It is May 1568, and Caitlin Campbell has recently had her heart broken by a callous young nobleman. With a track record of not choosing men well, she meets Darach MacNaghten, whose clan has been outlawed. Not only is he everything Caitlin should be wary of, but he is a man of many secrets, none of which bode well for the Campbells. He comes to Kilchurn to free his imprisoned older brother, but when he realizes that his plan has no chance of success, he kidnaps Caitlin to hold her as hostage until his brother is freed. This plan, so simple on the surface, soon leads to a clash of wills between two proud, headstrong people. And the problems only worsen the closer Darach's plan draws to its unforeseen conclusion. Fans of Morgan's These Highland Hills series and historical fiction readers will enjoy this dramatic conclusion to the series.

New York Times bestselling author Hannah Howell delivers her most enthralling novel yet with the story of an innocent beauty and an unjustly accused laird who discover a rapturous passion as they embark upon a wondrous journey across the rugged Scottish highlands. . . Swept overboard and stranded on the rocky shores of Scotland, Moira Robertson is left with only the tattered clothes on her back--and the mysterious stranger who came to her aid on the ship. Although their close surroundings unsettle her, she soon cannot resist his touch which awakens a burning ache deep within her. But can she trust her life--and her heart--to this darkly seductive man? Tavig MacAlpin is a condemned man.

Accused of a murder he did not commit, his escape is thwarted by a flame-haired beauty. He must continue his search for justice, but fate has bound him to this Scottish lass--and to a slow, sensual desire that will not be denied. . . Praise for Hannah Howell and her Highland novels. . . "Few authors portray the Scottish highlands as lovingly or colorfully as Hannah Howell."

--Publishers Weekly "Expert storyteller Howell pens another Highland winner." --Romantic Times Sports and Adventures in the Highlands and Islands of Scotland ... Sourcebooks, Inc.

Offered in marriage by David of Scotland as a guise for peace and cursed by Aidan's people for the sins of her father, L ì leas MacLaren is the one woman Aidan believes he is immune to. Alas, she is also the one woman who might bring the fierce chieftain to his knees. Folklore of the Scottish Highlands Stanford University Press

Part of the worldwide biodiversity program DIVERSITAS, the Global Mountain Biodiversity Assessment (GMBA) assesses the biological richness of high-elevation biota. GMBA's focus includes the uppermost forest regions or their substitute rangeland vegetation, the treeline ecotone, and the alpine and nival belts. Providing more than description, the GM [History of the Highlands & of the Highland Clans](#) Read Books Ltd

Nineteenth-century highland Madagascar was a place inhabited by the dead as much as the living. Ghosts, ancestors and the possessed were important historical actors alongside local kings and queens, soldiers, traders and missionaries. This book considers the challenges that such actors pose for historical accounts of the past and for thinking about questions of presence and representation. How were the dead made present, and how were they recognized or not? In attending to these multifarious encounters of the nineteenth

century, how might we reflect on the ways in which our own history-writing makes the dead present? To tackle these questions, Zo ë Crossland tells an anthropological history of highland Madagascar from a perspective rooted in archaeology and Peircean semiotics, as well as in landscape study, oral history and textual sources. Man-Gods in the Mexican Highlands CRC Press

The folklore of the Scottish Highlands is unique and very much alive. Dr Anne Ross is a Gaelic-speaking scholar and archaeologist who has lived and worked in crofting communities. This has enabled her to collect information at first hand and to assess the veracity of material already published. In this substantially revised edition of a classic work first published 30 years ago, she portrays the beliefs and customs of Scottish Gaelic society, including: seasonal customs deriving from Celtic festivals; the famous waulking songs; the Highland tradition of seers and second sight; omens and taboos, both good and bad; and, chilling experiences of witchcraft and the Evil Eye Rituals associated with birth and death. Having taken her MA, MA Hons and PhD at the University of Edinburgh, Anne Ross became Research Fellow in the School of Scottish Studies, Edinburgh. She then rapidly established herself as one of Britain's leading Celtic scholars. Her seminal work is "Pagan Celtic Britain" and she has also published "Druids - Preachers of Immortality" with Tempus Publishing.

A Heart Divided (Heart of the Rockies Book #1) Baker Books

Gabriel MacInnes has led a charmed life. A Highland werewolf of Alpha lineage, he'd always thought that, as the second son, he would never have to worry much about responsibility. But with his Pack now squarely in the sights of an ancient and rediscovered enemy, everything has begun to change. Exiled from the Drakkyn realm, on the run from the dragon prince who claims her as his own, the last thing Rowan an Morgaine wants is to deal with a bunch of overbearing shifters in the middle of nowhere. But when her hiding place on Earth is discovered, and with blood the only thing that can restore her waning power, the

fiery demigoddess has little choice but to accept Gabriel as a protector ... As the Earthly and Drakkyn realms converge, Gabriel and Rowan must decide how much they're willing to sacrifice for fate...and for one another. What reviewers are saying about Kendra Leigh Castle: "Ms. Castle develops likeable characters, adds danger-filled mystery to a steamy romance, and keeps reader's interest to the revealing end." -Darque Reviews "A great, fast-paced tale. Castle's world-building is superb and leaves readers wanting more."

-Romantic Times "Fans of straight up romance looking for a little extra something will be bitten." -Publishers Weekly "This fresh and exciting take on the werewolf legend held me captive until the last page. I'll definitely be watching for more stories from Kendra Leigh Castle." -Nina Bangs, author of *One Bite Stand Wild Sports and Adventures in the Highlands and Islands of Scotland* Kensington Publishing Corp.

Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.

Wives and Wanderers in a New Guinea Highlands Society Sourcebooks, Inc. *Wives and Wanderers in a New Guinea Highlands Society* brings to the reader anthropologist Marie Reay's field research from the 1950s and 1960s on women's lives in the Wahgi Valley, Central Highlands of Papua New Guinea. Dramatically written, each chapter adds to the main story that Reay wanted to tell, contrasting young girls' freedom to court and choose partners, with the constraints (and violence) they were to experience as married women. This volume provides readable ethnographic material for undergraduate courses, in whole or in part. It will be of interest to students and scholars of gender relations, anthropology and feminism, Melanesia and the Pacific. The material in this book, which Reay had written by 1965 but never published, remains startlingly contemporary and relevant. Marie Olive Reay was a social anthropologist who did research in Australian indigenous communities and in the Wahgi Valley in the Central Highlands of Papua New Guinea. Employed at The Australian National University from 1959 to 1988 when she retired, Reay passed away in 2004. In 2011 this manuscript was found in her personal papers, reconstructed, and edited by Francesca Merlan, augmented here by an additional introduction by eminent anthropologist of

the Highlands, and of gender, Marilyn Strathern. Had this manuscript appeared when Reay apparently completed it in its present form – around 1965 – it would have been the first published ethnography of women's lives in the Central Highlands of Papua New Guinea. Its retrieval from Reay's papers, and availability now, adds a new dimension to works on gender relations in Melanesian societies, and to the history of Australian and Pacific anthropology.

He Guards a Ferocious Secret In Victorian England, gossip is often as precious as gold. But the Highlanders are a more mysterious bunch. And if anyone found out that Stephen MacAlasdair really was, he'd be hunted down, murdered, his clan wiped out. As he's called to London on business, he'll have to be extra vigilant—especially between sunset and the appearance of the first evening star. Mina just wanted to find out more about the arrogant man who showed up in her employer's office. Some might say it was part of her job. She never thought the stranger would turn into a dragon right in front of her. Or that he'd then offer her an outrageous sum of money to serve as his personal secretary. Working together night and day to track a dangerous enemy, Mina comes to see a man in love is more powerful and determined than any dragon. "A genre-bending, fast-paced whirl with fantastic characters, a deftly drawn plot, and sizzling attraction."—RT Book Reviews on *No Proper Lady*, a Reviewers' Choice Award Winner

The highlands and western isles of Scotland, in letters to sir Walter Scott Abela Publishing Ltd

This book is a reflective, original, and sometimes speculative essay on the concept of power and the man-god tradition in Mexican colonial history, with some provocative thoughts on how that tradition affected the way the indigenous population reacted to the cultural upheavals of the Spanish Conquest and its aftermath. The

basis of the work is the rich documentation that survives from efforts to prosecute cases of idolatry and witchcraft. The author closely examines four such cases - Indian peasants living in central Mexico who proclaimed themselves successors of the gods during various stages of the colonial era (in 1537, 1659, 1665, and 1761). Drawing on the testimony of these man-gods and their followers, the author describes the emergence of these native leaders, discusses their individual qualities, and evaluates their impact and hold on their followers. He also sets out in substance their speeches and depositions, which provide a rare critique of colonial society. Coming from the lower classes, socially and culturally marginal, these man-gods tried to understand and surmount the profound changes that were crushing their society. Their actions were doomed to failure, but they reveal a dynamism and creativity that have been ignored by conventional historians. In a more general way, the book demonstrates through concrete examples how popular cultures constantly change and recreate their own traditions, and how vanquished and dominated societies, in order to construct a new identity, create new cultural forms.

Fire in Relation to Primitive Agriculture and Grazing in the Tropics: A-G, Tropics in general; H-J, South Asia and Oceania ASIAN HIGHLANDS PERSPECTIVES Moved by the desire for adventure and a yearning to help the Ute Indians, twenty-year-old Shiloh Wainright impulsively accepts a teaching position at the White River Indian Agency in northwestern Colorado. The new job, however, isn't what she imagined it would be, and Shiloh soon finds herself caught in the cross fire between the Utes, their unyielding Indian Agent, and the unrealistic demands of the US government. Her unexpected encounter with Jesse Blackwater, an embittered half-breed Ute and childhood friend, only complicates matters as they battle their growing feelings for each other amidst the spiraling tensions threatening to explode into a catastrophic Indian uprising. Set amongst the wilds of the Colorado Rockies in 1879, this is a tale of a forbidden love and a faith tested in the cauldron of intolerance and the harsh realities of life on the untamed frontier. Bestselling author Kathleen Morgan deftly explores themes of mercy, fidelity to one's beliefs despite what others think or do, and compassion for those different from oneself as she plumbs the depths of the human heart and the healing power of God's love.

A Fire Within (These Highland Hills Book #3)
Rutgers University Press

This second volume of Tales of the West Highlands contains thirty ursgeuln, or tales, fifty riddles plus a few extra stories. As always, these are tales and stories in which something 'Fairy' or magical occurs, something extraordinary --fairies, giants, dwarfs, princes, princesses, kings and queens, speaking animals and the remarkable stupidity of some of the characters. But these aren't just a collection of amusing and entertaining stories. Just 20 years after the Elementary Education Act of 1870 these are the tales that were still being used in those far-flung reaches of the Highlands to teach the young the lessons of life. Also included are Seanachas--those old Highland stories which in their telling resemble no others, whose origins are lost in the mists of the Highlands, if not the midst of time. So take some time out and travel back to a period before television and radio, a time when tales were passed on orally-- at the drying kilns, at the communal well or in homes, where families would gather around a crackling and spitting hearth and granddad or grandma or uncle or auntie would delight and captivate the gathering with stories passed on to them from their parents and grandparents from time immemorial. A proportion of the profit from the sale of this book will be donated towards the education of the underprivileged in Scotland.

Letters from the Highlands, or Two Months among the Salmon and the Deer Cambridge University Press

Long considered both best friend and worst

enemy to humankind, fire is at once creative and destructive. On the endangered tropical island of Madagascar, these two faces of fire have fueled a century-long conflict between rural farmers and island leaders. Based on detailed fieldwork in Malagasy villages and a thorough archival investigation, Isle of Fire offers a detailed analysis of why Madagascar has always been aflame, why it always will be aflame, and ultimately, as Christian Kull argues, why it should remain aflame.

A History of the Highlands and of the Highland Clans Revell

It is 1878 and the Caldwells and Wainwrights have been feuding for decades. Still, Sarah Caldwell has misgivings when her father pressures her into distracting a ranch hand while he and her brothers rob the Wainwright place. When it becomes clear that hand is actually Cord Wainwright, Sarah realizes she needs to lay low. But Cord spots her in town and, with the sheriff away, makes a citizen's arrest, dragging her off to the Wainwright ranch until the sheriff's return. As the feud boils over, Cord and Sarah make a most inconvenient discovery--they are falling in love. Can they betray their families for love? Or will their families betray them? Against the beautiful and wild backdrop of the Rocky Mountains comes this sweeping saga of romance, betrayal, and forgiveness from beloved author Kathleen Morgan.

Legend of the Highland Dragon

Think of the Highlands as the " backyard " and " backstop " of the Philadelphia – New York – Hartford metroplex. A backyard that spans over three million acres across Pennsylvania, New York, and Connecticut, the Highlands serves as recreational open space for the metroplex ' s burgeoning human population. As backstop, Highlands ' watersheds provide a ready source of high-quality drinking water for over fifteen million people. The Highlands is the first book to examine the natural and cultural landscape of this four-state region, showing how it ' s distinctive and why its conservation is vital. Each chapter is written by a different leading researcher and specialist in that field, and introduces readers to another aspect of the Highlands: its geological foundations, its aquifers and watersheds, its forest ecology, its past iron industry. In the 1800s, the Highlands were mined, cutover, and then largely abandoned. Given time, the forests regenerated, the land healed, and the waters cleared. Increasingly, however, the Highlands are under assault again—polluted runoff contaminating lakes and streams, invasive species choking out the local flora and fauna, exurban sprawl blighting the rural landscape, and climate change threatening the integrity of its ecosystems. The Highlands makes a compelling case for land use planning and resource management strategies that could help ensure a sustainable future for the region, strategies that could in turn be applied to other landscapes threatened by urbanization across the country. The Highlands are a valuable resource. And now, so is The Highlands.

Ancestral Encounters in Highland Madagascar

In the harsh Scottish highlands of 1565, superstition and treachery threaten a truce between rival clans. It's a weak truce at first, bound only by an arranged engagement between Anne MacGregor and Niall Campbell--the heirs of the feuding families. While Niall wrestles with his suspicions about a traitor in his clan, Anne's actions do not go unnoticed. And as accusations of witchcraft abound, the strong and sometimes callous Campbell heir must fight for Anne's safety among disconcerted clan members. Meanwhile his own safety is threatened with the ever-present threat of someone who wants him dead. Will Niall discover the traitor's identity in time? Can Anne find a way to fit into her new surroundings? Will the two learn to love each other despite the conflict? With a perfect mix of a burgeoning romance and thrilling suspense, this book is historical fiction at its best.
