A Darker Place, published in the UK as The Birth of a New Moon (1999). A Darker

March, 27 2023

Place describes how Professor Anne cuts her hair, Anne Waverly is persuaded by FBI agent Glen McCarthy to investigate Change, a religious community in the Arizona desert, that looks as though it has the seeds of dangerous fervour. She assumes the identity of Ana Wakefield, and slowly she works her way into the life of the community, where she meets two children, one of whom reminds her strongly of her own daughter Abby who had died ...

A Darker Place by Laurie R. King - Goodreads

changes her name, and gradually loses herself in her new role as a member of Change. But her investigation soon becomes a journey into her own psyche, into the dark places of her past, as she sees her own life played out again in the members of the cult. --Patrick O'Kelley.

A Darker Place Anne Waverly

Anne Waverley is a person for whom the two aspects of religion—the academic and the personal—converge. Her fascination with that juncture

at which religious extremism either goes off the rails or turns towards religious conservatism has brought her to the attention of those whose jobs are to maintain the peace.
