What happens when
America's First Son falls in
love with the Prince of
Wales? When his mother
became President, Alex
Claremont-Diaz was
promptly cast as the
American equivalent of a
young royal. Handsome,
charismatic, genius—his

image is pure millennial-
marketing gold for the White
House. There's only one
problem: Alex has a beef with
the actual prince, Henry,
across the pond. And when
the tabloids get hold of a
photo involving an Alex-
Henry altercation,
U.S./British relations take a
turn for the worse. Heads of
family, state, and other
handlers devise a plan for
damage control: staging a
truce between the two rivals.
What at first begins as a fake,
Instagramable friendship
grows deeper, and more
dangerous, than either Alex
or Henry could have
imagined. Soon Alex finds
himself hurtling into a secret
romance with a surprisingly
unstuffy Henry that could
derail the campaign and
upend two nations and begs
the question: Can love save
the world after all? Where do
we find the courage, and the
power, to be the people we
are meant to be? And how
can we learn to let our true

colors shine through? Casey
McQuiston's Red, White &
Royal Blue proves: true love
isn't always diplomatic. "I
took this with me wherever I
went and stole every second I
had to read! Absorbing,
hilarious, tender, sexy—this
book had everything I crave.
I ' m jealous of all the
readers out there who still get
to experience Red, White &
Royal Blue for the first time!"
- Christina Lauren, New
York Times bestselling
author of The
Unhoneymooners "Red,
White & Royal Blue is
outrageously fun. It is
romantic, sexy, witty, and
thrilling. I loved every
second." - Taylor Jenkins
Reid, New York Times
bestselling author of Daisy
Jones & The Six
**From Gilmore Girls to
Gilmore Girls (and
Everything in Between)**
St. Martin's Griffin
Caleb Franklin and his
younger brother, Bobby
Gene, spend an

extraordinary summer their new, older neighbor, Styx Malone, a foster boy from the city in this lively and diverse story from the Coretta Scott King Honor-winning author of "How It Went Down."

Ruined Open Road Media
NEW YORK TIMES BESTSELLER The complete, uncensored history of the award-winning *The Daily Show* with Jon Stewart, as told by its correspondents, writers, and host. For almost seventeen years, *The Daily Show* with Jon Stewart brilliantly redefined the borders between television comedy, political satire, and opinionated news coverage. It launched the careers of some of today's most significant comedians, highlighted the hypocrisies of the powerful, and garnered 23 Emmys. Now the show's behind-the-scenes gags, controversies, and camaraderie will be chronicled by the players themselves, from legendary host Jon Stewart to the star cast members and writers—including Samantha Bee, Stephen Colbert, John Oliver, and Steve Carell—plus some of *The Daily Show*'s most prominent guests and adversaries: John and Cindy McCain, Glenn Beck, Tucker Carlson, and many more. This oral history takes the reader behind the curtain for all the show's highlights, from its origins as Comedy Central's underdog late-night program to Trevor Noah's succession, rising from a scrappy jester in the 24-hour political news cycle to become part of the beating heart of politics—a trusted source for not only comedy but also commentary, with a reputation for calling bullshit and an ability to effect real change in the world. Through years of incisive election coverage, passionate debates with President Obama and Hillary Clinton, feuds with Bill O'Reilly and Fox, and provocative takes on Wall Street and racism, *The Daily Show* has been a cultural touchstone. Now, for the first time, the people behind the show's seminal moments come together to share their memories of the last-minute rewrites, improvisations, pranks, romances, blow-ups, and moments of Zen both on and off the set of one of America's most groundbreaking shows.

A Common Sense Guide Penguin UK

America's foremost baby and childcare experts, William Sears M.D. and Martha Sears, R.N., explain the benefits -- for both you and your child -- of connecting with your baby early. Would you and your baby both sleep better if you shared a bed? How old is too old for breastfeeding? What is a father's role in nurturing a newborn? How does early attachment foster a child's eventual independence? Dr. Bill and Martha Sears -- the doctor-and-nurse, husband-and-wife team who coined the term "attachment parenting" -- answer these and many more questions in this practical, inspiring guide. Attachment parenting is a style of parenting that encourages a strong early attachment, and advocates parental responsiveness to babies' dependency needs. The *Attachment Parenting Book* clearly explains the six "Baby B's" that form the basis of this popular parenting style: Bonding, Breastfeeding, Babywearing, Bedding close to baby, Belief in the language value of baby's cry, and Beware of baby trainers. Here's all the information you need to achieve your most important goals as a new parent: to know your child, to help your child feel right, and to enjoy parenting.

Independently Published
 The best-selling investing "bible" offers new information, new

insights, and new perspectives. The Little Book of Common Sense Investing is the classic guide to getting smart about the market. Legendary mutual fund pioneer John C. Bogle reveals his key to getting more out of investing: low-cost index funds. Bogle describes the simplest and most effective investment strategy for building wealth over the long term: buy and hold, at very low cost, a mutual fund that tracks a broad stock market Index such as the S&P 500. While the stock market has tumbled and then soared since the first edition of Little Book of Common Sense was published in April 2007, Bogle's investment principles have endured and served investors well. This tenth anniversary edition

includes updated data and new information but maintains the same long-term perspective as in its predecessor. Bogle has also added two new chapters designed to provide further guidance to investors: one on asset allocation, the other on retirement investing. A portfolio focused on index funds is the only investment that effectively guarantees your fair share of stock market returns. This strategy is favored by Warren Buffett, who said this about Bogle: "If a statue is ever erected to honor the person who has done the most for American investors, the hands-down choice should be Jack Bogle. For decades, Jack has urged investors to invest in ultra-low-cost index funds. . . . Today, however, he

has the satisfaction of knowing that he helped millions of investors realize far better returns on their savings than they otherwise would have earned. He is a hero to them and to me." Bogle shows you how to make index investing work for you and help you achieve your financial goals, and finds support from some of the world's best financial minds: not only Warren Buffett, but Benjamin Graham, Paul Samuelson, Burton Malkiel, Yale's David Swensen, Cliff Asness of AQR, and many others. This new edition of The Little Book of Common Sense Investing offers you the same solid strategy as its predecessor for building your financial future. Build a broadly diversified, low-cost portfolio without the risks

of individual stocks, manager selection, or sector rotation. Forget the fads and marketing hype, and focus on what works in the real world. Understand that stock returns are generated by three sources (dividend yield, earnings growth, and change in market valuation) in order to establish rational expectations for stock returns over the coming decade. Recognize that in the long run, business reality trumps market expectations. Learn how to harness the magic of compounding returns while avoiding the tyranny of compounding costs. While index investing allows you to sit back and let the market do the work for you, too many investors trade frantically, turning a winner's game into a loser's game. The Little

Book of Common Sense Investing is a solid guidebook to your financial future.

Don't Make Me Think

HarperCollins

A totalitarian regime has ordered all books to be destroyed, but one of the book burners suddenly realizes their merit.

Fast. Feast. Repeat.

Harper Collins

NEW YORK TIMES

BESTSELLER • In this collection of personal essays, the beloved star of Gilmore Girls and Parenthood reveals stories about life, love, and working as a woman in Hollywood—along with behind-the-scenes dispatches from the set of the new Gilmore Girls, where she plays the fast-talking Lorelai Gilmore once again. With a new bonus chapter In Talking as Fast as I Can, Lauren Graham hits pause for a moment and looks back on her life, sharing laugh-out-loud stories about growing up, starting out as an actress, and, years later, sitting in her

trailer on the Parenthood set and asking herself, "Did you, um, make it?" She opens up about the challenges of being single in Hollywood ("Strangers were worried about me; that's how long I was single!"), the time she was asked to audition her butt for a role, and her experience being a judge on Project Runway ("It's like I had a fashion-induced blackout"). In "What It Was Like, Part One," Graham sits down for an epic Gilmore Girls marathon and reflects on being cast as the fast-talking Lorelai Gilmore. The essay "What It Was Like, Part Two" reveals how it felt to pick up the role again nine years later, and what doing so has meant to her. Some more things you will learn about Lauren: She once tried to go vegan just to bond with Ellen DeGeneres, she's aware that meeting guys at awards shows has its pitfalls ("If you're meeting someone for the first time after

three hours of hair, makeup, and styling, you've already set the bar too high"), and she's a card-carrying REI shopper ("My bungee cords now earn points!").

Including photos and excerpts from the diary Graham kept during the filming of the recent *Gilmore Girls: A Year in the Life*, this book is like a cozy night in, catching up with your best friend, laughing and swapping stories, and—of course—talking as fast as you can.

" Algorithms and data structures are much more than abstract concepts. Mastering them enables you to write code that runs faster and more efficiently, which is particularly important for today's web and mobile apps. This book takes a practical approach to data structures and algorithms, with techniques and real-world scenarios that you can use in your daily production code. Graphics and examples make these computer science concepts understandable and relevant. You can use these techniques with any language; examples in the book are in JavaScript, Python, and Ruby. Use Big O

notation, the primary tool for evaluating algorithms, to measure and articulate the efficiency of your code, and modify your algorithm to make it faster. Find out how your choice of arrays, linked lists, and hash tables can dramatically affect the code you write. Use recursion to solve tricky problems and create algorithms that run exponentially faster than the alternatives. Dig into advanced data structures such as binary trees and graphs to help scale specialized applications such as social networks and mapping software. You'll even encounter a single keyword that can give your code a turbo boost. Jay Wengrow brings to this book the key teaching practices he developed as a web development bootcamp founder

and educator. Use these techniques today to make your code faster and more scalable. "

God's Way to Ultimate Health Grand Central Publishing

Six were taken. Eleven years later, five come back--with no idea of where they've been. A riveting mystery for fans of *We Were Liars*. Eleven years ago, six kindergartners went missing without a trace. After all that time, the people left behind moved on, or tried to. Until today. Today five of those kids return. They're sixteen, and they are . . . fine. Scarlett comes home and finds a mom she barely recognizes, and doesn't really recognize the person she's supposed to be, either. But she thinks she remembers Lucas. Lucas remembers Scarlett, too, except they're entirely unable to recall where they've been or what happened to them. Neither of them remember the sixth victim, Max--the only one who hasn't come back. Which leaves Max's sister, Avery, wanting answers. She wants to find her brother--dead or

alive--and isn't buying this whole memory-loss story. But as details of the disappearance begin to unfold, no one is prepared for the truth. This unforgettable novel--with its rich characters, high stakes, and plot twists--will leave readers breathless.

of *Serial* and

Making a Murderer about an

investigation

turned obsession,

full of twists and turns and with an

ending you'll never expect. Everyone in

Fairview knows the story. Pretty and popular high school senior Andie Bell was murdered by her boyfriend, Sal Singh, who then killed himself. It was all anyone could talk about. And five years later, Pip sees how the tragedy still haunts her town. But she can't shake the feeling that there was more to what happened that day. She knew Sal when she was a child, and he was always so kind to her. How could he possibly have been a killer? Now a senior herself, Pip decides to reexamine the closed case for her final project, at first just to cast doubt on the original investigation. But soon she discovers a trail of dark secrets that might actually prove Sal innocent . . . and the line between past and present begins to blur.

Someone in Fairview doesn't want Pip digging around for answers, and now her own life might be in danger. And don't miss the sequel, *Good Girl, Bad Blood!* "The perfect nail-biting mystery." --Natasha Preston, #1 New York Times bestselling author *The Leaving* HarperCollins

A boy on the run. A girl determined to find him. A compelling fantasy looks at issues of privilege, protest, and justice. All light in Chattana is created by one man – the Governor, who appeared after the Great Fire to bring peace and order to the city. For Pong, who was born in Namwon Prison, the magical lights represent freedom, and he dreams of the day he will be able to walk among them. But when Pong escapes from prison, he realizes that the world

outside is no fairer than the one behind bars. The wealthy dine and dance under bright orb light, while the poor toil away in darkness. Worst of all, Pong's prison tattoo marks him as a fugitive who can never be truly free. Nok, the prison warden's perfect daughter, is bent on tracking Pong down and restoring her family's good name. But as Nok hunts Pong through the alleys and canals of Chattana, she uncovers secrets that make her question the truths she has always held dear. Set in a Thai-inspired fantasy world, Christina Soontornvat's twist on Victor Hugo's *Les Misérables* is a dazzling, fast-paced adventure that explores the difference between law and justice – and asks whether one child can shine a light in the dark.

Rebound Simon and Schuster
God wants His people to prosper financially. Biblical Keys to Financial Prosperity explains how believers can release their faith for finances and eat the good of the land. The Only Way to Guarantee Your Fair Share of Stock Market Returns Simon and Schuster
From the New York Times bestselling author of The Unteachables, Gordon Korman, comes a hilarious middle grade novel about a group of kids forced to "unplug" at a wellness camp—where they instead find intrigue, adventure, and a whole lot of chaos. Perfect for fans of Korman's Ungifted and the Masterminds series, as well as Carl Hiaasen's eco mysteries. As the son of the world's most famous tech billionaire, spoiled Jett Baranov has always gotten what he wanted. So when his father's private jet drops him in the middle of the Arkansas wilderness, at a place called the Oasis, Jett can't believe it. He's forced to hand over his cell phone, eat grainy veggie patties, and participate in wholesome activities with the other kids, who he has absolutely no interest in hanging out with. As the weeks go on, Jett starts to get used to the unplugged life and even bonds with the other kids over their discovery of a baby-lizard-turned-pet, Needles. But he can't help noticing that the adults at the Oasis are acting really strange. Jett is determined to get to the bottom of things, but can he convince everybody that he is no longer just a spoiled brat who is making trouble?
