Sometimes the enemies closer to home are the ones you have to watch out for. Hudson's world is rocked on its axis when Mia is kidnapped. With a list of enemies a mile long, and barely any clues off where to start, Hudson's got to figure out who's brazen enough to take the one he loves. As secrets are exposed and lies come to the surface, there's only one thing that is certain: Hudson will go to any lengths to have her safe in his arms again. Will he be able to find

Mia before the time runs out or will the Kingpin bathe the streets with blood in vain?  
Dangerous Love (Sweet Valley High #6) St. Martin's Paperbacks

The relationships between female sex workers and their noncommercial male partners are often assumed to be coercive and anchored in risk, dismissed as “pimp-prostitute” arrangements by researchers and the general public alike. Yet, these stereotypes unjustly erase the complexity of lives we imagine to be consumed by

social suffering. Dangerous Love centers a framework of love to rethink sex workers' intimate relationships as commitments to collective solidarity and survival in contexts of oppression. Combining epidemiological research and ethnographic fieldwork in Tijuana, Mexico, Jennifer Leigh Syvertsen examines how individuals try to find love and meaning in lives marked by structural violence, social marginalization, drug addiction, and HIV/AIDS. Linking the political economy

---

of inequalities along the border with emotional lived experience, this book explores how intimate relationships become dangerous safe havens that fundamentally shape both partners' well-being. Through these stories, we are urged to reimagine the socially transformative power of love to carve new pathways to health equity.

changed. There wasn't

a lot that surprised me. My years in the Navy taught me a lot, my years hunting human traffickers taught me the rest. Meeting a beautiful woman in a bar and spending the night with her should've been a blip on my radar. Instead, I spent years trying to forget her. In the middle of a rescue operation, fate dropped her back into my life, but there was a twist--she wasn't alone. I lived and breathed romance. I was a true believer in love

-at-first-sight-happily-ever-afters. Then I found myself staring at a sexy stranger across a crowded bar, fell in love, and spent six hours living out my wildest fantasies. But I ran when I learned love at first sight stole your breath and left you afraid of a broken heart. Brooklyn Saunders has a secret to tell. One that will change everything for Rhode. One that will bind them together or separate them forever. Rhode Daley has one shot at building the

High school is hard, but for Hannah Prescott it has become unbearable. She has an overzealous admirer whose advances have gone from challenging to terrifying. There is only one solution: Nikolai Ivanov. Nikolai, with his

tendency towards violence and connections to the Russian mob, is exactly who Hannah needs to keep herself safe. Now she has to convince the scariest guy she knows to be her fake boyfriend. Nikolai Ivanov has had no use for relationships, seeing how brutally they can be dispatched. When Hannah approaches him, he is initially dismissive. However, witnessing her distress and fear pulls him at ways he doesn't want to admit. He agrees to

Hannah's charade, but is determined to keep it impersonal. At first. Against his will, all of his protective instincts are triggered and while he wants to create distance between himself and Hannah, he can't keep his hands off of her. Nikolai's father creates more problems when Hannah and her younger sister are threatened in attempt to control Nikolai. Can Nikolai keep Hannah and her sister safe while admitting how important

"A tightly coiled story of obsession and crime that plays out in an era of lawlessness"  
Terry-Ann Adams, author of *Those Who Live in Cages*  
A Dangerous Love is an exhilarating, true love story that plays out in the chaos and lawlessness of the political turmoil

that was South Africa in the late 80s and early 90s. The mayhem and desperation of a country whose social fabric is unravelling is mirrored in Karen Daniels's own life, and hers is an up-close-and-personal account of life as a young woman of colour in the anarchy of early post-apartheid South Africa. Karen

---

Daniels was only 21 when she met Martin, a mysterious, dangerous man who, at 22 years of age, had the world at his feet. Captivated by this man, she was soon caught up in a love affair that turned into obsession and violence. Gutsy and charming, Martin wasn't born into a life of crime and drugs, but his greed and passion soon pulled him into the underworld and he was overcome by a darkness he could not escape. Hold your breath as Karen takes you with her on a roller-coaster ride into an abyss of armed heists, crime, and violent abuse. Her story shows how having such intense and conflicting emotions for a man - loving him and being petrified of him - is only a few heartbeats away from hate. Karen's eventual escape from this life is a success story that has taken her to the heights of the corporate world, and encouraged her to become an advocate for human rights and women empowerment. Her story is one of human resilience,

---

courage and determination. It offers hope to those struggling to break free from their circumstances, and will inspire anyone who wants to live their best life and go from surviving to thriving.

comes a thrilling, sexy romance about a woman in danger and a small-town police detective who will do anything to keep her safe. After a sudden tragedy blew her world apart, Peyton Kerr fled her big city career and started over in Stoney Creek, Maine. So far, she's loving small-town life--no one knows about her

past, and her easy flirtation with Boone Knight gives her a reason to smile. But then someone is murdered in Peyton's store, and her quiet, anonymous existence is instantly destroyed. To make matters worse, Boone--a police detective--is assigned to the case, and Peyton knows she can't keep him at arm's

---

length any longer. She's resisted the simmering heat between them--but now this gorgeous man is promising to keep her safe--and satisfied... Boone Knight doesn't want the complications of a relationship. But when he volunteers to protect his town's newest--and sexiest--resident, he finally admits he'd like to explore their sizzling attraction. And after one incredible night, everything changes for Boone. Peyton is sweeter--and braver--than anyone he's ever met, and with her in his arms, everything makes sense. He just needs to convince her to trust him enough to reveal her secrets, or risk losing her to a merciless killer who seems to grow bolder with each passing day.

This book examines  
the influence of  
John Marston,  
typically seen as a  
minor figure among  
early modern  
dramatists, on his  
colleague Ben  
Jonson. While  
Marston is usually  
famed more for his

very public rivalry  
with Jonson than  
for the quality of  
his plays, this  
book argues that  
such a view of  
Marston seriously  
underestimates his  
importance to the  
theatre of his  
time. In it, the  
author contends  
that Marston's  
plays represent an  
experiment in a new  
kind of satiric  
drama, with origins  
in the humanist

---

tradition of serio ludere. His works—deliberately unpredictable, inconsistent and metatheatrical—subvert theatrical conventions and provide confusingly multiple perspectives on the action, forcing their spectators to engage actively with the drama and the moral dilemmas that it presents. The book argues

that Marston's work thus anticipates and perhaps influenced the mid-period work of Ben Jonson, in plays such as *Sejanus*, *Volpone* and *The Alchemist*.

Stars Top Pick It's been two years since Johnny Mayfield's murder rocked Amber, Alabama. His death, along with the illicit personal scandals that preceded it, created more drama than the town had ever seen. But now life is back to normal, at least for his widow, Geneva. Or so it seems. Happily remarried, Geneva has to admit her life is better than ever. Her upscale salon is thriving, and she finally has the baby she always wanted. But

---

when Vivana Jackson, Johnny's ex-lover and the woman convicted of killing him, starts stirring up drama by claiming she's been framed, it causes Geneva to question many things—including who really killed Johnny. Add local gossip columnist Shartell Brown and tell-it-like-it-is Donetta Pierce to the mix, and soon vicious rumors, terrifying threats, and long held secrets may add up to another shocking murder—one that will rival even

Johnny Mayfield's. "Readers will enjoy the twist and turns in Hickman's tale, which has a definite soap opera vibe. insecurities and to build a relationship of trust with her new partner. He's the one man she thought she'd never see again. A man who once held her happiness and then took it with him when he left, Brayden Falcone. Years after suffering a significant loss, Jay remains guarded. The pain of getting hurt still haunts her. She holds a secret so great, it eats away at her happiness. She
