But it was tourism – facilitated by the declining cost of travel in the postwar period – that really consolidated pizza’s position as a truly Italian dish. As tourists became

increasingly curious about Italian food, restaurants throughout the peninsula started offering more regional specialties – including pizza.

A Curious History of Food and Drink by Crofton, Ian ...

Love this book. A very engaging look at food through the ages in a light hearted but informative style. A great present for almost anyone with

even a passing interest in the origins of English food heritage.
