Unusual Chickens for the Exceptional Poultry Farmer Fox Chapel Publishing

"Just A Couple of Chickens" is a genuinely enjoyable read. Laugh out loud funny, informative and utterly timely. It is a poignant and very real story of one family's poultry raising adventure during a five-year crucible of economic and identity crisis that took on national relevance when their contracting business collapsed under the first wave of the economic crash in 2008. Their story hits home with heart-breaking reality. While getting a couple of chickens may have been Andrew's idea, Corinne was the one who took it over the top with thirty fluffy pheasant, five and twenty chickens, over forty Chukar, and fifteen ducklings. There were also twelve smelly quail, nine girl geese, two roosters, and a partridge in a pine tree. They were farming by Internet on a two-acre parcel near Santa Fe, New Mexico, scrabbling through the canyon that separates knowledge and experience when it comes to raising poultry. Corinne created www.TheFeatheredEgg.com a web-based business that arose like a phoenix from the eggs and feathers from the flock. She approaches her role as mother, wife, and businessman with a unique perspective that she captures with droll clarity and good humor. Chicken farming was only the most recent use of her BA in Industrial/Scientific Photography from the Brooks Institute of Photography. This book is yet another, featuring her portraits of the family's feathered friends.

Chickens Independently Published

Got a little space and a hankering for fresh eggs? Robert and Hannah Litt have dispensed advice to hundreds of urban and suburban chicken-keepers from behind their perch at Portland's Urban Farm Store, and now they're ready to help you go local and sustainable with your own backyard birds. In this handy guide to breeds, feed, coops, and care, the Litts take you under their experienced wings and share the secrets to: Picking the breeds that are right for you • Building a sturdy coop in one weekend for \$100 • Raising happy and hearty chicks • Feeding your flock for optimal health and egg nutrition • Preventing and treating common chicken diseases • Planning ahead for

family, neighborhood, and legal considerations • Whipping up tasty egg recipes from flan to frittata With everything that first-timers will need to get started—along with expert tips for more seasoned keepers—this colorful, nuts-and-bolts manual proves that keeping chickens is all it's cracked up to be.

The New Rules of the Roost
Independently Published

This book is about backyard chickens. After several years of enjoying the neighbor chickens, the author and her husband decided to raise some of their own. She describes what they did, how they did it, why they chose to let their chickens be free-range, and how it's working out. Based on several years of observation, she talks about the pecking order dynamics and chicken behaviors towards one another, other animals and people. She also describes the natural progression from her longtime interest in whole foods to raising chickens and vegetables on their one-acre piece of land in College Station, Texas.

A Beginner's Guide to Poultry Farming in Your Backyard - Raising Chickens for Eggs and Food Flatiron Books

Learn How to Raise Chickens in Your Own Backyard! Learn why cool people like Jennifer Aniston, Julia Roberts, and Tom Brady all keep chickens as pets! The Backyard Chicken Handbook is an authoritative guide, from a fourth-generation chicken keeper, bringing simple yet practical knowledge which covers all aspects of raising healthy and happy chickens. This handbook covers: selecting the perfect chicken breed, feeding your hens, healthy egg laying, chicken behavior (including bullying) and how-to treat common chicken health issues. The handbook is suited to both first time keepers and veterans by providing varying degrees of detail to keep both readers engaged. Full color photos and illustrations throughout provide specific examples of chicken anatomy, health and behavior.

Backyard Chickens Beyond the Basics Quarto Publishing Group USA

With more and more city dwellers and suburbanites embracing the notion of getting back to basics and living simpler, more rustic lives, it's no surprise that the popularity of backyard chicken keeping has skyrocketed in recent years. Whether for enjoyment as pets or for the convenience of farm-fresh eggs right outside your door, chicken keeping

can be an easy and fun step on the road to more sustainable, ecologically friendly living. Written by Kristina Mercedes Urquhart, The Suburban Chicken shares the author's knowledge on general chicken husbandry, profiles of 20 suitable breeds for suburban living, how to provide your birds with optimal accommodations, and the healthcare needs of chickens, among other important topics about which prospective chicken owners should be familiar. **INSIDE SUBURBAN CHICKEN:** •The benefits and enjoyment of keeping chickens as pets. •Considerations for would-be chicken keepers, including local ordinances, space requirements, initial and ongoing expenses, and preparing the home and family. •Favorite standard-size, bantam, and egg-laying breeds for metropolitan and family living. •Hatching eggs and raising chicks. •Coop styles and descriptions of all equipment that a budding chicken keeper needs, as well as a chapter dedicated to keeping chickens safe from predators. •Preventive care and optimal diets for healthy, hardy birds.

•Raising chickens for eggs: the science behind egg production, how to properly handle and store fresh eggs, and the differences between store-bought and homegrown eggs, as well as some exciting recipes for your bounty.

Chick Days Balboa Press
Build a better life for your chickens! Join Lisa Steele, chicken keeper extraordinaire and founder of Fresh Eggs Daily, to learn how to build just about everything you might need for your coop, run, or farmhouse kitchen. Whether you're a DIY novice looking for an easy win or a more experienced builder looking for chicken-specific projects, you've come to the right place! The chapters are packed with a

variety of ideas, covering every skill level: The Basics: Lisa will tell you what tools you absolutely need, the ins and outs of pallets, and a few special skills, like how to transfer lettered designs to wood. Quick and Easy Projects: Get started with projects that take minutes or hours, not days! From a decorative cutting board coop sign and paned window coop mirror to more functional projects like a clothespin herb drying rack and dropping board, you're sure to find the right starter project. Handy Projects: Ready to take on a slightly more challenging build? Try the removable coop ladder roost, boot tree stand, feed dolly, chick-sized jungle gym, or chicken-proof herb garden. Pallet Projects: What's better than DIY projects? DIY projects made from free wood! Use pallets in all forms (whole, partial, and boards) for the projects in this chapter. Make a coop tool holder, chick roosting bar, swinging bench, feeding station, coop shutters, compost bin, and so much more. Weekend Projects: More time doesn't necessarily mean frustrating or too difficult. The ambitious, yet easy-to-follow, projects in this chapter include a sliding barn coop door, a-frame integration pen, and a roadside egg stand. No matter what you need for the coop—or what your chickens might want you to build first!—you're sure to have fun as you create a coop and run that's the envy of your neighbor's flock.

City Chicks Storey Publishing
A happy-go-plucky rhyme adventure of chickens frolicking in an urban environment as they run rampant all around town! "Urban backyard chickens go on a madcap tour of the city in this rhyming romp. . . the narrative bounces off the tongue. The marker-bright illustrations are frenetic and filled with humorous details." --Kirkus Reviews "Hysterical rhyming book about chickens escaping from their yard. Funny shenanigans ensue with each towns-person and animal they encounter. This will appeal to

lots of kids around here whose families own chickens!" --Buttonwood Books & Toys, bookseller recommendation "Reading this out loud was so much fun! The rhyming and rhythm added a musical element to reading the book. And within the rhymes there are great vocabulary moments, too! . . . The backmatter of the book gives information about keeping urban chickens and some fun chicken facts. It is a great way to connect the story to science." --Unleashing Readers Chickens on the loose. Chickens on the lam. Zipping from the yard, As quickly as they can. Chickens don't just live on farms--they're in the city too! In the store, on the street, they bring mayhem and excitement to all the surprised people. See where these mischievous chickens go in this brightly illustrated picture book told in verse. Also included at the back are fun facts and tips for the urban chicken farmer.

Once Upon a Flock Running Press Adult

You may not know it, but you are about to discover the secrets of having farm-fresh eggs from your own back yard. Every day! Imagine yourself holding in your hands fresh warm newly laid eggs. Now imagine those eggs being turned into a sunny omelet, a dark rich chocolate cake, or making homemade pasta. You can already taste the difference! Fact. Eggs produced by happy hens taste so much better than store-bought eggs. And you have control over what these hens eat, and so what goes into those eggs. If you prefer to go completely organic then you can. The choice is yours, and this is another area of your life and well-being that you now have complete control over. Who wants to eat a bland store-bought egg laid by a stressed-out chicken? We have enough stress in our hurried lives as it is. Going out, feeding the hens and collecting the eggs can be a

very relaxing activity, helping you unwind from a day's work. And kids just love these activities too! This is also a priceless part of a child's education, and will give them the knowledge and a skill-set so few others have these days. In this book by Jim Kilpatrick, you will discover: The best breeds to keep The best ways to start your flock How to construct the coop What to feed them and how often Tips on health and safety - for you and the hens! Much more In short, everything you need to get going with a fun and rewarding endeavor. So, to taste the difference, scroll up and click the Buy Now button. Buy this book, but most importantly, put into practice what you learn. You'll thank yourself. Bonus Download: Bonus Chicken Coop Plans I've included these 2 simple chicken coop plans for you to get started, these are very easy to make and can be completed in 1 day or at most 1 weekend, my teenage son was able to build these with little supervision from me. But don't be mistaken that because it's easy to make it won't be structural sound or durable; it is strong and will last until you're ready to build bigger ones. The way the design was made, it requires very little maintenance from you. I have no doubt that you'll be able to create one of these plans with ease. The amazing part is, these will cost you under a hundred bucks!

Mr. Watson's Chickens Random House Digital, Inc.

What came first, the chicken or the egg? It is obviously the chicken, right? I mean, where would an egg come from if it were not laid by a chicken? So the chicken had to have come first. Now I hear your anger, there is no need to shout. You are asking me where the chicken came from and I will answer your

question in the very next sentence. The chicken came from an egg. I hear you breathe a sigh of relief as if you have won the argument. I can see the slight smile on your face as you believe yourself to have won the argument but this is not so, for you see, the egg which you are so happy about had to have come from a chicken. So, obviously, the chicken came first. Now that we have established that, we can get on to the content of this book. You are here to learn everything you need to know about raising backyard chickens. The question which will no doubt be on your mind is, why would I want to raise backyard chickens? The answer to this question is, why not? The most obvious benefit of raising chickens in your own backyard is the eggs. Most laying hens will lay an egg every day or two. If you were to have three chickens in your backyard then you could expect to have up to three eggs every day. These humble little eggs will be the best eggs which you have ever tasted. They will be more flavorful than the eggs you would buy in the store and more colorful than the rising sun. If you are raising backyard chickens then there is a good chance that you are composting in your backyard too. If you are not then these little-feathered beasts will take care of your table scraps and turn it into some of the best compost known to man (and woman). The chickens will also take care of the bugs and other small animals which may roam into your yard. When they have processed these scraps or bugs, they will poop all over your lawn (or wherever else you have put them. This compost poop will help your plants and flowers grow like nothing else. We all love the smell of freshly cut grass but the time saved by not

having to mow your lawn will more than make up for that. Let them roam free on your lawn and they will trim it for you. As an added bonus, you do not even need to pay them.

The Beginner's Guide to Raising Chickens Storey Publishing, LLC

City Chicks is a remarkable trend-setting book for poultry lovers and urban agriculturists. It combines hands-on, real-life experience to bring you one of the most complete authoritative books on micro-flock management.

A Chicken in Every Yard Yearling

rewarding business.

The Beginner's Guide to Raising Chickens JD-Biz Corp Publishing Sonya raises her three chickens from the time they are tiny chicks. She feeds them, shelters them and loves them. Everywhere Sonya goes, her chicks are peeping at her heels. Under her care, the chicks grow into hens and even give Sonya a wonderful gift: an egg! One night, Sonya hears noises coming from the chicken coop and discovers that one of her hens has disappeared. Where did the hen go? What happened to her? When Sonya discovers the answers, she learns some important truths about the interconnectedness of nature and the true joys and sorrows of caring for another creature.

Backyard Chickens Independently Published

Fans of Katherine Applegate and Erin Entrada Kelly will love this quirky story of a determined girl, and some extraordinary chickens. Twelve-year-old Sophie Brown feels like a fish out of water when she and her parents move from Los Angeles to the farm they've inherited from a great-uncle. But farm life gets more interesting when a cranky chicken appears and Sophie discovers the hen can move objects with the power of her little chicken brain: jam jars, the latch to her henhouse, the entire henhouse.... And then more of her great-uncle's unusual chickens come home to roost. Determined, resourceful Sophie learns to care for her flock, earning money for chicken feed, collecting eggs. But when a respected local farmer tries to steal them, Sophie must find a way to keep them (and their superpowers) safe. Told in letters to Sophie's abuela, quizzes, a chicken-care correspondence course, to-do lists, and more, *Unusual Chickens* is a quirky, clucky classic in the making. Drinking with Chickens Timber Press

Chickens on the Loose Chronicle Books

Jill Winger, creator of the award-winning blog *The Prairie Homestead*, introduces her debut *The Prairie Homestead Cookbook*, including 100+ delicious, wholesome recipes made with fresh ingredients to bring the flavors and spirit of homestead cooking to any kitchen table. With a foreword by bestselling author Joel Salatin *The Pioneer Woman Cooks* meets 100 Days of Real Food, on the Wyoming prairie. While Jill produces much of her own food on her Wyoming ranch, you don't have to grow all—or even any—of your own food to cook and eat like a homesteader. Jill teaches people how to make delicious

traditional American comfort food recipes with whole ingredients and shows that you don't have to use obscure items to enjoy this lifestyle. And as a busy mother of three, Jill knows how to make recipes easy and delicious for all ages. "Jill takes you on an insightful and delicious journey of becoming a homesteader. This book is packed with so much easy to follow, practical, hands-on information about steps you can take towards integrating homesteading into your life. It is packed full of exciting and mouth-watering recipes and heartwarming stories of her unique adventure into homesteading. These recipes are ones I know I will be using regularly in my kitchen." - Eve Kilcher These 109 recipes include her family's favorites, with maple-glazed pork chops, butternut Alfredo pasta, and browned butter skillet corn. Jill also shares 17 bonus recipes for homemade sauces, salt rubs, sour cream, and the like—staples that many people are surprised to learn you can make yourself. Beyond these recipes, The Prairie Homestead Cookbook shares the tools and tips Jill has learned from life on the homestead, like how to churn your own butter, feed a family on a budget, and experience all the fulfilling satisfaction of a DIY lifestyle.

The Beginner's Guide to Raising Chickens Voyageur Press (MN)

Framed by the author's personal experience with backyard hens, Chickens: Their Natural and Unnatural Histories explores the history of the chicken from its descent from the dinosaurs to the space-age present. En route, Lembke surveys chickens in ancient Greece, the Middle Ages, the Renaissance, the nineteenth century, and modern times, including the role of chickens in Jewish and Muslim practices. She also investigates the birds' contributions to science and their

jaunty appearances in literature. Eggs receive a chapter of their own, as does chicken cuisine, comprising recipes from the Roman Empire to today's favorites. Stories about chickens appear, too, often written by those who keep them, including the painter Grandma Moses, the man who holds Cleveland's Farm Animal Permit No. 17, and Brenda, who had to give her young roosters a talking-to for behaving like sheep. Chickens have only recently come to a sorry pass in the Western world, where broilers and laying hens are factory-farmed. Lembke investigates the fate of such birds and explores the sustainable, humane alternatives to raising birds for meat and eggs. A celebration of the chicken in its every aspect, Chickens is sure to delight the chicken fancier, the backyard chicken keeper, and everyone concerned about where our food comes from and how we can treat animals more compassionately.

Art of the Chicken Coop Graphic Arts Books

When you're ready for the next step, Backyard Chickens Beyond the Basics shows you the realities of raising productive flocks that are happy and healthy. A must-have for every backyard chicken keeper, Backyard Chickens Beyond the Basics goes beyond introductory lessons and explores the realities of raising a flock for eggs -- and entertainment, of course! From odd eggs and molting, to feeding and preparing for the seasons, this book covers the subjects beginner books don't adequately address and re-examines common knowledge that may not actually hold true. It's a resource to turn to time and again. Author Pam Freeman draws on her years of experience fielding reader questions to identify and clearly explain many common - and some not-so-common - issues in chicken keeping, including: How do you add new chickens to your flock? What is the pecking order and how can you change or control it? Is it better to raise chicks by hand or with a broody hen? What do you do when you collect eggs? In Backyard Chickens Beyond the Basics, readers will find not just answers, but a book full of "coop truth" that helps them continue on their journey. Because as every chicken owner knows: Chickens are individuals and real-life chicken keeping often takes you far from the beaten path.
