Chickens in Your Backyard, Newly Revised

and Updated Hachette UK
Whichever comes first for you, the chicken or the egg, this book shows you what to do next. In this hands-on, easy-to-use guidebook, longtime chicken breeder and poultry expert Christine Heinrichs tells you everything you need to

know to raise chickens in your backyard—from laying out the yard and designing a coop to choosing breeds, caring for chicks, eggging, sexing, and butchering. Whether you're interested in rare breeds or the garden variety; whether you want to show your chickens or serve them, this brightly illustrated, clearly written guide will prove an indispensable resource.

The Suburban Chicken

Rodale Books

Every common breed of chicken, organized into one information-packed guide.

Fueled by the local and organic food movements, as well as a sea change in local ordinances, backyard chicken keeping is booming.

Anyone who's decided to join the new wave of chicken keepers knows that the poultry breeds available are dizzying in their variety.

Calm your anxiety with this book--a guide for backyard chicken keepers in search of chickens that best fit their needs. Each breed of chicken listed in the field guide is thoroughly described and is illustrated by color photos. The book tells you all about the bird, detailing each breed's particular usefulness, adaptation to climate, coloration, number of eggs typically laid, foraging ability, temperament, and unique qualities. There are fun facts about varieties of chickens, as well as information about color and comb varieties, rare breeds, classification, and hybrids. A to Z Backyard Chickens for Total Beginners

City Chicks is a remarkable trend-setting book for

poultry lovers and urban agriculturists. It combines hands-on, real-life experience to bring you one of the most complete authoritative books on micro-flock management.

**Backyard Chickens
Beyond the Basics**

Voyageur Press

When you're ready for the next step, *Backyard Chickens Beyond the Basics* shows you the realities of raising productive flocks that are happy and healthy. A must-have for every backyard chicken keeper, *Backyard Chickens Beyond the Basics* goes beyond introductory lessons

and explores the realities of raising a flock for eggs -- and entertainment, of course! From odd eggs and molting, to feeding and preparing for the seasons, this book covers the subjects beginner books don't adequately address and re-examines common knowledge that may not actually hold true. It's a resource to turn to time and again. Author Pam Freeman draws on her years of experience fielding reader questions to identify and clearly explain many common - and some not-so-common - issues in chicken keeping, including: How do you add new chickens to your flock? The Chicken Chick's Guide to Backyard

Chickens Rodale Books
All the basics (and beyond!) for raising happy, healthy chickens. In cities, suburbs, and everywhere in between, a classic American tradition is back in a big way—raising

backyard chickens for eggs, meat, fun, or profit. Chickens in Your Backyard has been the go-to guide for chicken care for more than 40 years. This revised and updated edition combines all the classic techniques with the most up-to-date information—from incubating, raising, housing, and feeding, to treating disease and raising chickens for show. Chickens in Your Backyard provides everything you need to know to turn your backyard into a happy homestead.

Backyard Chickens for Beginners

Independently
Published

When is the right time to shear a sheep? Is there a market for manure? What time of day is

best to collect eggs? What is the correct way to milk a goat? What does a duck eat? Can a cow and a sheep share the same pasture? Which types of rabbits are easiest to raise? The perfect book for anyone who has ever dreamed of having that little place in the country, *Barnyard in Your Backyard* offers tried-and-true, expert advice on raising healthy, happy, productive farm animals: chickens, geese, ducks, rabbits, goats, sheep, and dairy cows. Each chapter focuses on a different animal,

discussing the pros and cons of raising the animal, housing and land requirements, feeding guidelines, health concerns, and a schedule for routine care. Species that are easy to raise, hardy, and companionable are profiled. First-time farmers will discover simple, clear instructions for caring for animals throughout the year, as well as guidelines for processing barnyard products such as milk, wool, and eggs. Combining practical advice from real experts, easy-to-use

checklists and charts, a seasonal care calendar, and detailed black-and-white illustrations, Barnyard in Your Backyard offers a comprehensive review of the ins and outs - the tribulations and triumphs - of living with and caring for a small barnyard.

Kathy Shea Mormino, aka The Chicken Chick, shares her wealth of experience as a chicken keeper in a fun and abundantly illustrated format in The Chicken Chick's Guide to

Backyard Chickens.
**The New Rules of the
Roost** Voyageur Press
(MN)

A small flock of poultry can supply all of the eggs your family needs during the year. And, after your hens have completed their egg-laying days, there will be meat for barbecuing or roasting. Luckily, a small flock takes a relatively small amount of space and is easy to manage. If yours is one of the growing number of families interested in raising chickens for eggs or meat, *The Backyard Chicken Book* contains all the essential information for the hatching, brooding, rearing, and managing family-sized poultry flocks. The first step in deciding

on a family flock is to determine what breed may work best for your needs. For example, you can go with a laying breed such as the White Leghorn that produces top-quality eggs but provides little meat. Or, you could select a dual-purpose Rhode Island Red or New Hampshire that provides fewer eggs but much better meat. In addition to helping you select your type, this handy guide will also tell you what you need to know about: Providing housing for home poultry flocks Rearing the laying flock pullets Managing laying problems Fighting pests and disease Raising other poultry such as ducks, turkeys, geese, bantams, and guinea fowl Enhanced with full-color photos and

dozens of illustrations, The Backyard Chicken Book is the perfect guide for the first-time poultry raiser.

Backyard Chicken JD-Biz Corp Publishing
"The Litts listen daily to concerns and questions posed by customers seeking the best organic methods for keeping backyard chickens safe and healthy. Now they've compiled their proven solutions into this often-entertaining book." -Gail Damerow, author of The Guide to Raising Chickens
New from Robert and Hannah Litt—the authors of the bestselling A

Chicken in Every Yard—comes a hardworking guide to backyard chicken keeping that goes beyond the basics. The New Rules of the Roost addresses the real problems that crop up when keeping chickens long term. The Litts cover a wide range of topics including organic health remedies and disease prevention, pest management, organic nutrition, the best breeds for specific needs, and the simplest options for daily maintenance and feeding. You'll also learn tips and tricks for introducing new

birds into your flock, managing aggressive behavior, caring for mature chickens, and much more.

Free-Range Chicken Gardens Abrams

A revised and updated bestseller Revised in coordination with the American Poultry Association Covers all the essentials of raising and keeping chickens. More than 75 color photographs and illustrations. People across the country are raising chickens, whether for food or companionship. You can, too, with this indispensable guide. Straightforward advice and dozens of clear, detailed illustrations gives any future chicken farmer the tools he needs to get

started, from step-by-step instructions on building the coop to a brief background on chicken biology; from hints on getting high-quality eggs from the hens, to methods for butchering. Full-color photographs of the birds and their landscape round out this comprehensive book. This bestselling book has been completely revised and updated. Jay Rossier was coauthor of A New Lease on Farmland, published by the E. F. Schumacher Society, and wrote occasional book reviews for Northern Woodlands magazine.
