The Dolls' House A Doll's House and Other Plays

The book discusses responses to Ibsen, especially those of George Bernard Shaw and William Archer in London, and the relationship of the play to issues of

theatrical censorship. (More modern treatments, like the remarkable ones by Ingmar Bergman and by Fassbinder, are also covered.) The character of Nora leads into a discussion of feminism, and her relationship with Torvald and the performance of the crucial tarantella is sensitively discussed.

Coraline Samuel French Incorporated Plays

At the end of Henrik Ibsen's play A Doll's House, Nora Helmer walks away from her family and comfortable life. It is 1879, late on a winter's night in Norway. She's alone, with little money and few legal rights.

Guided by instinct and sustained by will, Nora sets off on a journey that impoverishes and radicalizes her, then strands her on the harsh Minnesota prairie. She's searching for love, purpose, and her true self, but struggles to be honest in a hostile world. Meanwhile, in 1918, a young university student tries to

escape her family's bourgeois conformity as she unravels her grandfather's hidden shame and the fate of a shadowy feminist who vanished years earlier. With this inventive work of historical fiction, Swallow answers a question that has dogged theater audiences for *A Doll's House*: whatever happened to Nora Helmer? Masterfully crafted and painstakingly researched, the twin story lines of *Searching for Nora* combine to tell a powerful tale of redemption as they unfold over four decades in the fjords of Norway and the unforgiving American frontier. AUTHOR BIOGRAPHY: Wendy Swallow

writes about women's challenges, now and in the tender past. A memoirist, journalist and professor, Swallow spent ten years working on *Searching for Nora*, traveling to Norway to interview Ibsen scholars and Norwegian historians, and driving across western Minnesota to hear the stories of immigrant grandparents and experience the wide, empty land. She is also the author of *Breaking Apart: A Memoir of Divorce* (Hyperion/Thea) and *The Triumph of Love over Experience: A Memoir of Remarriage* (Hyperion). Her work has been critically

acclaimed by Publishers Weekly, Elle, Booklist, Newsday, and The Washington Post, among others, and reprinted in many magazines. She and her husband divide their time between Reno, Nevada, and Cape Cod, Massachusetts. AUTHOR HOME: Reno, NV
B T Batsford Limited
Enter the lush world of 1950s New York City, where a generation of aspiring models, secretaries, and editors live side by side in the glamorous Barbizon Hotel for Women while attempting to claw their way

to fairy-tale success in this debut novel from the New York Times bestselling author of *The Lions of Fifth Avenue*. “Rich both in twists and period detail, this tale of big-city ambition is impossible to put down.”—People

When she arrives at the famed Barbizon Hotel in 1952, secretarial school enrollment in hand, Darby McLaughlin is everything her modeling agency hall mates aren't: plain, self-conscious, homesick, and utterly convinced she doesn't belong—a notion the models do nothing to disabuse. Yet when Darby befriends Esme, a Barbizon maid, she's introduced to an entirely new side of New York City: seedy downtown jazz clubs where the music is as addictive as the heroin that's used there, the startling sounds of bebop, and even the possibility of romance. Over half a century later, the Barbizon's gone condo and most of its long-ago guests are forgotten. But rumors of Darby's involvement in a deadly skirmish with a hotel maid back in 1952 haunt the halls of the building as surely as the melancholy music that floats from the elderly woman's rent-controlled apartment. It's a combination too intoxicating for journalist Rose Lewin, Darby's upstairs neighbor, to resist—not to mention the perfect distraction from her own imploding personal life. Yet as Rose's obsession deepens, the ethics of her investigation become increasingly murky, and neither woman will remain unchanged when the shocking truth is finally

revealed.

The activities, sorrows, and joys of a family of dolls living in an old doll house are related from the dolls' point of view.

Hedda Gabler and Other Plays Pan Macmillan

Tottie is a loving little wooden doll who lives with her family in a shoebox. The doll family is owned by two sisters, Emily and Charlotte, and they are very happy, except for one thing: they long for a proper home. To their delight, their wish

comes true when Emily and Charlotte fix up a Victorian dolls' house - just for them. It's perfect. But then a new arrival starts to wreak havoc in the dolls' house. For Marchpane might be a wonderfully beautiful doll, but she is also terribly cruel. And she always gets her own way . . . First published in 1947, Rumer Godden's classic *The Dolls' House* has been delighting children for years, and this beautiful edition, illustrated by Jane Ray, will delight future generations for years to

come.

A Doll's House (Global Classics)

Penguin

When a young girl ventures through a hidden door, she finds another life with shocking similarities to her own. Coraline has moved to a new house with her parents and she is fascinated by the fact that their 'house' is in fact only half a house! Divided into flats years before, there is a brick wall behind a door where once there was a corridor. One day it is a corridor again and the intrepid Coraline wanders down it. And so a nightmare-ish mystery begins that takes Coraline into the arms of counterfeit parents and a life that isn't quite right. Can Coraline get

out? Can she find her real parents? Will life ever be the same again? *Four Major Plays* Tebbo Secrets. Lies. Love. Lust. Betrayal. Freedom. Experience one of the most iconic plays of all time in this brand-new adaptation of Henrik Ibsen's classic play *A Doll's House*. Nora Helmer is a typical upper middle-class housewife living an exquisitely divine life, as she would say. But there's much more below the surface than she's willing to let on! When an old friend shows up unexpectedly on Christmas

Eve, it sets off a chain of events that, over the course of three days, changes Nora's life forever. While this is more of an adaptation than a literal translation, Henrik Ibsen wrote that "I consider it most important that the dialogue in the translations be kept as close to ordinary, everyday speech as possible...I believe that a translator should employ the style which the original author would have used if he had written in the language of those who are to read him in translation." This

adaptation honors Ibsen's original dialogue and intentions (many of which had been lost in translation) while also making the dialogue sound like it was meant for actors today instead of the Victorian-era. Keep in mind that Ibsen had always intended for this play to be set in the present, not the past. How can we do that when the circumstances of the play are so rooted in the time in which the play was written? We can't set it in the present day because the characters wouldn't behave

this way in the present. However, if we set the language in the present day while keeping everything else in the past, the circumstances of the play will work while also feeling like it belongs "in the present." *The Doll's House and Other Stories* Xist Publishing Ibsen's 1879 play shocked its first audiences with its radical insights into the social roles of husband and wife. His portrayal of the caged 'songbird' in his flawed heroine Nora remains one of the most striking dramatic depictions of

the late 19th century woman. This revised edition contains introductory commentary and notes by Sophie Duncan, which offer a contemporary lens on the play's gender politics and consider seminal productions of the play into the 21st century. METHUEN DRAMA STUDENT EDITIONS are expertly annotated texts of a wide range of plays from the modern and classic repertoires. As well as the complete text of the play itself, this volume contains: · A chronology of the play and the playwright's life and work · an introductory discussion of the social,

political, cultural and economic context in which the play was originally conceived and created · a succinct overview of the creation processes followed and subsequent performance history of the piece · an analysis of, and commentary on, some of the major themes and specific issues addressed by the text · a bibliography of suggested primary and secondary materials for further study.

A Doll's House Cambridge University Press

M. R. James was born in Kent, England in 1862. James came to writing fiction relatively

late, not publishing his first collection of short stories – *Ghost Stories of an Antiquary* (1904) – until the age of 42. Modern scholars now see James as having redefined the ghost story for the 20th century and he is seen as the founder of the 'antiquarian ghost story'. We are republishing these classic works in affordable, high quality, modern editions with a brand new introductory biography of the author.

The Dolls' House Penguin
“Smart, funny and utterly engrossing... This unexpectedly rich sequel reminds us that houses tremble and sometimes

fall when doors slam, and that there are living people within, who may be wounded or lost... Mr. Hnath has a deft hand for combining incongruous elements to illuminating ends.”
—Ben Brantley, *New York Times*
It has been fifteen years since Nora Helmer slammed the door on her stifling domestic life, when a knock comes at that same door. It is Nora, and she has returned with an urgent request. What will her sudden return mean to those she left behind? Lucas Hnath’s funny, probing, and bold play is both a continuation of Ibsen’s complex exploration of

traditional gender roles, as well as a sharp contemporary take on the struggles inherent in all human relationships across time.

The Haunted Dolls' House
(*Fantasy and Horror Classics*)
Penguin Classics

A Doll's House is one of Henrik Ibsen's most famous plays. It is the story of Nora Helmer who has secretly borrowed a large sum of money to help her husband recover from a serious illness, sometime prior to the beginning of the play. Nora who has borrowed this money by forging her father's signature soon fears that her secret will be discovered when her husband, Torvald,

becomes director of the bank and fires an associate, Nils Krogstad, who knows of Nora's transgression. When Krogstad threatens to reveal Nora's secret, she begs her husband not to reinstate him, however, he refuses. The tension that arises in Nora and Torvald's marriage ultimately comes to a head when Torvald finally learns of the forgery. A gripping drama about a failing, loveless marriage, "A Doll's House" was very controversial when it debuted, because of its critical attitude toward 19th-century marriage norms. Ibsen himself believed that the male dominated society of the 19th-century society failed to allow women to truly be themselves,

and thus advocated, through his work, for an advancement of women's rights. This edition is part of 'Global Classics' series. *A Doll's House* Independently Published
Four plays by Henrik Ibsen: *A Doll's House*, *Ghosts*, *Hedda Gabler* and *the Master Builder*. *A Doll's House* Read Books Ltd
Four of Ibsen's most important plays in superb modern translations, part of the new Penguin Ibsen series. With her assertion that she is "first and foremost a human being," rather than a wife, mother or fragile doll, Nora Helmer sent shockwaves throughout Europe

when she appeared in Henrik Ibsen's greatest and most famous play, *A Doll's House*. Ibsen's follow-up, *Ghosts*, was no less radical, with its unrelenting investigation into religious hypocrisy, family secrets, and sexual double-dealing. These two masterpieces are accompanied here by *The Pillars of Society* and *An Enemy of the People*, both exploring the tensions and dark compromises at the heart of society.

Henrik Ibsen: A Dolls House
Penguin Classics
Ibsen's classic play about the struggle between

independence and security still resonates with readers and audience members today. Often hailed as an early feminist work, the story of *Nora and Torvald* rises above simple gender issues to ask the bigger question: "To what extent have we sacrificed ourselves for the sake of social customs and to protect what we think is love?" *Nora's* struggle and ultimate realizations about her life invite all of us to examine our own lives and find the many ways we have made ourselves dolls and

playthings in the hands of forces we believe to be beyond our control. One of the best-known, most frequently performed of modern plays, displaying Ibsen's genius for realistic prose drama. A classic expression of women's rights, the play builds to a climax in which the central character, *Nora*, rejects a smothering marriage and life in 'a doll's house.'

The Lady from the Sea Guild of Master Craftsmen Publications Limited
When *A Doll's House* was first published in 1879 it created a

sensation. The play follows the ordinary life of a housewife. Gradually the tensions within her marriage become clear and build to a final, stunning action. The play is widely studied because of its sharp critique of 19th century marriage norms, and its feminist tendencies.

A Doll's House Humanities-Ebooks

Norwegian-born Henrik Ibsen's classic play about the struggle between independence and security still resonates with readers and audience members today. Often hailed as an early feminist work, the

story of Nora and Torvald rises above simple gender issues to ask the bigger question: To what extent have we sacrificed our selves for the sake of social customs and to protect what we think is love? Nora's struggle and ultimate realizations about her life invite all of us to examine our own lives and find the many ways we have made ourselves dolls and playthings in the hands of forces we believe to be beyond our control. This is a high quality book of the original classic edition. This

is a freshly published edition of this culturally important work, which is now, at last, again available to you. Enjoy this classic work. These few paragraphs distill the contents and give you a quick look inside: I mean, of course, when Torvald is no longer as devoted to me as he is now; when my dancing and dressing-up and reciting have palled on him; then it may be a good thing to have something in reserve-- ...I don't know whether you find also in your part of the world that there are certain people

who go zealously snuffing
about to smell out moral
corruption, and, as soon as
they have found some, put
the person concerned into
some lucrative position
where they can keep their eye
on him. ...If my husband does
get to know of it, of course
he will at once pay you what
is still owing, and we shall
have nothing more to do with
you. ...If I had asked him for
his signature, I should have
had to tell him what the
money was to be used for;
and when he was so ill
himself I couldnt tell him that

my husbands life was in
danger--it was impossible. ...I
am not out of my mind at all;
I am in my right senses now,
and I tell you no one else has
known anything about it; I,
and I alone, did the whole
thing.
