When Kate Lock first met Tim Franklin she was a naive undergraduate, and he was a charismatic mature student. One night in the pub he casually revealed that he was a 'lifer'. A domestic dispute had taken a tragic turn, an accidental death, he said. It was the start of an explosive relationship which began in passionate union and ended in emotional cruelty. But it was only when Kate tried to leave him that she discovered how potentially dangerous he really was. And only when he died, leaving her a legacy of murder to investigate, did she understand the Machiavellian deception of the man and the pathological pattern of his love. *Dangerous Love* is a stunning memoir of a true romance that became a living nightmare, and ended with the discovery of a Christie-style murder that rocked the North.

"A tightly coiled story of obsession and crime that plays out in an era of lawlessness" Terry-Ann Adams, author of *Those Who Live in Cages* *A Dangerous Love* is an exhilarating, true love story that plays out in the chaos and lawlessness of the political turmoil that was South Africa in the late 80s and early 90s. The mayhem and desperation of a country whose social fabric is unravelling is mirrored in Karen Daniels's own life, and hers is an up-close-and-personal account of life as a young woman of colour in the anarchy of early post-apartheid South Africa. Karen Daniels was only 21 when she met Martin, a mysterious, dangerous man who, at 22 years of age, had the world at his feet. Captivated by this man, she was soon caught up in a love affair that turned into obsession and violence. Gutsy and charming, Martin wasn't born into a life of crime and drugs, but his greed and passion soon pulled him into the underworld and he was overcome by a darkness he could not escape. Hold your breath as Karen takes you with her on a roller-coaster ride into an abyss of armed heists, crime, and violent abuse. Her story shows how having such intense and conflicting emotions for a man - loving him and being petrified of him - is only a few heartbeats away from hate. Karen's eventual escape from this life is a success story that has taken her to the heights of the corporate world, and encouraged her to become an advocate for human rights and women empowerment. Her story is one of human resilience, courage and determination. It offers hope to those struggling to break free from their circumstances, and will inspire anyone who wants to live their best life and go from surviving to thriving.

A Dangerous Love Universitat de Lleida Just friends. I ' d repeated the lie so many times I ' d almost convinced myself it was the truth. Our friendship was accidental. A lost phone, a string of text messages that led to a once-a-year birthday text. The real trouble started when we upped the game and called each other. Those phone calls strengthened our connection and solidified our bond. Fourteen years later I was in love with a man who knew me down to the deepest depths of my soul—but I ' d never seen him, not even a picture. That was our deal; no last names, no pictures, and the promise to never internet search the other. I upheld that promise. River did not. I was not prepared for the man who showed up at my bookstore. River Kent was tall—so damn tall, good-looking, so damn hot he took my breath, crystal blue eyes, so damn captivating I couldn ' t look away. But mostly he was a bossy, straightforward, tell-no-lies type of man. Which didn ' t work for me since I ' d been lying through my teeth for years denying my true feelings. More than that, I was not prepared to face River months after my sister had been murdered. I wasn ' t ready to deal with the knowledge that she was gone and in the weeks leading up to her death I ' d turned my back on her. The guilt was eating at me. River wasn ' t prepared to take no for an answer. Chaos and confusion had taken over my life. And to make matters worse, I found myself in the middle of a horrific child trafficking case. Okay, to be fair, I didn ' t find myself there, I ' d purposefully inserted myself into the TAKEBACK investigation. And since I ' d volunteered to go undercover, River did more than insert himself—he took over and declared himself my protector. Did I mention I

was madly, deeply in love with him? Did I mention he was the man of my dreams? Did I mention River thought going undercover was dangerous, crazy, and not a good idea? Turns out River was right and just when all of my wildest dreams had come true they were torn away and I was left in shambles.

Ray Norman spent most of his life living in far-flung corners of the globe, working on long-term development projects and living out his calling as a Christian professional. By the time he arrived in the Islamic Republic of Mauritania around the turn of the millennium, he was veteran of life as an expat, at home in countries and cultures not his own. But in 2001, the world was about to change—and so was Ray's life. In the aftermath of 9/11—a time when tensions between Muslim and Western culture were peaking—Ray and his daughter, Hannah, made the short drive from their home to the Mauritanian beach. But instead of spending the afternoon enjoying the waves and the water, father and daughter found themselves hurtling back to the city, each with a bullet-hole pumping blood into the floorboards of their jeep. Dangerous Love is an account of the Normans' brush with violent extremism—and of the family's unexpected return to Mauritania in the face of terrifying risks. This is the story of a call that could not be denied and of a family's refusal to give up on love.

A Dangerous Love Hackett Publishing

"The Dangerous Lover takes seriously the ubiquity of the brooding romantic hero - his dark past, his remorseful and rebellious exile from comfortable everyday living. Deborah Lutz traces the recent history of this figure, through the melancholy iconoclasm of the Romantics, the lost soul redeemed by love of the Brontes, and the tormented individualism of twentieth-century love narratives. The Dangerous Lover is the first book-length study of this pervasive literary hero; it also challenges the tendency of sophisticated philosophical readings of popular narratives and culture to focus on male-coded genres. In its conjunction of high and low literary forms, this volume explores new historical and cultural framings for female-coded popular narratives."--BOOK JACKET.
