A History of Pizza | History Today  
Love this book. A very engaging look at food through the ages in a light hearted but informative style. A great present for almost anyone with even a passing interest in the origins of English food heritage.  
[A Curious History of Food and Drink by Crofton, Ian \(2013 ...](#)  
But it was tourism — facilitated by the declining cost of travel in the postwar period — that really consolidated pizza ’ s position as a truly Italian dish. As tourists became increasingly curious about Italian food, restaurants throughout the peninsula started offering more regional specialties — including pizza.
