Bending Toward Justice

Sterling & Stone LLC
Writer Brian Michael Bendis reunites with artist David Marquez (Miles Morales, Iron Man, Batman/Superman) for a new, star-studded Justice League featuring Superman, Batman, the Flash, Hawkgirl, Aquaman, Hippolyta, new DC powerhouse Naomi, and...is that Black Adam?! Superman is leading the charge to reinvent the Justice

League-and at the same time, long fight to bring justice to a new, cosmic-powered threat arrives from Naomi's homeworld to rule the Earth! And in the backup story, dark days lie ahead for the new Justice League Dark. Zatanna and John Constantine take a road trip, only to discover horror around the bend as a friend-and sometime foe-is reborn in fire! A legend is destroyed, and another takes a terrible turn, as Merlin reveals the beginning of a new, blood-drenched plot for all humankind. So begins writer Ram V's new journey into the abyss with the Justice League Dark and artist Xermanico!
The Road Toni Anderson Inc.
The story of the decades-

the victims of the 16th Street Baptist Church bombing, culminating in Sen. Doug Jones' prosecution of the last living bombers. On September 15, 1963, the 16th Street Baptist Church in Birmingham, Alabama was bombed. The blast killed four young girls and injured twenty-two others. The FBI suspected four particularly radical Ku Klux Klan members. Yet due to reluctant witnesses, a lack of physical evidence, and pervasive racial prejudice the case was closed without any indictments. But as Martin Luther King, Jr. famously expressed it, "the arc of the moral

universe is long, but it bends toward justice." Years later, Alabama Attorney General William Baxley reopened the case, ultimately convicting one of the bombers in 1977. Another suspect passed away in 1994, and US Attorney Doug Jones tried and convicted the final two in 2001 and 2002, representing the correction of an outrageous miscarriage of justice nearly forty years in the making. Jones himself went on to win election as Alabama's first Democratic Senator since 1992 in a dramatic race against Republican challenger Roy Moore. *Bending Toward Justice* is a dramatic and compulsively readable account of a key moment in our long national struggle for equality, related by an author who played a major role in these events. A distinguished work of legal and personal history, the book is destined to take its place as a canonical civil rights history. *Dark Justice* (Sean Dillon Series, Book 12) Hachette UK If you love Romantic Suspense don't miss the first three books of New York Times bestselling

 Can a stolen violin lead secret agent and spy Maggie Hope to a serial killer terrorizing London? Find out as the acclaimed World War II mystery series from New York Times bestselling author Susan Elia MacNeal

teeth into. " —Kate Quinn, New York Times bestselling author of *The Huntress* Maggie Hope started out as Winston Churchill ' s secretary, but now she ' s a secret agent—and the only one who can figure out how the missing violin ties into a series of horrifying murders. London, December 1943. As the Russian army repels German forces from Stalingrad, Maggie Hope takes a much-needed break from spying to defuse bombs in London. But Maggie herself is an explosion waiting to happen. Traumatized by her past, she finds herself living dangerously—taking huge risks, smoking, drinking, and speeding through the city streets on a motorbike. The last thing she wants is to get entangled in another crime. But when she ' s called upon to look into the theft of a Stradivarius, one of the finest violins ever made, Maggie can ' t resist. Meanwhile, there ' s a serial killer on the loose in London, targeting conscientious objectors. Little does Maggie know that investigating this dangerous predator will

pit her against a new evil—and old enemies. Only Maggie can uncover the connection between the robbery, the murders, and a link to her own past.

The Killing Game All Points Books

An action-packed terrorist thriller from global bestseller Wilbur Smith

“ The blonde girl held up her left hand and showed him the shiny grey egg.

‘ This is a special grenade, designed for killing the occupants of a battle tank, ’ she said quietly. ‘ It could blow the fuselage of this aircraft open like a paper bag or kill by concussion any human being within fifty yards. ’ She watched their faces, saw the fear bloom like an evil flower. ” One man wants to rule the world.

One man needs to stop him. A passenger plane bound for London is taken hostage by the Action Commando for Human Rights. The passengers ’ only hope is Peter Stride, leader of Thor Command, who uncovers the real leader of this operation, a shadowy figure known only as Caliph with plans as mysterious as they are violent. When Thor Command obtains evidence that Caliph has agents in almost every country, and is behind nearly every major terrorist activity, Peter understands that no one close to him is safe.

But he also learns Caliph ’ s ultimate, terrifying goal: control of the entire world. Is Peter capable of doing what it takes to stop Caliph—once and for all?

Divine Justice Henry Holt and Company

An assassin risks everything when he falls in love with an FBI agent hunting her sister's killer. Former CIA assassin Alex Parker works for a clandestine government organization hell-bent on taking out serial killers and pedophiles before they enter the justice system. Alex doesn't enjoy killing, but he's damn good at it. FBI Special Agent Mallory Rooney has spent years hunting the lowlife who abducted her identical twin sister eighteen years ago. Now, during an on-going serial killer investigation, Mallory begins to suspect there's a vigilante operating outside the law. When Mallory starts asking questions, Alex is ordered to watch her. As soon as they meet, the two begin to fall in love. But the lies and betrayals that define Alex's life

threaten to destroy them both especially when the man who stole her sister all those years ago makes Mallory his next target. Start reading this award-winning Romantic Suspense series today! Winner of the New England Readers' Choice Award and the Aspen Gold. Available in digital, print, and audiobook format. From New York Times bestselling author Toni Anderson.

Hunting For A Killer Who Doesn't Play By The Rules. Detective Erin Donovan expects life to settle down after the arrest and conviction of a serial rapist who terrorized her college town last summer. Then two young women are brutally slain and the murders bear all the hallmarks of the campus rapist. Did Erin arrest the wrong man? Her job is at stake and tensions are high. Just when it looks like things can't get worse, the FBI ’ s Behavioral Analysis Unit sends a profiler to assist the investigation—in the form of a man Erin has never been able to

forget. Three years ago, former Marine scout sniper Darsh Singh's feelings for Erin had him breaking all his rules. Now his only interest in the former NYPD detective is figuring out if she screwed up an investigation and helped send an innocent man to prison. Being forced to work together rekindles their attraction, and as Darsh and Erin fall for each other, the predator fixates on the female detective hunting him. Can they identify the killer before he makes Erin his final victim? WINNER of the BOOK BUYERS BEST for Romantic Suspense. The Justice of Kings Toni Anderson A Cold Dark Place The Justice Project Penguin A New York Times bestseller and enduring classic, All About Love is the acclaimed first volume in feminist icon bell hooks' "Love Song to the Nation" trilogy. All About Love reveals what causes a polarized society, and how to heal the divisions that cause suffering. Here is the truth about love, and inspiration to help us instill caring, compassion, and strength in our homes, schools, and workplaces. "The word 'love' is most often

defined as a noun, yet we would all love better if we used it as a verb," writes bell hooks as she comes out fighting and on fire in *All About Love*. Here, at her most provocative and intensely personal, renowned scholar, cultural critic and feminist bell hooks offers a proactive new ethic for a society bereft with lovelessness--not the lack of romance, but the lack of care, compassion, and unity. People are divided, she declares, by society's failure to provide a model for learning to love. As bell hooks uses her incisive mind to explore the question "What is love?" her answers strike at both the mind and heart. Razing the cultural paradigm that the ideal love is infused with sex and desire, she provides a new path to love that is sacred, redemptive, and healing for individuals and for a nation. The *Utne Reader* declared bell hooks one of the "100 Visionaries Who Can Change Your Life." *All About Love* is a powerful, timely affirmation of just how profoundly her revelations can change hearts and minds for the better.

A Cold Dark Place : Cold

Justice, Book 1 Toni Anderson Inc.
LOS ANGELES TIMES BOOK PRIZE FINALIST • NAACP IMAGE AWARD NOMINEE • A "powerful and devastating" (The Washington Post) call to free those buried alive by America's legal system, and an inspiring true story about unwavering belief in humanity—from a gifted young lawyer and important new voice in the movement to transform the system. "An essential book for our time . . . Brittany K. Barnett is a star." —Van Jones, CEO of REFORM Alliance, CNN Host, and New York Times bestselling author Brittany K. Barnett was only a law student when she came across the case that would change her life forever—that of Sharanda Jones, single mother, business owner, and, like Brittany, Black daughter of the rural South. A victim of America's devastating war on drugs, Sharanda had been torn away from her young daughter and was serving a life sentence without parole—for a first-time drug offense. In *Sharanda*, Brittany saw haunting echoes of her own life, as the daughter of a formerly incarcerated mother. As she studied this case, a system came into focus in which widespread racial injustice forms the core of America's addiction to incarceration. Moved by Sharanda's plight, Brittany

set to work to gain her freedom. This had never been the plan. Bright and ambitious, Brittany was a successful accountant on her way to a high-powered future in corporate law. But Sharanda's case opened the door to a harrowing journey through the criminal justice system. By day she moved billion-dollar deals, and by night she worked pro bono to free clients in near hopeless legal battles. Ultimately, her path transformed her understanding of injustice in the courts, of genius languishing behind bars, and the very definition of freedom itself. Brittany's riveting memoir is at once a coming-of-age story and a powerful evocation of what it takes to bring hope and justice to a system built to resist them both. **NAMED ONE OF THE BEST BOOKS OF THE YEAR BY KIRKUS REVIEWS**
All About Love Orca Book Publishers
When a cold case in Texas leads to a sinister string of disappearances, a newcomer to the small town helps a detective piece together the clues in this new romantic thriller from New York Times bestselling author Laura Griffin. Corporate lawyer Ava Burch has had enough of the big city and the daily grind. She grew up with her father, who raised search-

and-rescue dogs, in rural Texas and has moved to the small town of Cuervo to spend time in the dry, rugged wilderness near Big Bend National Park. When she and her dog, Huck, discover an abandoned campsite on a volunteer search-and-rescue mission, she's perplexed, but she carefully photographs it all the same. All Grant Wycoff can see when he looks at Ava is a city slicker—with her designer jeans and shiny car—who has no business on a serious team made of seasoned outdoorsmen and retired cops. But when she tells him of her findings on the trail, he sees there's more to her than meets the eye. Ava's discovery reminds Grant of the unsolved case of a young woman who went missing two years ago. As they look into the campsite further, another woman disappears under odd circumstances. With time running out, Ava and Grant must work against the brutal heat from both the Texas sun and their own electric chemistry to solve the case.

Cold Mountain Crown

An exploration of why we play video games despite the fact that we are

almost certain to feel unhappy when we fail at them. We may think of video games as being "fun," but in *The Art of Failure*, Jesper Juul claims that this is almost entirely mistaken. When we play video games, our facial expressions are rarely those of happiness or bliss. Instead, we frown, grimace, and shout in frustration as we lose, or die, or fail to advance to the next level. Humans may have a fundamental desire to succeed and feel competent, but game players choose to engage in an activity in which they are nearly certain to fail and feel incompetent. So why do we play video games even though they make us unhappy? Juul examines this paradox. In video games, as in tragic works of art, literature, theater, and cinema, it seems that we want to experience unpleasantness even if we also dislike it. Reader or audience reaction to tragedy is often explained as catharsis, as a purging of negative emotions. But, Juul points out, this doesn't seem to be the case for video game players. Games do not purge us of unpleasant emotions; they produce them in the first place.

What, then, does failure in video game playing do? Juul argues that failure in a game is unique in that when you fail in a game, you (not a character) are in some way inadequate. Yet games also motivate us to play more, in order to escape that inadequacy, and the feeling of escaping failure (often by improving skills) is a central enjoyment of games. Games, writes Juul, are the art of failure: the singular art form that sets us up for failure and allows us to experience it and experiment with it. *The Art of Failure* is essential reading for anyone interested in video games, whether as entertainment, art, or education.

Machines Like Me DC Comics

In 1997, Charles Frazier's debut novel *Cold Mountain* made publishing history when it sailed to the top of *The New York Times* best-seller list for sixty-one weeks, won numerous literary awards, including the National Book Award, and went on to sell over three million copies. Now, the beloved American epic returns, reissued by Grove Press to coincide with the

publication of Frazier ' s eagerly-anticipated second novel, *Thirteen Moons*. Sorely wounded and fatally disillusioned in the fighting at Petersburg, a Confederate soldier named Inman decides to walk back to his home in the Blue Ridge mountains to Ada, the woman he loves. His trek across the disintegrating South brings him into intimate and sometimes lethal converse with slaves and marauders, bounty hunters and witches, both helpful and malign. At the same time, the intrepid Ada is trying to revive her father ' s derelict farm and learning to survive in a world where the old certainties have been swept away. As it interweaves their stories, *Cold Mountain* asserts itself as an authentic odyssey, hugely powerful, majestically lovely, and keenly moving.

The Sea in Winter
HarperCollins

"This book has everything I like! Hot hero, strong heroine, kidnapping, a second chance, set in Alaska, and enough suspense to keep me turning the pages as fast as I can!" – New York Times bestselling author Susan Stoker. Daphne Du Maurier Award For Excellence In

Mystery/Romantic Suspense finalist. When Darby O'Roarke wakes up in a strange house with a dead man - with no memory of what happened - she knows who she has to call: FBI Supervisory Special Agent Eban Winters...the man she fell for, and who rejected her, last summer. A negotiator isn't supposed to get involved with kidnap victims, and Eban has been trying to avoid the temptation that is Darby O'Roarke ever since they met. One frantic phone call has him racing to Alaska to uncover the truth, but he faces stubborn opposition from the local police, and a growing media frenzy. Getting Darby released from jail and keeping her safe is his first priority. When another woman is brutally slain, evidence emerges that suggests Darby is being framed, and that the culprit is a vicious serial killer who has eluded the FBI for more than a decade...and, now, the killer has Darby in their sights.

Cold Blooded

HarperCollins

Driven to kill.

Compelled to protect.

Five hundred years ago, the cure for the common cold went horribly wrong, turning those infected into freaks consumed with hate and rage. Forced underground, the freaks

return above ground at night, driven to attack the surface dwellers – their bite infecting thousands more. To fight the freaks and protect mankind from extinction, scientists created genetically enhanced soldiers. Stronger, faster, with enhanced senses, wardens are trained from birth to protect the weaker humans. The Captain of the Ward, Jackson Kyle, is infected while saving the life of another warden. Due to his genetic enhancements, he is like no other freak. His faculties intact, he escapes from the Ward and encounters a mysterious young woman. The second he touches her, he is caught in a bond, compelled to protect her at all costs. For she will decide the fate of humankind.

The Brethren Toni Anderson

American Indian Youth Literature Award: Middle Grade Honor Book! In this evocative and heartwarming novel for readers who loved *The Thing About Jellyfish*,

the author of *I Can Make This Promise* tells the story of a Native American girl struggling to find her joy again. It's been a hard year for Maisie Cannon, ever since she hurt her leg and could not keep up with her ballet training and auditions. Her blended family is loving and supportive, but Maisie knows that they just can't understand how hopeless she feels. With everything she's dealing with, Maisie is not excited for their family midwinter road trip along the coast, near the Makah community where her mother grew up. But soon, Maisie's anxieties and dark moods start to hurt as much as the pain in her knee. How can she keep pretending to be strong when on the inside she feels as roiling and cold as the ocean? The Heartdrum imprint centers a wide range of intertribal voices, visions, and stories while welcoming all young readers, with an emphasis on the present and future of Indian Country and on the strength of young Native heroes. In partnership with We Need Diverse Books.

[Cold as Ice](#) Simon and Schuster

"Toni's books will make your heart pound and leave you breathless as she takes you on a roller coaster of thrills and danger along with the characters." Kaylea Cross - New York Times and USA Today bestselling author. A journalist searching for the truth about her best friend's death—and the FBI agent who needs her to stop. Disgraced investigative journalist Pip West is devastated when she discovers her best friend's body face-down in a tranquil lake. When cops and federal agents determine that her friend overdosed then drowned, Pip knows they're mistaken and intends to prove it. Special Agent Hunt Kincaid doesn't trust journalists and has no patience for Pip's delusions, especially since her meddling could reveal why the FBI is interested in her friend's last days. The dead scientist worked at the cutting edge of vaccine research and might have a connection to a new, weaponized, vaccine-resistant anthrax strain that just

hit the black market. The more Pip digs, the closer she gets to both the sexy FBI agent, and to a bioweapons terrorist who's more than capable of cold-bloodedly sacrificing anyone who gets in his way. A finalist in the New England Readers' Choice Contest for Romantic Suspense! This edition features a brand-new cover. You'll love Toni Anderson's bestselling Romantic Thrillers. Cold Hearted Toni Anderson Inc.
An electrifying story of the sensational murder trial that divided a city and ignited the civil rights struggle In 1925, Detroit was a smoky swirl of jazz and speakeasies, assembly lines and fistfights. The advent of automobiles had brought workers from around the globe to compete for manufacturing jobs, and tensions often flared with the KKK in ascendance and violence rising. Ossian Sweet, a proud Negro doctor-grandson of a slave-had made the long climb from the ghetto to a home of his own in a previously all-white neighborhood. Yet just after his arrival, a mob gathered outside his house; suddenly, shots rang out: Sweet, or one of his defenders, had accidentally killed one of the whites threatening their lives and homes. And so it began-a chain of events

that brought America's greatest attorney, Clarence Darrow, into the fray and transformed Sweet into a controversial symbol of equality. Historian Kevin Boyle weaves the police investigation and courtroom drama of Sweet's murder trial into an unforgettable tapestry of narrative history that documents the volatile America of the 1920s and movingly re-creates the Sweet family's journey from slavery through the Great Migration to the middle class. Ossian Sweet's story, so richly and poignantly captured here, is an epic tale of one man trapped by the battles of his era's changing times. *Arc of Justice* is the winner of the 2004 National Book Award for Nonfiction.
