The Audible #1 Bestselling Thriller of the Year. Secret Service agent Winter has just two weeks to bring down a site on the dark web before an innocent girl is murdered in front of an online audience of millions. Going deep undercover disguised as a paid assassin – alias Snow White – Winter must infiltrate the inner circle of the extraordinarily powerful man at the heart of the dark web. When Winter stumbles upon the body of a man from her past with a bullet through his forehead, the clues begin to slot into place. With

the girl ' s fate growing darker with every tick of the clock, can Winter put together the pieces in time to save her life?

A Cold Dark Place Open Road + Grove/Atlantic

A piercingly raw debut story collection from a young writer with an explosive voice; a treacherously surreal, and, at times, heartbreakingly satirical look at what it's like to be young and black in America.

The Road Atlantic Books

"This book has everything I like! Hot hero, strong heroine, kidnapping, a second chance, set in Alaska, and enough suspense to keep me turning the pages as fast as I can!" –New York Times bestselling author Susan Stoker. When Darby O'Roarke wakes up in a strange house with a dead man - with no memory of what happened - she knows who she has to call: FBI Supervisory Special Agent Eban Winters...the man she fell for, and who rejected her, last summer. A negotiator isn't supposed to get involved with kidnap victims, and Eban has been trying to avoid the temptation that is Darby O'Roarke ever since they met. One frantic phone call has him racing to Alaska to uncover the truth, but he faces stubborn opposition from the local police, and a growing media frenzy. Getting Darby released from jail and keeping her safe is his first priority. When another woman is brutally slain, evidence emerges that suggests Darby is being framed, and that the culprit is a vicious serial killer who has eluded the FBI for

more than a decade...and, now, the killer has Darby in their sights. A Daphne Du Maurier Award For Excellence In Mystery/Romantic Suspense finalist. All the books can be read as standalone titles. Thrilling plots with guaranteed happily ever afters—they do contain strong language and steamy times.

Cold War Ruins U of Nebraska Press
For fans of HBO's *The Gilded Age*, explore the dark side of the alluring world of America's 19th century elite in this gripping series of riveting mysteries... Heiress-turned-sleuth Prudence MacKenzie and ex-Pinkerton Geoffrey Hunter step out of the elite society of *Gilded Age* New York as they venture into the city's crime ridden streets and most dangerous neighborhoods to search for two missing children . . . *THE DEAD CRY JUSTICE* May 1890: As NYU Law School finally agrees to admit female law students, Judge MacKenzie's daughter Prudence weighs her choices carefully. Chief among her concerns is how her decision would affect the Hunter and MacKenzie Investigative Law agency and her professional and personal relationship with the partner who is currently recuperating from a near fatal shooting. But an even more pressing issue presents itself in the form of a street urchin, whose act of petty theft inadvertently leads Prudence to a badly beaten girl he is protecting. Fearing for the girl's life, Prudence rushes her to the Friends Refuge for the Sick Poor, run by the compassionate Charity Sloan. When the boy and girl slip out of their care and run away, Prudence suspects they are fleeing a dangerous predator and is desperate to find them. Aided by the photographer and social reformer Jacob Riis and the famous journalist Nellie Bly, Prudence and Geoffrey

scour the tenements and brothels of Five Points. Their only clue is a mysterious doll with an odd resemblance to the missing girl. But as the destitute orphans they encounter whisper the nickname of the killer who stalks them—*Il diavolo*—Prudence and Geoffrey must race against time to find the missing children before their merciless enemies do . . .

Dark Justice Penguin

• New York Times bestseller • The 100 most substantive solutions to reverse global warming, based on meticulous research by leading scientists and policymakers around the world “ At this point in time, the *Drawdown* book is exactly what is needed; a credible, conservative solution-by-solution narrative that we can do it. Reading it is an effective inoculation against the widespread perception of doom that humanity cannot and will not solve the climate crisis. Reported by-effects include increased determination and a sense of grounded hope. ” —Per Espen Stoknes, Author, *What We Think About When We Try Not To Think About Global Warming* “ There's been no real way for ordinary people to get an understanding of what they can do and what impact it can have. There remains no single, comprehensive, reliable compendium of carbon-reduction solutions across sectors. At least until now. . . . The public is hungry for this kind of practical wisdom. ” —David Roberts, *Vox* “ This is the ideal environmental sciences textbook—only it is too interesting and inspiring to be called a textbook. ” —Peter Kareiva, Director of the Institute of the Environment and Sustainability, UCLA In the face of

widespread fear and apathy, an international coalition of researchers, professionals, and scientists have come together to offer a set of realistic and bold solutions to climate change. One hundred techniques and practices are described here—some are well known; some you may have never heard of. They range from clean energy to educating girls in lower-income countries to land use practices that pull carbon out of the air. The solutions exist, are economically viable, and communities throughout the world are currently enacting them with skill and determination. If deployed collectively on a global scale over the next thirty years, they represent a credible path forward, not just to slow the earth's warming but to reach drawdown, that point in time when greenhouse gases in the atmosphere peak and begin to decline. These measures promise cascading benefits to human health, security, prosperity, and well-being—giving us every reason to see this planetary crisis as an opportunity to create a just and livable world.

Uniform Justice Penguin

A single-mother desperate to protect her child is rescued by an off-duty FBI profiler as ruthless terrorists hunt them, in this Romantic Thriller by New York Times bestselling author Toni Anderson. "Sizzling suspense and hot romance - the perfect summer read!" Single mom Vivi Vincent is thrust into her worst nightmare when she and her eight-year-old son are trapped inside a mall during a terror attack. Jed Brennan, a dedicated FBI agent on enforced leave, helps Vivi and her son

survive the assault. But the danger is just beginning... Vivi's son may have witnessed critical details of the terrorists' future plans and is targeted for death, but he's mute, and he's traumatized. When someone launches a strike against the FBI's safe house, Jed fears the bad guys have an inside man. Not knowing who to trust, he hides mother and son in a log cabin deep in the heart of the Wisconsin Northwoods. There Jed and Vivi try to figure out how to unlock the information inside her son's head. What they don't bargain for is the red-hot attraction that flares between them or the extent of the sinister plot that threatens to rip apart any chance of happiness they might have together. All the books can be read as standalone titles. Hot romantic stories with thrilling plots and guaranteed happily ever afters—they do contain strong language and steamy times. For fans of Melinda Leigh, Janie Crouch, Kendra Elliot, and Anna Hackett. Winner of National Excellence in Romance Fiction Award ~ for Romantic Suspense. Finalist in the National Readers' Choice Award, & the Gayle Wilson Award of Excellence.

Vanishing Hour Toni Anderson Inc. Amoral, cunning, ruthless, and instructive, this multi-million-copy New York Times bestseller is the definitive manual for anyone interested in gaining, observing, or defending against ultimate control – from the author of *The Laws of*

Human Nature. In the book that People magazine proclaimed “beguiling” and “fascinating,” Robert Greene and Joost Elffers have distilled three thousand years of the history of power into 48 essential laws by drawing from the philosophies of Machiavelli, Sun Tzu, and Carl Von Clausewitz and also from the lives of figures ranging from Henry Kissinger to P.T. Barnum. Some laws teach the need for prudence (“ Law 1: Never Outshine the Master ”), others teach the value of confidence (“ Law 28: Enter Action with Boldness ”), and many recommend absolute self-preservation (“ Law 15: Crush Your Enemy Totally ”). Every law, though, has one thing in common: an interest in total domination. In a bold and arresting two-color package, The 48 Laws of Power is ideal whether your aim is conquest, self-defense, or simply to understand the rules of the game.

With a master spy and the U. S. government after him, former CIA assassin Oliver Stone is America's most wanted man-but escaping D.C. won't protect him from a lethal world of political corruption in this #1 New York Times bestselling thriller. Known by his alias, "Oliver Stone," John Carr is the most wanted man in America. With two pulls of the trigger, the men who destroyed Stone's life and kept him in the shadows were finally silenced. But his freedom comes at a steep price: The assassinations he carried out prompt the highest levels

of the U.S. government to unleash a massive manhunt. Yet behind the scenes, master spy Macklin Hayes is playing a very personal game of cat and mouse. He, more than anyone else, wants John Carr dead. With their friend and unofficial leader in hiding, the members of the Camel Club risk everything to save him. As the hunters close in, Stone's flight from the demons of his past will take him from the power corridors of Washington, D.C., to the coal-mining town of Divine, Virginia--and into a world every bit as bloody and lethal as the one he left behind.

Cold Pursuit Toni Anderson Inc. Read this thrilling story about a wildlife biologist who will do anything to save endangered snow leopards...even face-off with an elite Special Forces soldier who is tracking the world ' s most-wanted terrorist—a man who is as much of a ghost as the elusive cats themselves. Wildlife biologist Axelle Dehn isn ' t about to let anyone harm her endangered snow leopards—not the poacher intent on killing them, nor the soldier who wants to use them as bait. But Axelle is unknowingly entangled in a conflict that stretches back three decades, a conflict that could spark a war between two of the world ' s great nations. British SAS soldier, Ty Dempsey, is on a mission to hunt down an infamous Russian terrorist in a remote region of Afghanistan. Dempsey hasn ' t failed a mission yet, but when Axelle is kidnapped by the Russian, he is forced to choose between duty and

his heart. He risks everything to save the determined, prickly woman he 's fallen for, but in doing so sparks a deadly series of events that threaten to expose the most successful spy in history. A spy who will destroy anyone who gets in his way. Romance Writers of America® RITA® Finalist. National Readers' Choice Awards Finalist. "I enthusiastically recommend The Killing Game by Toni Anderson. If you enjoy tense romantic suspense, military heroes who are old enough to retire from the military (Ty Dempsey enlisted at seventeen and has served twenty-two years = a thirty-nine year-old hero) and heroines who are passionate about their work, then skip the rest of this review and start the book now." – Smart Bitches Trashy Books. "I'd recommend this to any romantic suspense reader looking for a unique, intricately woven story that will really touch you." Peaces of Me 5-Star review. "Realistic scene descriptions, endangered species, and plenty of spies made this a sure fire hit in my reading collection." SnSreviews 5-Star review. "This is a smart story. This is a sexy story. This is a well written story. This is one of my favorite romantic suspense stories I've read all year. I wish there was more!" Love Affair With An e-Reader. Anderson, the killing game, Espionage, spy thriller, sexy alpha hero, British SAS soldier, Irish hero, military romance, snow leopard conservation, snow leopard, Afghanistan mountains, Wakhan Valley, terrorism, terrorist, conspiracy, the great game, Russian spies, MI6, Foreign Office, British spy thriller, biologist, biologist heroine, American heroine. Unexampled Courage Cold Justice®: Large Print A young Supreme Court law clerk, Ben Addison, gets himself in trouble when he accidentally gives away a secret. Now he has to fight to keep his job and figure out a way to stop people from blackmailing him. The Court and the World HarperCollins e-books Selected by the Modern Library as one of the 100 best nonfiction books of all time From the Modern Library 's new set of beautifully repackaged hardcover classics by Truman Capote—also available are Breakfast at Tiffany 's and Other Voices, Other Rooms (in one volume), Portraits and Observations, and The Complete Stories Truman Capote 's masterpiece, In Cold Blood, created a sensation when it was first published, serially, in The New Yorker in 1965. The intensively researched, atmospheric narrative of the lives of the Clutter family of Holcomb, Kansas, and of the two men, Richard Eugene Hickock and Perry Edward Smith, who brutally killed them on the night of November 15, 1959, is the seminal work of the "new journalism." Perry Smith is one of the great dark characters of American literature, full of

contradictory emotions. “ I thought he was a very nice gentleman,” he says of Herb Clutter. “ Soft-spoken. I thought so right up to the moment I cut his throat.” Told in chapters that alternate between the Clutter household and the approach of Smith and Hickock in their black Chevrolet, then between the investigation of the case and the killers ’ flight, Capote ’ s account is so detailed that the reader comes to feel almost like a participant in the events.

A Legacy of Spies Vintage

A 2019 NPR Staff Pick How the blinding of Sergeant Isaac Woodard changed the course of America ’ s civil rights history On February 12, 1946, Sergeant Isaac Woodard, a returning, decorated African American veteran, was removed from a Greyhound bus in Batesburg, South Carolina, after he challenged the bus driver ’ s disrespectful treatment of him. Woodard, in uniform, was arrested by the local police chief, Lynwood Shull, and beaten and blinded while in custody. President Harry Truman was outraged by the incident. He established the first presidential commission on civil rights and his Justice Department filed criminal charges against Shull. In July 1948, following his commission ’ s recommendation, Truman ordered an end to segregation in the U.S. armed forces. An all-white South Carolina jury acquitted Shull, but the presiding judge, J. Waties Waring, was conscience-stricken by the failure of the court system to do justice by the soldier. Waring described the trial as his “ baptism of fire,” and began issuing major civil rights decisions from his Charleston courtroom, including his 1951 dissent in *Briggs v. Elliott* declaring public school segregation per se unconstitutional. Three years later, the Supreme Court adopted Waring ’ s language and reasoning in *Brown v. Board of Education*. Richard Gergel ’ s *Unexampled Courage* details the impact of

the blinding of Sergeant Woodard on the racial awakening of President Truman and Judge Waring, and traces their influential roles in changing the course of America ’ s civil rights history.

A Cold Dark Place Simon and Schuster

#1 NEW YORK TIMES

BESTSELLER The undisputed master returns with his first Smiley novel in more than twenty-five years--a #1 New York Times bestseller and ideal holiday gift. Peter Guillam, staunch colleague and disciple of George Smiley of the British Secret Service, otherwise known as the Circus, is living out his old age on the family farmstead on the south coast of Brittany when a letter from his old Service summons him to London. The reason? His Cold War past has come back to claim him. Intelligence operations that were once the toast of secret London, and involved such characters as Alec Leamas, Jim Prideaux, George Smiley and Peter Guillam himself, are to be scrutinized by a generation with no memory of the Cold War and no patience with its justifications. Interweaving past with present so that each may tell its own intense story, John le Carré has spun a single plot as ingenious and thrilling as the two predecessors on which it looks back: *The Spy Who Came in from the Cold* and *Tinker Tailor Soldier Spy*. In a story resonating with tension, humor and moral ambivalence, le Carré and his narrator Peter Guillam present the reader with a legacy of

unforgettable characters old and new.

Cold Silence Vintage

“ With Cold Blooded, the talented Toni Anderson has penned yet another nail-biter. From beginning to end, the pages sizzle with thrilling suspense and romantic tension. ” —Melinda Leigh, Wall Street Journal bestselling author.

A journalist searching for the truth about her best friend ’ s death—and the FBI agent who needs her to stop.

Disgraced investigative journalist Pip West is devastated when she discovers her best friend ’ s body face-down in a tranquil lake. When cops and federal agents determine that her friend overdosed then drowned, Pip knows they ’ re mistaken and intends to prove it. Special Agent Hunt Kincaid doesn ’ t trust journalists and has no patience for Pip ’ s delusions, especially since her actions could expose why the FBI is so interested in her friend ’ s final days. The dead scientist worked at the cutting edge of vaccine research and may have a connection to a new, weaponized, vaccine-resistant anthrax strain that just hit the blackmarket.

The more Pip digs, the closer she gets to both the intriguing FBI agent, and to a bioweapons terrorist who ’ s more than willing to cold-bloodedly sacrifice anyone who gets in his way. All the books can be read as standalone titles. Thrilling plots with guaranteed happily ever afters—they do contain strong language. For fans of Kendra Elliot, Janie Crouch, Anna Hackett, and Brittney Sahin.

House Justice Toni Anderson Inc.

When a double homicide shocks a small college town, a tenacious detective is forced to work with a brooding FBI profiler to track down a serial killer, in this award-winning Romantic thriller by

New York Times bestselling author Toni Anderson “ I freaking loved this book! How have I not read anything by this author before now?” ~Becky on Books... and Quilts. Hunting For A Killer Who Doesn't Play By The Rules... Detective Erin Donovan expects life to settle down after the arrest and conviction of a serial rapist who terrorized her college town last summer. Then two young women are brutally slain and the murders bear all the hallmarks of the campus rapist. Did Erin arrest the wrong man? Her job is at stake and tensions are high. Just when it looks like things can't get worse, the FBI ’ s Behavioral Analysis Unit sends a profiler to assist the investigation—in the form of a man Erin has never been able to forget. Three years ago, former Marine scout sniper Darsh Singh ’ s feelings for Erin had him breaking all his rules. Now his only interest in the former NYPD detective is figuring out if she screwed up an investigation and helped send an innocent man to prison. Being forced to work together rekindles their attraction, and as Darsh and Erin fall for each other, the predator fixates on the female detective hunting him. Can they identify the killer before he makes Erin his final victim? All the Cold Justice® can be read as standalone titles. Hot romantic stories with thrilling plots and guaranteed happily ever afters—they do contain strong language. For fans of Kendra Elliot, Janie Crouch, Mary Burton, and Brittney Sahin.

WINNER of the BOOK BUYERS BEST for Romantic Suspense. Finalist in the National Excellence in Romance Fiction Awards, and the Booksellers' Best Award for Romantic Suspense.

Executing Justice Penguin

When a cold case in Texas leads to a sinister string of disappearances, a newcomer to the small town helps a detective piece together the clues in this new romantic thriller from New York Times bestselling author

Laura Griffin. Corporate lawyer Ava Burch has had enough of the big city and the daily grind. She grew up with her father, who raised search-and-rescue dogs, in rural Texas and has moved to the small town of Cuervo to spend time in the dry, rugged wilderness near Big Bend National Park. When she and her dog, Huck, discover an abandoned campsite on a volunteer search-and-rescue mission, she's perplexed, but she carefully photographs it all the same. All Grant Wycoff can see when he looks at Ava is a city slicker—with her designer jeans and shiny car—who has no business on a serious team made of seasoned outdoorsmen and retired cops. But when she tells him of her findings on the trail, he sees there's more to her than meets the eye. Ava's discovery reminds Grant of the unsolved case of a young woman who went missing two years ago. As they look into the campsite further, another woman disappears under odd circumstances. With time running out, Ava and Grant must work against the brutal heat from both the Texas sun and their own electric chemistry to solve the case.

Cold Hearted Duke University Press
Dig deep into the unsolved murder of Jackie English and join the hunt for a serial killer Fifty years ago, a serial killer prowled the quiet city of London, Ontario, marking it as his hunting grounds. As young women and boys were abducted, raped, and murdered, residents of the area held their loved ones closer and closer, terrified of the monster — or monsters — stalking the streets. Homicide detective Dennis Alsop began hunting the

killer in the 1960s, and he didn't stop searching until his death 40 years later. For decades, detectives, actual and armchair, and the victims' families and friends continued to ask questions: Who was the Forest City Killer? Was there more than one person, or did a depraved individual commit all of these crimes on his own? Combing through the files Detective Alsop left behind, researcher Vanessa Brown reopens the cases, revealing previously unpublished witness statements, details of evidence, and astonishing revelations. And through her investigation, Vanessa posits the unthinkable: is it possible that the Forest City Killer is still alive and, like the notorious Golden State Killer, a simple DNA test could bring him to justice?

The Left Hand of Darkness All Points Books

In Cold War Ruins Lisa Yoneyama argues that the efforts intensifying since the 1990s to bring justice to the victims of Japanese military and colonial violence have generated what she calls a "transborder redress culture." A product of failed post-World War II transitional justice that left many colonial legacies intact, this culture both contests and reiterates the complex transwar and transpacific entanglements that have sustained the Cold War unredressability and illegibility of certain violences. By linking justice to the effects of American geopolitical hegemony, and by deploying a conjunctive cultural critique—of "comfort women" redress efforts, state-sponsored apologies and amnesties, Asian American involvement in redress cases, the ongoing effects of the U.S. occupation of Japan and

Okinawa, Japanese atrocities in China, and battles over WWII memories—Yoneyama helps illuminate how redress culture across Asia and the Pacific has the potential to bring powerful new and challenging perspectives on American exceptionalism, militarized security, justice, sovereignty, forgiveness, and decolonization.

In Cold Blood Toni Anderson

This is Book #1 in the COLD JUSTICE series. Justice isn't always black or white. Sometimes it's cold and dark. Former CIA assassin Alex Parker works for The Gateway Project, a clandestine government organization hell-bent on taking out serial killers and pedophiles before they enter the justice system. Alex doesn't enjoy killing, but he's damn good at it. He's good at dodging the law, too—until a beautiful rookie agent has him wondering what it might be like to get caught. FBI Special Agent Mallory Rooney has spent years hunting the lowlife who abducted her identical twin sister eighteen years ago. Now, during an on-going serial killer investigation, Mallory begins to suspect there's a vigilante operating outside the law. She has no choice but to take him down, because murder isn't justice. Is it? When Mallory starts asking questions, The Gateway Project management starts to sweat, and orders Alex to watch her. As soon as they meet, the two begin to fall in love. But the lies and betrayals that define Alex's life threaten to destroy them both—especially when the man who stole her sister all those years ago makes Mallory his next target, and Alex must reveal his true identity to save the woman he loves.
