This is why you remain in the best website to see the incredible books to have.

Fahrenheit 451 Simon and Schuster

This book examines all forms of human trafficking globally, revealing the operations of the trafficking business and the nature of the traffickers themselves. Using a historical and comparative perspective, it demonstrates that there is more than one business model of human trafficking and that there are enormous variations in human trafficking in different regions of the world. Drawing on a wide body of academic research - actual prosecuted cases, diverse reports and field work and interviews conducted by the author over the last sixteen years in Asia, Latin America, Africa, Europe and the former socialist countries - Louise Shelley concludes that human trafficking will grow in the twenty-first century as a result of economic and demographic inequalities in the world, the rise of conflicts and possibly global climate change. Coordinated efforts of government, civil society, the business community, multilateral organizations and the media are needed to stem its growth.

12 Rules for Life Simon and Schuster

Carefully edited for modern readers to allow for easier reading Obsessed with the secret of creation, Swiss scientist Dr. Victor Frankenstein cobbles together a body he's determined to bring to life. And one fateful night, he does. When the creature opens his eyes, the doctor is repulsed: his vision of perfection is, in fact, a hideous monster. Dr. Frankenstein abandons his creation, but the monster won't be ignored, setting in motion a chain of violence and terror that shadows Victor to his death. Mary Shelley's Frankenstein, a gripping story about the ethics of creation and the consequences of trauma, is one of the most influential Gothic novels in British literature. It is as relevant today as it is haunting.

Hidden in Plain Sight: America's Slaves of the New Millennium Random House Canada

When 1930s Tokyo is threatened by a master thief who can disguise himself to look like anyone, and laughs at the law, the people of the city have nowhere else to turn but Japan's greatest detective, Akechi Kogoro. Unfortunately for Tokyo, however, Akechi Kogoro is off on overseas business, so it becomes the job of his 12-year old assistant, Kobayashi Yoshio, to track down the thief and desperately keep him at bay until his mentor returns. In the spirit of Sir Arthur Conan Doyle's Baker Street Irregulars, a classic thriller by Edogawa Rampo, grand

master of Japan's Golden Age of crime and mystery fiction. Filled with disguises, tricks, "A-ha!" moments, and spiced with a unique Japanese flair, it is sure to delight readers of all ages. Will Kobayashi's intrepid band of young detectives be able to outwit the nefarious fiend, or will Tokyo be forever at the mercy of the face-swapping phantom?

Uncle Al Capone epubli

This New York Times bestselling novel from acclaimed author Walter Dean Myers tells the story of Steve Harmon, a teenage boy in juvenile detention and on trial. Presented as a screenplay of Steve's own imagination, and peppered with journal entries, the book shows how one single decision can change our whole lives. Monster is a multi-award-winning, provocative coming-of-age story that was the first-ever Michael L. Printz Award recipient, an ALA Best Book, a Coretta Scott King Honor selection, and a National Book Award finalist. Monster is now a major motion picture called All Rise and starring Jennifer Hudson, Kelvin Harrison, Jr., Nas, and A\$AP Rocky. The late Walter Dean Myers was a National Ambassador for Young People's Literature, who was known for his commitment to realistically depicting kids from his hometown of Harlem.

Nineteen Eighty-Four Haymarket Books

INSTANT NEW YORK TIMES BESTSELLER An Amazon "Best Book of 2019" A Washington Post "10 Books To Read in July" A Los Angeles Times "Seven Highly Anticipated Books for Summer Reading" A USA Today "20 of the Season's Hottest New Books" A New York Post "25 Best Beach Reads of 2019 You Need to Pre-Order Now" A Bustle "The Best New True Crime Books You Can Read Right Now" "Maureen Callahan's deft reporting and stylish writing have created one of the all-time-great serial-killer books: sensitive, chilling, and completely impossible to put down." —Ada Calhoun, author of St. Marks Is Dead Ted Bundy. John Wayne Gacy. Jeffrey Dahmer. The names of notorious serial killers are usually well-known; they echo in the news and in public consciousness. But most people have never heard of Israel Keyes, one of the most ambitious and terrifying serial killers in modern history. The FBI considered his behavior unprecedented. Described by a prosecutor as "a force of pure evil," Keyes was a predator who struck all over the United States. He buried "kill kits"--cash, weapons, and body-disposal tools--in remote locations across the country. Over the course of fourteen years, Keyes would fly to a city, rent a car, and drive thousands of miles in order to use his kits. He would break into a stranger's house, abduct his victims in broad daylight, and kill and dispose of them in mere hours. And then he would return home to Alaska, resuming life as a quiet,

reliable construction worker devoted to his only daughter. When journalist Maureen Callahan first heard about Israel Keyes in 2012, she was captivated by how a killer of this magnitude could go undetected by law enforcement for over a decade. And so began a project that consumed her for the next several years--uncovering the true story behind how the FBI ultimately caught Israel Keyes, and trying to understand what it means for a killer like Keyes to exist. A killer who left a path of monstrous, randomly committed crimes in his wake--many of which remain unsolved to this day. *American Predator* is the ambitious culmination of years of interviews with key figures in law enforcement and in Keyes's life, and research uncovered from classified FBI files.

Callahan takes us on a journey into the chilling, nightmarish mind of a relentless killer, and to the limitations of traditional law enforcement.

[A Crime So Monstrous](#) Farrar, Straus and Giroux

A sobering exposé of the modern slave trade in more than a dozen countries worldwide is presented through a first-person narrative that describes the illicit brothels, slave quarries, and child markets of the world's human trafficking networks, in an account that also documents the current state of abolitionist efforts. 40,000 first printing.

The Historian Random House

An addictive debut thriller starring an FBI consultant with a peculiar taste for crime and punishment... A boy vanishes on his way home from school. His frantic mother receives a ransom call: pay or else. It's only hours before the deadline, and the police have no leads. Enter Timothy Blake, an FBI consultant with a knack for solving impossible cases but whose expertise comes at a price. Every time he saves a life, he takes one, trying to satisfy an urge he fears he can only control for so long. And this time Blake may have met his match. The kidnapper is more cunning and ruthless than any he's faced before. And he's been assigned a new partner within the Bureau: a woman linked to the past he's so desperate to forget. Because he has a secret, one so dark he will do anything to keep it hidden. For fans of *Dexter* and *Hannibal*, *Hangman* introduces a darkly mesmerizing character whose skill at finding criminals comes from a knowledge that can only be learned firsthand.

[A Crime So Monstrous](#) Univ of California Press

Murder and depravity are Police Commissioner Amédée Mallock's daily bread. As far as he is concerned, mankind has been thoroughly abandoned by God, and the visions that haunt him do nothing to disabuse him of this notion. But nothing he has encountered has prepared him for the sudden appearance of a serial killer dubbed "the Makeup Artist." The bodies of the killer's first victims, found in four separate neighborhoods of Paris, are monstrous works of art, baroque masterpieces of depravity, demented expressions of corrupted piety. These crimes are unprecedented in their ferocity and their intricacy, and the deeper Mallock investigates the greater the mysteries and the enigmas. There seems to be no tenable solution to this series of crimes behind which the devil himself seems to lurk. A supernatural and theological thriller, *The Faces of God* is superior fiction for fans of the TV series *True Detective* and of novels by writers such as Douglas Preston, Lincoln Child, and Dean Koontz.

Hangman Simon and Schuster

The New York Times bestselling author of *Every Dark Corner* returns to Baltimore, where a father-daughter reunion puts innocent victims in the sights of a stone-cold killer... Baltimore PI Clay Maynard routinely locates missing children for clients, but his own daughter—stolen by his ex-wife—has eluded him for years. Until she turns up right under his nose... Since she was a child Taylor Dawson believed the lie her mother told her: that her father was a monster. But now she

has a chance to get to know the real Clay while doing real work as an equine therapist, which includes helping two girls whose mother was brutally murdered. She might even find something deeper with her boss's handsome son, Ford Elkhart, whose eyes are so haunted. But just as Taylor feels her life opening up to new family, work, and friends, a danger lurks in the darkness—one that will show Taylor the face of true evil...

This is the revised edition, March 2015. The untold story from inside his family. Dramatic, unyielding, and provocative, *Uncle Al Capone* by Deirdre Marie Capone, Al Capone's grandniece, is a fascinating memoir and engaging biography. This moving, highly readable portrait of the Capone family and its mob trade examines what it has meant to survive the storied legacy of the family's forbearers. As Capone traces the arc of regret and what fuels the Capone myth, she finds redemption and a way to coexist with her legacy. In seventeen chapters with titles like "The Making of the Mafioso," "Trading the Chicago Outfit for the Chicago Cubs," and "The Saint Valentine's Day Truth," Capone outlines organized crime in Chicago and offers vignettes of American history during the early and mid-twentieth century. Using years of research and exhaustive interviews with her aunts, uncles, and cousins, she weaves an engaging anecdotal narrative of what it meant to be a Capone, what it meant to lose her father to suicide, and what it meant to have a mother who lived in constant fear. She offers compelling evidence that Al Capone was specifically targeted for prosecution by law enforcement agencies assisted by the media, which made gross exaggerations of her uncle's exploits and fueled a phenomenon of half-truths and utter falsehoods. From the family's roots in Angri, Italy to the author's ongoing investigations today, this debut offers a comprehensive and moving portrait of an iconic American family and one woman's efforts to make peace with the past.

The Case of the SMILEY FACE KILLERS Basic Books

Pimp-controlled sex workers, exploited migrants, domestic servants, and sex trafficking of runaway and homeless youth are just a few of the many forms of sex trafficking and labor trafficking going on all around the world—including in the United States. This book exposes both well-known and more obscure forms of human trafficking, documenting how these heinous crimes are encountered in our daily lives. • Exposes the tragic fact that human trafficking is likely going on in every city of the United States, often in legitimate industries, and that every American has worn, touched, or consumed goods produced with slave labor • Documents the shocking number of human trafficking forms, including sex trafficking of runaway and homeless youth, mail-order brides, forced labor and sex trafficking in massage parlors and nail salons, door-to-door solicitation crews, military sex tourism, child sex tourism, domestic servitude, gang-controlled sex trafficking, slavery in the chocolate and textile industries, and exploitation of undocumented migrants • Features a combination of direct experiences identifying and rescuing victims, interviews with convicted human traffickers, empirical research, and criminal case files • Lays out action items for the modern-day abolitionist movement to better prevent human trafficking victimization, as well as to protect survivors and prosecute offenders

Paradise Lost. Book 10 ReadHowYouWant.com

"Powerfully raw, deeply moving, and utterly authentic. Rachel Lloyd has turned a personal atrocity into triumph and is nothing less than a true hero.... Never again will you look at young girls on the street as one of 'those' women—you will only see little girls that are girls just like us." —Demi Moore, actress and activist With the power and verity of *First They Killed My Father* and *A Long Way Gone*, Rachel Lloyd's riveting survivor story is the true tale of her hard-won escape from the commercial sex industry and her bold founding of GEMS, New York City's Girls Education and Mentoring Service, to help countless other young girls escape "the life." Lloyd's unflinchingly honest memoir is a powerful and unforgettable story of inhuman abuse, enduring hope, and the promise of redemption.

[A Crime So Monstrous](#) Univ of California Press

New York Times bestselling author Maria Dahvana Headley presents a modern retelling of the literary classic *Beowulf*, set in American suburbia as two mothers—a housewife and a battle-hardened veteran—fight to protect those they love in *The Mere Wife*. From the perspective of those who live in Herot Hall, the suburb is a paradise. Picket fences divide buildings—high and gabled—and the community is entirely self-sustaining. Each house has its own fireplace, each fireplace is fitted with a container of lighter fluid, and outside—in lawns and on playgrounds—wildflowers seed themselves in neat rows. But for those who live surreptitiously along Herot Hall’s periphery, the subdivision is a fortress guarded by an intense network of gates, surveillance cameras, and motion-activated lights. For Willa, the wife of Roger Herot (heir of Herot Hall), life moves at a charmingly slow pace. She flits between mommy groups, playdates, cocktail hour, and dinner parties, always with her son, Dylan, in tow. Meanwhile, in a cave in the mountains just beyond the limits of Herot Hall lives Gren, short for Grendel, as well as his mother, Dana, a former soldier who gave birth as if by chance. Dana didn’t want Gren, didn’t plan Gren, and doesn’t know how she got Gren, but when she returned from war, there he was. When Gren, unaware of the borders erected to keep him at bay, ventures into Herot Hall and runs off with Dylan, Dana’s and Willa’s worlds collide.

A Crime So Monstrous Simon and Schuster

Odyssey Createspace Independent Publishing Platform

Slavery is illegal throughout the world, yet more than twenty-seven million people are still trapped in one of history's oldest social institutions. Kevin Bales's disturbing story of slavery today reaches from brick kilns in Pakistan and brothels in Thailand to the offices of multinational corporations. His investigation of conditions in Mauritania, Brazil, Thailand, Pakistan, and India reveals the tragic emergence of a "new slavery," one intricately linked to the global economy. The new slaves are not a long-term investment as was true with older forms of slavery, explains Bales. Instead, they are cheap, require little care, and are disposable. Three interrelated factors have helped create the new slavery. The enormous population explosion over the past three decades has flooded the world's labor markets with millions of impoverished, desperate people. The revolution of economic globalization and modernized agriculture has dispossessed poor farmers, making them and their families ready targets for enslavement. And rapid economic change in developing countries has bred corruption and violence, destroying social rules that might once have protected the most vulnerable individuals. Bales's vivid case studies present actual slaves, slaveholders, and public officials in well-drawn historical, geographical, and cultural contexts. He observes the complex economic relationships of modern slavery and is aware that liberation is a bitter victory for a child prostitute or a bonded miner if the result is starvation. Bales offers suggestions for combating the new slavery and provides examples of very positive results from organizations such as Anti-Slavery International, the Pastoral Land Commission in Brazil, and the Human Rights Commission in Pakistan. He also calls for researchers to follow the flow of raw materials and products from slave to marketplace in order to effectively target campaigns of "naming and shaming" corporations linked to slavery. *Disposable People* is the first book to point the way to abolishing slavery in today's global economy. All of the author's royalties from this book go to fund anti-slavery projects around the world.

Faces At The Bottom Of The Well Grand Central Publishing

In this riveting book, authors and authorities on modern slavery Kevin Bales and Ron Soodalter expose the disturbing phenomenon of human trafficking and slavery that exists now in the United States. In *The Slave Next Door* we find that these horrific human rights violations are all around us; people sold into slavery are often hidden in plain sight: the dishwasher in the kitchen of the neighborhood restaurant, the kids on the corner selling cheap trinkets, the man sweeping the floor

of the local department store. In these pages we also meet some unexpected modern-day slave owners, such as a 27-year old middle-class Texas housewife who is currently serving a life sentence for offences including slavery. Weaving together a wealth of voices—from slaves, slaveholders, and traffickers as well as from experts, counselors, law enforcement officers, rescue and support groups, and community leaders—this book is also a call to action, telling what we, as private citizens and political activists, can do to raise community awareness, hold politicians accountable, and finally bring an end to this horrific and traumatic crime.

A Crime So Monstrous Springer

#1 NATIONAL BESTSELLER #1 INTERNATIONAL BESTSELLER What does everyone in the modern world need to know? Renowned psychologist Jordan B. Peterson's answer to this most difficult of questions uniquely combines the hard-won truths of ancient tradition with the stunning revelations of cutting-edge scientific research. Humorous, surprising and informative, Dr. Peterson tells us why skateboarding boys and girls must be left alone, what terrible fate awaits those who criticize too easily, and why you should always pet a cat when you meet one on the street. What does the nervous system of the lowly lobster have to tell us about standing up straight (with our shoulders back) and about success in life? Why did ancient Egyptians worship the capacity to pay careful attention as the highest of gods? What dreadful paths do people tread when they become resentful, arrogant and vengeful? Dr. Peterson journeys broadly, discussing discipline, freedom, adventure and responsibility, distilling the world's wisdom into 12 practical and profound rules for life. *12 Rules for Life* shatters the modern commonplaces of science, faith and human nature, while transforming and ennobling the mind and spirit of its readers.

The Slave Next Door Booksurge Llc

Winner of Japan's Grand Prix for Crime Fiction • Edgar Award Finalist • Nothing in Japanese literature prepares us for the stark, tension-filled, plot-driven realism of Natsuo Kirino’s award-winning literary mystery *Out*. This mesmerizing novel tells the story of a brutal murder in the staid Tokyo suburbs, as a young mother who works the night shift making boxed lunches strangles her abusive husband and then seeks the help of her coworkers to dispose of the body and cover up her crime. The coolly intelligent Masako emerges as the plot’s ringleader, but quickly discovers that this killing is merely the beginning, as it leads to a terrifying foray into the violent underbelly of Japanese society. At once a masterpiece of literary suspense and pitch-black comedy of gender warfare, *Out* is also a moving evocation of the pressures and prejudices that drive women to extreme deeds, and the friendships that bolster them in the aftermath.
