Coven, basic group in which witches are said to gather. One of the chief proponents of the theory of a coven was the English Egyptologist Margaret Murray in her work The Witch Cult in Western Europe (1921). According to her a coven consists of 12 witches and a devil as leader. The number is generally taken as a parody of Christ and his 12 disciples. (An alternate theory, stressing the Murray view of a pre-Christian tradition of witches, explains 13 as the maximum number of dancers that can ...

A Coven Of Witches The

In popular culture, a coven is a group or gathering of witches who work spells in tandem. Such imagery can be traced back to Renaissance prints depicting witches and to the three "weird sisters" in Shakespeare's Macbeth (1606). Orgiastic meetings of witches are depicted in the Robert Burns poem "Tam o' Shanter" (1791) and in the Goethe play Faust (1832).
