular tribes, lobbing e-bombs at each other in cyberspace. Mark's book is a clarion call for Christians. It's time to get to work. We can only do this if we unite around Jesus and the essentials found in his Word, while at the same time, appreciating the distinctives within each Christian tribe. Mark shows us how to do just that. This isn't the time to wait or debate. Join the resurgence.

In Exodus 34
 Moses asks to see God 's glory, and God reveals himself as a God who is merciful and just. James Hamilton Jr. contends that from this passage comes a biblical theology that unites the meta-narrative of Scripture under one central theme: God 's glory in

salvation through judgment. Hamilton begins in the Old Testament by showing that Israel was saved through God's judgment on the Egyptians and the Caananites. God was glorified through both his judgment and mercy, accorded in salvation to Israel. The New Testament unfolds the ultimate display of God's glory in justice and mercy, as it was God's righteous judgment shown on the cross that brought us salvation. God's glory in salvation through judgment

will be shown at the end of time, when Christ returns to judge his enemies and save all who have called on his name. Hamilton moves through the Bible book by book, showing that there is one theological center to the whole Bible. The volume's systematic method and scope make it a unique resource for pastors, professors, and students. Given Zondervan At the start of the gay rights movement in 1969, evangelicalism's leading voices cast a vision for gay people who

turn to Jesus. It was C.S. Lewis, Billy Graham, Francis Schaeffer and John Stott who were among the most respected leaders within theologically orthodox Protestantism. We see with them a positive pastoral approach toward gay people, an approach that viewed homosexuality as a fallen condition experienced by some Christians who needed care more than cure. With the birth and rise of the ex-gay movement, the focus shifted from care to cure. As a result, there are an estimated 700,000 people alive today who

underwent conversion therapy in the United States alone. Many of these patients were treated by faith-based, testimony-driven parachurch ministries centered on the ex-gay script. Despite the best of intentions, the movement ended with very troubling results. Yet the ex-gay movement died not because it had the wrong sex ethic. It died because it was founded on a practice that diminished the beauty of the gospel. Yet even after the closure of the ex-gay umbrella organization

Exodus International in 2013, the ex-gay script continues to walk about as the undead among us, pressuring people like me to say, "I used to be gay, but I'm not gay anymore. Now I'm just same-sex attracted." For orthodox Christians, the way forward is a path back to where we were forty years ago. It is time again to focus with our Neo-Evangelical fathers on care--not cure--for our non-straight sisters and brothers who are living lives of costly obedience to Jesus. With warmth and humor as well as

original research, *Still Time to Care* will chart the path forward for our churches and ministries in providing care. It will provide guidance for the gay person who hears the gospel and finds themselves smitten by the life-giving call of Jesus. Woven throughout the book will be Richard Lovelace's 1978 call for a "double repentance" in which gay Christians repent of their homosexual sins and the church repents of its homophobia--putting on display for all the power of the gospel.

Prayer
Christian Focus
We shall do
well to watch
our habits of
prayer with a
holy
watchfulness.
Here is the
pulse of our
Christianity.
Here is the
true test of our
state before
God. These

of prayers of lament. Prayer is so hard that unless circumstances demand it—an illness, or saying grace at a meal—most of us simply do not pray. We prize accomplishments and productivity over time in prayer. Even Christians experience this prayerlessness—a kind of practical unbelief that leaves us marked by fear, anxiety, joylessness, and spiritual lethargy.

Prayer is all about relationship. Based on the popular seminar by the same name, *A Praying Life* has discipled thousands of Christians to a vibrant prayer life full of joy and power. When Jesus describes the intimacy He seeks with us, He talks about joining us for dinner (Revelation 3:20). *A Praying Life* feels like having dinner with good friends. It is

the way we experience and connect to God. In *A Praying Life*, author Paul Miller lays out a pattern for living in relationship with God and includes helpful habits and approaches to prayer that enable us to return to a childlike faith. *The Hidden Life of Prayer* Baker Books Many Christian women are floundering—they are confused about what it means to be a Christian woman.

Churches aren't sounding a clear call to biblical womanhood, much less teaching what it is. On top of that, precious few resources exist to help disciple women in the biblical image of womanhood. In this book Susan Hunt and Barbara Thompson call women to pass on a legacy of biblical womanhood to the next generation. Part One gives a defense of biblical

womanhood, urging women to follow God's design. Part Two applies the principles of biblical womanhood to the stages of a woman's life. This includes a chapter about what it means to have a pilgrim's perspective through the final season of life on earth. Part Three appeals to churches to equip women to live out and to leave the legacy of biblical womanhood

and includes practical guidance for ministering to women. When combined with Crossway's *Spiritual Mothering, By Design*, and *The True Woman*, this book will breathe new life into women's ministries in the church. *How Long, O Lord?* Tyndale House Publishers, Inc. In this exposition of 1 Corinthians, D. A. Carson presents a comprehensive view of what the

death of Christ means in preaching and ministering to God's people. He explains the key biblical principles for dynamic, cross-centered ministry and how to put the cross at the center of Christian life. Teach Us to Pray Baker Academic This clear and accessible treatment of key biblical themes related to human suffering and evil is written by one of the most respected evangelical biblical scholars

alive today. Carson brings together a close, careful exposition of key biblical passages with helpful pastoral applications. The second edition has been updated throughout. The Jesus Crisis Zondervan Pastor and civil war chaplain E. M. Bounds penned his slim classic on prayer for the simple reason that Christians don't pray enough. "The little estimate we put on prayer is evident from the

little time we give to it," he wrote. "Talking to men for God is a great thing, but talking to God for men is greater still." Bounds' simple, concise volume can help all Christians rediscover the source of spiritual power in their life. Spirituality Old & New Crossway Carson calls believers to revolt against superficiality and find again the deeper knowledge of God at Paul's school of prayer. Strong expositional study. When Faith Catches Fire

Wipf and Stock Publishers
Why study and pray the prayers of the Apostle Paul? One word: transformation. Of the many benefits we have in learning from Paul, a few stand out:1. We see how the Holy Spirit wants us to pray. Scripture provides a wealth of prayers inspired by the Holy Spirit, each of them giving a glimpse into the unsearchable wisdom of Almighty God. These prayers should shape our priorities

and our entire outlook on life. So often, we pray such small, self-centered prayers instead of asking how God would have us pray. As we read and pray Paul's prayers, God will work His purposes in us as we contemplate what Paul prayed for and why. Paul prayed for the eyes of Ephesian hearts enlightened (Ephesians 1:18) and rejoiced in the rich fellowship he had with the Thessalonian church (1 Thessalonians

3:9-13). When was the last time you prayed for either of those things? Spurgeon illustrates why we want to pray according to God's priorities: "A man might try to fill us and fail, but God, who made us, knows every corner and cranny of our nature, and can pour in joy and peace till every portion of our being is flooded, saturated, and overflowed with delight."2. We can pray along with Paul confident of God's answers. Praying God's

prayers according to God's priorities means we can be sure of God's answers. This doesn't mean He will answer as we expect, but it does mean God will answer prayers according to His will as He promises (1 John 5:14). Since Scripture is His revealed will, praying Paul's prayers guarantee God's answers. Let this sink into your soul. As you earnestly pray for God to strengthen your faith to grasp the depths and riches of

Christ's love (Ephesians 3:14-19), God will answer you--He wants you to experience the profundity of Christ's love. "Expect great things, expect things beyond all expectation," Spurgeon writes. "Your largest hopes shall all be exceeded. Hope, and hope, and yet hope again, and each time hope more and more, but the Lord will give you more than you have hoped for."3. Our minds will be enlightened and affections stirred. As we

contemplate the prayers and petitions of the great apostle, God's Spirit will illuminate the prayers and shape the desires of our heart. Instead of merely praying for circumstances and our to-dos, our hearts will pray for things like the filling of our minds with "the knowledge of His will in all spiritual wisdom and understanding, so as to walk in a manner worthy of the Lord, fully pleasing to him: bearing fruit in every good work and increasing in

the knowledge of from Paul's God..." (Colossians 1:9-10). As we pray prayers like this and see God answer us, our hearts will be drawn into deeper delight and communion with our Father. As you pick up Lessons from the Prayers of the Apostle Paul, let the Holy Spirit mentor you in prayer as you enter into Paul's prayer closet. This isn't a comprehensive study on Paul's prayers, but rather eight sermons working through rich nuggets

and all discernment, so that you may approve what is excellent, and so be pure and blameless for the day of Christ, filled with the fruit of righteousness that comes through Jesus Christ, to the glory and praise of God." The Editors at Cross-Points Books Schauburg, IL January 2018

How does the Spirit relate to the Bible? This book is for those who are 'thirsty for a deeper experience of

prayers. Don't read this book to finish; read to change. Note helpful verses and quotes and incorporate them into your daily prayer routine. Put down the book and get on your knees. Cry out to God in worship, dependence, and intercession. He will hear you and He will answer. The prayer of Paul in Philippians 1:9-11 is our prayer for this volume." And it is my prayer that your love may abound more and more, with knowledge

the Spirit of God'. There is much confusion about how Jesus relates to the Holy Spirit, how Jesus the Eternal Word relates to the Bible. Whatever our background, we tend to fall back on untested prejudices or worry about unexamined doubts. Praying the Prayers of Paul Praying with Paul Marriage requires not just love, but sacrificial love, says Bryan Chapell. In his

newly revised and updated book, *Each for the Other*, he shows married couples how to emulate the unselfish, sacrificial love of Christ. While imparting invaluable instruction grounded in Scripture, Chapell not only helps husbands and wives understand the nature of God's care but also affirms the importance of building a spiritual foundation that binds them together as one. By presenting a biblical model of

marriage, Chapell encourages couples to dive into the deeper dimensions of their relationship. The result, he says, is a Christ-centered marriage and a grace-filled family. Refreshing and honest, *Each for the Other* is a perfect guide to show spouses, engaged couples, and marriage counselors what marriage is meant to be. *A Praying Life Crossway A Call to Prayer* is one manual on prayer, its

importance and necessity in the Christian life. A book that will bring growth and knowledge about prayer and invite him to live with greater intimacy with God. Written by J.C. Ryle, important preacher Christian. The Prayers of St. Paul Baker Academic Praying with Paul Baker Academic Prayer Banner of Truth Readers of the New Testament often encounter quotes or allusions to Old

Testament stories and prophecies that are unfamiliar or obscure. In order to fully understand the teachings of Jesus and his followers, it is important to understand the large body of Scripture that preceded and informed their thinking. Leading evangelical scholars G. K. Beale and D. A. Carson have brought together a distinguished team to provide readers with a comprehensive commentary on Old Testament quotations, allusions, and

echoes that appear from Matthew through Revelation. College and seminary students, pastors, scholars, and interested lay readers will want to add this unique commentary to their reference libraries. pastor and New York Times bestselling author of *The Prodigal Prophet* Timothy Keller explores the power of prayer. Christians are taught in their churches and schools that prayer is the most powerful way to experience God. But few receive instruction or guidance in how to make prayer genuinely meaningful. In *Prayer*, renowned pastor Timothy Keller delves into the many facets of this everyday act. With his trademark

insights and energy, Keller offers biblical guidance as well as specific prayers for certain situations, such as dealing with grief, loss, love, and forgiveness. He discusses ways to make prayers more personal and powerful, and how to establish a practice of prayer that works for each reader. Dr. Keller's previous books have sold more than one million copies. His Redeemer Presbyterian Church is not only a major

presence in his home base of New York, it has also helped to launch more than two hundred fifty other churches in forty-eight cities around the world. His teachings have already helped millions, the majority of whom pray regularly. And with *Prayer*, he'll show them how to find a deeper connection with God. *God's Glory in Salvation through Judgment* Wm. B. Eerdmans Publishing
