Fighting for Freedom from Emotional Incarceration Lume Books

As a leader in teaching, training, and transforming boys in Detroit, Jason Wilson shares his own story of discovering what it means to "be a man" in this life-changing memoir. His grandfather's lynching in the deep South, the murders of his two older brothers, and his verbally harsh and absent father all worked together to form Jason Wilson's childhood. But it was his decision to acknowledge his emotions and yield to God's call on his life that made Wilson the man and leader he is today. As the founder of one of the country's most esteemed youth organizations, Wilson has decades of experience in strengthening the physical, mental, and emotional spirit of boys and men. In *Cry Like a Man*, Wilson explains the dangers men face in our culture's definition of "masculinity" and gives readers hope that healing is possible. As Wilson writes, "My passion is to help boys and men find strength to become courageously transparent about their own brokenness as I shed light on the symptoms and causes of childhood trauma and 'father wounds.' I long to see men free themselves from emotional incarceration—to see their minds renewed, souls weaned, and relationships restored."

At first, Warren thinks he's struck gold. Taylor's the perfect roommate - he cooks, he cleans, and he's dynamite in the sack. This "whirling, no-holds-barred," national bestselling memoir of mixed martial arts by the author of *The Fighter's Mind* is "adrenaline-addled and addictive" (Playboy). In *A Fighter's Heart*, former merchant marine and Harvard graduate Sam Sheridan shares a "fascinating" first-person account of his life inside the world of professional MMA fighting "and his behind-the-scenes access makes for a gripping read" (Sara Cardace, *The Washington Post*). In 1999, after a series of adventurous jobs—construction at the South Pole, ranching in Montana, and sailing private yachts around the world—Sheridan found himself in Australia with time to finally indulge a long-dormant obsession: fighting. After training in Bangkok at the legendary Fairtex Gym, Sheridan stepped through the ropes for a professional bout, embarking on an epic journey to discover what only a fighter can know about fear, violence, and most of all, himself. From small-town Iowa to the beaches of Rio, from the streets of Oakland to the arenas of Tokyo, Sheridan trained, traveled, and fought with Olympic boxers, Brazilian jiu-jitsu stars, and Ultimate Fighting champions. This chronicle offers an insightful look at violence as a spectator sport, as well as a dizzying account of what it's like to hit—and be hit by—some of the best fighters in the world.

I was a loner, stuck to myself because I was different, until Camden Steel moved next door. I punched him in the mouth, and he saw me through rose colored glasses from that day on. I had everything I ever wanted. The boy next door, inspiring career... until I didn't. He hates me. I deserve that. They say you have to fight for what you want... What they don't tell you... is it'll cost you more than you're willing to give to reach the top.

A Novel Marie Sexton

"[Red Notice] does for investing in Russia and the former Soviet Union what Liar's Poker did for our understanding of Salomon Brothers, Wall Street, and the mortgage-backed securities business in the 1980s. Browder's business saga meshes well with the story of corruption and murder in Vladimir Putin's Russia, making Red Notice an early candidate for any list of the year's best books" (Fortune). "Part John Grisham-like thriller, part business and political memoir." -The New York Times This is a story about an accidental activist. Bill Browder started out his adult life as the Wall Street maverick whose instincts led him to Russia just after the breakup of the Soviet Union, where he made his fortune. Along the way he exposed corruption, and when he did, he barely escaped with his life. His Russian lawyer Sergei Magnitsky wasn't so lucky: he ended up in jail, where he was tortured to death. That changed Browder forever. He saw the murderous heart of the Putin regime and has spent the last half decade on a campaign to expose it. Because of that, he became Putin's number one enemy, especially after Browder succeeded in having a law passed in the United States--The Magnitsky Act--that punishes a list of Russians implicated in the lawyer's murder. Putin famously retaliated with a law that bans Americans from adopting Russian orphans. A financial caper, a crime thriller, and a political crusade, Red Notice is the story of one man taking on overpowering odds to change the world, and also the story of how, without intending to, he found meaning in his life.

One Man's Journey Through the World of Fighting Entangled: Brazen

NATIONAL BESTSELLER • WINNER OF THE PULITZER PRIZE • A searing, post-apocalyptic novel about a father and son's fight to survive, this "tale of survival and the miracle of goodness only adds to McCarthy's stature as a living master. It's gripping, frightening and, ultimately, beautiful" (San Francisco Chronicle). A father and his son walk alone through burned America. Nothing moves in the ravaged landscape save the ash on the wind. It is cold enough to crack stones, and when the snow falls it is gray. The sky is dark. Their destination is the coast, although they don't know what, if anything, awaits them there. They have nothing; just a pistol to defend themselves against the lawless bands that stalk the

road, the clothes they are wearing, a cart of scavenged food--and each other. The Road is the profoundly moving story of a journey. It boldly imagines a future in which no hope remains, but in which the father and his son, "each the other's world entire," are sustained by love. Awesome in the totality of its vision, it is an unflinching meditation on the worst and the best that we are capable of: ultimate destructiveness, desperate tenacity, and the tenderness that keeps two people alive in the face of total devastation.

He may be bossy and infuriating, but he's hiding a heart as massive as his ego. Can I let go of the past and trust the feelings growing between us when my career is on the line? Jase Trouble is nothing new for an MMA bad boy like me, but this time I'm in too deep and can't get out. At least, not without help. That's where Lena LaFontaine comes in. All buttoned-up blouses and ass-hugging skirts, she's a distraction I don't need, but she's also the only one who can make my problems go away. She wants to hate me. I'm not going to let that happen. I never expect the way I ache to taste her pouty lips and claim her for my own. My life is on the verge of imploding, and when it does, I'm not sure if I'll emerge as a champion or be imprisoned for a crime I didn't commit. I won't drag her down with me, but when push comes to shove, I don't know if I can give her up, either.

"Fighter pilots tell the greatest stories and the great ones tell the best stories of all..." -PAT CONROY, bestselling author of The Great Santini and The Death of Santini "This book is not only among the finest war writing ever but, like Viktor Frankl's Man's Search for Meaning, Solitary sits alongside the most profound reflections on the resilience and capacity of the human soul." -STEVEN PRESSFIELD, bestselling author of The Lion's Gate and The War of Art "Solitary is a gutsy story of one man's survival, endurance, and strength of will..." -LARRY ALEXANDER, bestselling co-author of A Higher Call "I anxiously await the day my own sons are old enough to read it." -RICH COHEN, bestselling author of Tough Jews "You will tear through this book..." -RYAN HOLLIDAY, bestselling author of The Obstacle is the Way "It grabs you immediately, and doesn't let go until you're finished." -TUCKER MAX, bestselling author of I Hope They Serve Beer in Hell "A magnificent triumph of the human spirit...I was captivated from the first page to the last." -SEAN PARNELL, bestselling author of Outlaw Platoon Giora Romm was the Israeli Air Force's first fighter ace. As a twenty-two-year-old lieutenant he shot down five MiGs during the Six Day War of 1967. Fourteen months later over the Nile Delta, an Egyptian missile exploded beneath the tail of his Mirage IIIC. Within moments Romm found himself hanging by the straps of his parachute, with a broken arm and a leg shattered in a dozen places, looking down from 10,000 feet. Streams of farmers and field workers converged below onto the spot toward which his chute was descending, with the intention, he was certain, of hacking him to death as soon as his feet touched the earth. No other Israeli pilot had survived capture in Egypt or in any other Arab state. Solitary is Romm's story of his imprisonment, torture, interrogation, release, and return to service. Solitary is not a "war book." It's not a tale of heroism, though if anyone ever qualified for that distinction, it is this story's author. Solitary is not even, in its deepest parts, about captivity or imprisonment. Solitary is about Romm's inner war. It's the story, in his phrase, "of a fall from a great height," not only

literally but metaphorically. Romm could not tell his captors the truth about who he was or what he had done. He had to invent an entire fictional biography and keep it straight in his head through months of beatings and interrogations, all the while being held in solitary confinement with his body sheathed from chest to toe in a plaster cast. Solitary is not a grim book. It's full of wry humor, keen self-observations and revelations. An ordeal such as Romm endured is a sojourn in hell, but it is also a passage. Romm fell, and he came back. Solitary is his indelible account of confronting, as few of us ever will, his own fears and limitations, and discovering, ultimately, his capacity to survive and to prevail. -From the Introduction by Steven Pressfield
