A country year is something like a baker's dozen--it contains an extra season. Hubbell lends the reader her eyes and ears to explore her peninsula between two rivers in the Ozark Mountains from one springtime to the next. Through Hubbell's eyes readers come to see their own surroundings in a very different way. From the Trade Paperback edition.

## A country year : living the questions (Book, 1987 ...

When her thirty-year marriage broke up, Sue Hubbell found herself alone and broke on a small Ozarks farm. Keeping bees, she found solace in the natural world. She began to write, challenging herself to tell the absolute truth about her life and the things that she cared about. The result is one of the best-loved books ever written about life on the land, about a woman finding her way in middle ...

### **A Country Year Summary - eNotes.com**

A Country Year: Living the Questions Sue Hubbell, Liddy Hubbell. Shop Now. Anyone who has kept bees is a pushover for a swarm of them. We always drop whatever we are doing and go off to pick one up when asked to do so. It doesn't make sense, because from a standpoint of serious beekeeping and honey production a swarm isn't much good. Swarms ...

*Living a Country Year: Wit and Wisdom from the Good Old ...*

Sparkling description of a year of beekeeping on a 100-acre farm in the Missouri Ozarks, an operation run by one woman alone. After 30 years together, Sue and her husband Paul Hubbell divorced. He left her their farm, equipment and varied wildlife, including 200 beehives that (during the year described) produced 30,000 pounds of top-grade honey.
