CompTIA A+ Certification All-in-One Exam Guide, Premium Eighth Edition (Exams 220-801 & 220-802)
McGraw-Hill Education
Test your knowledge and know what to expect on A+ exam day CompTIA A+ Complete Practice Tests, Second Edition enables you to hone your test-taking skills, focus on challenging areas, and be thoroughly prepared to ace the exam and earn your A+ certification. This essential component of your overall study plan presents nine unique practice tests—and two 90-question bonus tests—covering 100% of the objective domains for both the 220-1001 and 220-1002 exams. Comprehensive coverage of every essential exam topic ensures that you will know what to expect on exam day and maximize your chances for success. Over 1200 practice questions on topics including hardware, networking, mobile devices, operating systems and procedures, troubleshooting, and more, lets you assess your performance and gain the confidence you need to pass the exam with flying colors. This second edition has been fully updated to reflect the latest best practices and updated exam objectives you will see on the big day. A+ certification is a crucial step in your IT career. Many businesses require this accreditation when hiring computer technicians or validating the skills of current employees. This collection of practice tests allows you to: Access the test bank in the Sybex interactive learning environment Understand the subject matter through clear and accurate answers and explanations of exam objectives Evaluate your exam knowledge and concentrate on problem areas Integrate practice tests with other Sybex review and study guides, including the CompTIA A+ Complete Study Guide and the CompTIA A+ Complete Deluxe Study Guide Practice tests are an effective way to increase comprehension, strengthen retention, and measure overall knowledge. The CompTIA A+ Complete Practice Tests, Second Edition is an indispensable part of any study plan for A+ certification.

CompTIA A+ Certification All-In-One For Dummies McGraw Hill Professional
The premium edition of Mike Meyers' #1 bestselling CompTIA A+ exam guide includes one year of access* to 250+ lab simulations, 60+ episodes of video training, and much more! An innovative, media-rich study system from CompTIA certification and training expert Mike Meyers, CompTIA A+ Certification All-in-One Exam Guide, Premium Eighth Edition offers complete coverage of CompTIA A+ exams 220-801 and 220-802 and fully prepares you for the new performance-based questions. The Premium Eighth Edition is based on Meyers' proven bestselling book, and provides one year of access to: 60+ episodes of video training featuring Mike Meyers that cover topics relevant to your studies. These engaging and informative episodes are available in full HD resolutions. 250+ CompTIA A+ simulations with performance-based questions that enable you to practice what you've read in the exam guide and watched in the video episodes. There are four components: 1. Show! Operating System and Application Training Demonstrations take you through dozens of how-to lessons on key Windows and application functions. You'll get guided tours of Windows XP and Windows 7, learning configuration skills and essential tools. 2. Click! Interactive Graphical Windows Exercises test your knowledge of how to do things in the graphical Windows interface. You will get many tasks to solve that require you to open various applications and

Windows and configure them. 3. Type! Interactive Command-Line Windows Exercises test your knowledge of the Windows command-line interface (CLI). You'll practice essential commands for moving and copying files, changing file attributes, and more. You'll be tasked to do simple networking troubleshooting with the CLI commands, such as ping and ipconfig. These are similar to the CLI questions you'll see on the A+ exams. 4. Challenge! Interactive Configuration and Identification Exercises mimic many of the performance-based questions you'll get on the A+ exams. They offer a graphical environment for you to answer numerous types of questions. You'll be tested on your knowledge of connectors and component identification among many other topics. Hundreds of electronic practice questions customizable by chapter, by exam domain, or as a complete practice exam. You can easily create custom exams to focus your review and target your studies. CompTIA A+ Certification All-in-One Exam Guide, Fifth Edition, featuring learning objectives at the beginning of each chapter, exam tips, practice questions, and in-depth explanations.
