Every Moment Holy, Volume Two

McClelland & Stewart

An instant classic and eerily prescient cultural phenomenon, from "the patron saint of feminist dystopian fiction" (New York Times). Now an award-winning Hulu series starring Elizabeth Moss. In this multi-award-winning, bestselling novel, Margaret Atwood has created a stunning Orwellian vision of the near future. This is the story of Offred, one of the unfortunate "Handmaids" under the new social order

who have only one purpose: to breed. In Gilead, where women are prohibited from holding jobs, reading, and forming friendships, Offred's persistent memories of life in the "time before" and her will to survive are acts of rebellion. Provocative, startling, prophetic, and with Margaret Atwood's devastating irony, wit, and acute perceptive powers in full force, *The Handmaid's Tale* is at once a mordant satire and a dire warning.

The Prayers of Kierkegaard Harvest House Publishers

This work not only supplies the faithful with a

number of very beautiful prayers to the Holy Ghost, it also brings to their notice and stresses a very important dogmatic truth. The prayers reveal the universal activity of the Holy Ghost in the life of the Christian. By what in theology is called "the law of appropriation," the effective agency in the economy of redemption is attributed to the Third Divine Person. That this appropriation is not the indulgence of mere poetic fancy on the part of the theologian is made manifest by the words of our Divine Saviour, at the close of the Last Supper. It goes without saying that there is an indivisible oneness in all the activities of the Divine Nature, as exercised outside the circle of the Divine Life proper. Yet the utter distinction of the Divine Persons from one another is a truth on the same level as the absolute oneness of the Divine Nature which each possesses in its fullness. The Second Person alone became incarnate. Neither the Father nor the Holy Ghost took flesh. On the Son alone, through the humanity He assumed devolved the role of cancelling out sin and meriting redemption for mankind. His part in this divine drama ended, in a certain sense, with His ascension into heaven. The Third Divine Person then appears on the stage as the chief protagonist in all the succeeding scenes which have their denouement in eternity. He carries out the work of redemption by forming the souls of men to the life, won for them by Christ: He had inaugurated the work of redemption by forming Christ Himself in the womb of Mary. All this is adumbrated in the Saviour's parting words to His apostles on the

---

eve of His death. He intimated to them that, in a mysterious manner, His own part in their supernatural formation was drawing to a close, and that His place in that work was to pass to another. As the Word of God, that is the Living Expression of what God is, it had been for Him to reveal God and God's mind. He had spent three years developing for them and for others the divine message. He had spoken clearly: men heard His words: but their souls did not lay hold of the implications of what He had said to them. The apostles caught the terms but missed the meaning of the sentences which were woven of these terms. Jesus says so explicitly: what is more He implies that it could not but be so. "I have yet many things to say to you, but you cannot bear them now. But when he, the Spirit of truth, is come, he will teach YOU the truth. The Holy Ghost will teach you all things and bring all things to your mind, whatsoever I shall have said to you." (St. John XVI. 12, 13, and XIV. 26). Christ's exposition of Divine Truth was but part of a whole process. He revealed: it belonged to Another to carry that supernatural doctrine into the very spirit of men and to cause the intelligence to be illuminated by it. The apprehension of Christ's meaning which was to come only after Christ's exaltation is to be due entirely to the active intervention of the Third Divine Person. Not only does the Holy Spirit enlighten the mind, He, as well, strengthens the will, so that it does not falter in face of the rude discipline of life that becomes of obligation on the apprehension of the Divine Truths. The moral code of Jesus is the

---

logical consequence of the lofty status which He reveals as the condition of man when redeemed. Noblesse oblige. Born of water and the Holy Ghost, the Christian is an adopted child of God and co-heir with Christ. His actions must, of moral necessity, be stamped with the dignity that is his. But no external teaching, no stirring exhortation, will suffice to enable the Christian to play worthily the part that has been assigned to him. There is needed for this a divine energy working from within. The Holy Spirit imparts this divine energy. The Passion generated the exhaustless reservoirs of the divine power. The Holy Ghost engineers the connections between these reservoirs and the soul of man.

"I would like to write a beautiful prayer," writes the young Flannery O'Connor in this deeply spiritual journal, recently discovered among her papers in Georgia. "There is a whole sensible world around me that I should be able to turn to Your praise." Written between 1946 and 1947 while O'Connor was a student far from home at the University of Iowa, *A Prayer Journal* is a rare portal into the interior life of the great writer. Not only does it map O'Connor's singular relationship with the divine, but it shows how entwined her literary desire was with her yearning for God. "I must write down that I am to be an artist. Not in the sense of aesthetic frippery but in the sense of aesthetic craftsmanship; otherwise I will feel my loneliness continually . . . I do not want to be lonely all my life but people only make us lonelier by reminding us of God. Dear God please help me to be an artist, please let it lead to You."

O'Connor could not be more plain about her literary ambition: "Please help me dear God to be a good writer and to get something else accepted," she writes. Yet she struggles with any trace of self-regard: "Don't let me ever think, dear God, that I was anything but the instrument for Your story." As W. A. Sessions, who knew O'Connor, writes in his introduction, it was no coincidence that she began writing the stories that would become her first novel, *Wise Blood*, during the years when she wrote these singularly imaginative Christian meditations. Including a facsimile of the entire journal in O'Connor's own hand, *A Prayer Journal* is the record of a brilliant young woman's coming-of-age, a cry from the heart for love, grace, and art.

President's Edition BroadStreet Publishing Group LLC

Pete Greig, the acclaimed author of *Red Moon Rising*, has written his most intensely personal and honest account yet in *God on Mute*, a book born out of his wife Samie's fight for her life and diagnosis of a debilitating brain tumor. Greig asks the timeless questions of what it means to suffer and to pray and to suffer through the silence because your prayers seem unanswered. This silence, Greig relates, is the hardest thing. The world collapses. Then all goes quiet. Words can't explain, don't fit, won't work. People avoid you and don't know what to say. So you turn to Him and you pray. You need Him more than ever before. But somehow . . . even God Himself seems on mute. In this heart-searching, honest, and deeply profound book, Pete Greig looks at

the hard side of prayer, how to respond when there seem to be no answers, and how to cope with those who seek to interpret our experience for us. Here is a story of faith, hope, and love beyond all understanding.

A Diary of Private Prayer Oxford University Press  
An alternative, uniquely Christian response to the

growing global challenges of deep religious difference In the last fifty years, millions of Muslims have migrated to Europe and North America. Their arrival has ignited a series of fierce public debates on both sides of the Atlantic about religious freedom and tolerance, terrorism and security, gender and race, and much more. How can Christians best respond to this situation? In this book theologian and ethicist Matthew Kaemingk offers a thought-provoking Christian perspective on the growing debates over Muslim presence in the West. Rejecting both fearful nationalism and romantic multiculturalism, Kaemingk makes the case for a third way—a Christian pluralism that is committed to both the historic Christian faith and the public rights, dignity, and freedom of Islam.

## Living Your Strengths Farrar, Straus and Giroux

The strength of Puritan character and life lay in prayer and meditation. In this practice the spirit of prayer was regarded as of first importance and the best form of prayer, for living prayer is the characteristic of genuine spirituality. Yet prayer is also vocal and may therefore on occasions be written.

Consequently in the Puritan tradition there are many written prayers and meditations which constitute an important corpus of inspiring devotional literature. Too often extempore prayer lacks variety, order and definiteness. The reason for this lies partly in a neglect of due preparation. It is here that the care and scriptural thoroughness which others found necessary in their approach to God

---

may be of help. This book has been prepared not to 'supply' prayers but to prompt and encourage the Christian as he treads the path on which others have gone before.

Simon and Schuster

Whether you 've been a couple who has prayed together for many years or this is your first prayer devotional, inspiration is waiting for you in the daily prayers written here. Ultimately, prayer is a conversation with God. You don 't need to use fancy words or recite long passages of Scripture. Just talk to God. Open your heart. He adores you, and he 's listening to every word you say. Some days your prayers may be filled with gratitude, some days with repentance, and some with need. Just lay your heart and your prayers at the Father 's feet and wait for his powerful response. Be blessed as you connect daily with God and each other.
