O.K., as a source to locate some Christian fiction authors, A Cup of Cozy, was a success, and I appreciate that. That said, as something to enjoy reading -- not so much. The full short stories in the front were O.K., but then to make my way thru a single chapter of several other books seemed torturous.

I have a rather large book shelf dedicated for my "to be read" mountain of books. I should spend more time reading and less time accumulating and organizing my favorite cozy mystery book authors! Recently, I have seen other people browsing in bookstores using lists to help them decide which books to purchase.

I don't know about you, but when the weather starts getting colder, I start reaching for my cozy reads. Don't be mislead – that doesn't mean that the stories are always

happy! To me, a cozy read is a book that makes me think of cold weather and snuggling under a blanket in front of a fire.
