Cofounder of the international beauty company Caudalíe shares the simple, natural, time-tested beauty secrets she learned growing up in

France that any woman can use to look younger, healthier, and more radiant without harsh products or drastic procedures. When Mathilde Thomas moved from her native France to the United States to expand her skin-care company, Caudal í e, she wanted to find out what American women wanted from their beauty routines. She interviewed thousands of women and was struck by how different the French and American approaches to beauty were. American women are all about the quick fix—the elusive product or procedure that will instantly solve a nagging beauty problem, even if it hurts, is wildly expensive, or is damaging in the long term. The French, by contrast, approach beauty as an essential and pleasurable part of the day, a lifelong and active investment that makes you look and feel good. Mathilde used these insights to turn Caudal í e into one of America ’ s top beauty brands. Drawing on her company ’ s twenty years of scientific skin-care expertise backed by the research of doctors and dermatologists—as well as the beauty secrets she learned growing up on a vineyard in

Bordeaux—The French Beauty Solution covers everything from how to use natural ingredients such as oil and honey to wash your face; what foods to eat for healthier hair, skin, and nails; and the amazing properties of grapes and grapeseed oil. She also introduces an easy three-day grape cleanse that European aristocrats have been using to detox for hundreds of years. Blending stories, science, DIY recipes, and tons of savoir faire, The French Beauty Solution is the last beauty regimen you ’ ll ever need.

PULITZER PRIZE FINALIST • A brilliant look at turn-of-the-century Paris through the first in-depth study of the three women Proust used to create his supreme fictional character, the Duchesse de Guermantes. “Weber has done a remarkable job of bringing to life...a world of culture, glamour and privilege.” —The Wall Street Journal Geneviève Halévy Bizet Straus; Laure de Sade, Comtesse de Adhéaume de Chevigné; and Élisabeth de Riquet de Caraman-Chimay, the Comtesse Greffulhe--these were the three superstars of fin-de-siècle Parisian high society who, as Caroline Weber says, “transformed themselves, and were transformed by those around them, into living legends: paragons of elegance, nobility, and style.” All well but unhappily married, these women sought freedom and fulfillment by

reinventing themselves, between the 1870s and 1890s, as icons. At their fabled salons, they inspired the creativity of several generations of writers, visual artists, composers, designers, and journalists. Against a rich historical backdrop, Weber takes the reader into these women's daily lives of masked balls, hunts, dinners, court visits, nights at the opera or theater. But we see as well the loneliness, rigid social rules, and loveless, arranged marriages that constricted these women's lives. Proust, as a twenty-year-old law student in 1892, would worship them from afar, and later meet them and create his celebrated composite character for *The Remembrance of Things Past*. [My Stylish French Girlfriends](#) Penguin “Consent” is a Molotov cocktail, flung at the face of the French establishment, a work of dazzling, highly controlled fury...By every conceivable metric, her book is a triumph.” -- The New York Times Already an international literary sensation, an intimate and powerful memoir of a young French teenage girl's relationship with a famous, much older male writer—a universal #MeToo story of power, manipulation, trauma, recovery, and resiliency that

exposes the hypocrisy involved with a fifty-year-old man who allowed the sexual abuse of minors to occur unchecked. Sometimes, all it takes is a single voice to shatter the silence of complicity. Thirty years ago, Vanessa Springora was the teenage muse of one of the country's most celebrated writers, a footnote in the narrative of a very influential man in the French literary world. At the end of 2019, as women around the world began to speak out, Vanessa, now in her forties and the director of one of France's leading publishing houses, decided to reclaim her own story, offering her perspective of those events sharply known. *Consent* is the story of one precocious young girl's stolen adolescence. Devastating in its honesty, Vanessa's painstakingly lays bare the cultural attitudes and circumstances that made it possible for a thirteen-year-old girl to become

happened to be a notable writer. As she recalls the events of her childhood and her seduction by one of her country's most notable writers, Vanessa reflects on the ways in which this disturbing relationship changed and affected her as she grew older. Drawing parallels between children's fairy tales and French history and her personal life, Vanessa offers an intimate and absorbing look at the meaning of love and consent and the toll of trauma and the power of healing in women's lives. Ultimately, she offers a forceful indictment of a chauvinistic literary world that has for too long accepted and helped perpetuate gender inequality and the exploitation and sexual abuse of children. Translated from the French by Natasha Lehrer

"...One of the belated truths that emerges from

Springora is a writer. [...] Her sentences gleam like metal; each chapter snaps shut with the clean brutality of a latch." -- The New Yorker "*Consent* [is] rapier-sharp, written with restraint, elegance and brevity." -- The Times (London) "*Consent* has something steely in its heart, and it departs from the typical American memoir of childhood abuse in exhilarating ways." -- Slate "Lucid and nuanced... [*Consent*] will speak to trauma survivors everywhere." -- Los Angeles Review of Books "A piercing memoir about the sexually abusive relationship she endured at age 14 with a 50-year-old writer... This chilling account will linger with readers long after the last page is turned." -- Publishers Weekly "*Springora's* lucid account is a commanding discussion of sexual abuse and victimization, and a

powerful act of reclamation." -- Booklist "A chilling story of child abuse and the sophisticated Parisians who looked the other way...[Springora] is an elegant and perceptive writer." -- Kirkus

From debut author Anna Adams, this delightful YA romcom is all about finding yourself, your family, and perfect harmony in the big city. Maude Laurent is an orphan. Raised in Carvin, a small town in northern France, she's always wondered about her parents—who they were and what happened to them. Her foster family, the Ruchets, certainly won't tell her anything. For them, she's someone to cook meals, clean their house, and look after their twin boys, but Maude dreams of much more—she

dreams of becoming an opera star and singing on the great stages of Paris. Her Cinderella moment arrives when she's livestreamed playing the piano and singing in a café during a school trip to Paris. Suddenly she's an internet sensation and music studios are pursuing her with promises of stardom. The only problem? They all want her to sing pop, but that's not what Maude wants... When Terence Baldwin and his daughter show up on Maude's doorstep, they promise to help her find her own unique voice. Maude accepts the challenge: six months in New York to write and record three singles that become hits. If she succeeds, she can stay and record an album. If she doesn't, she'll return to Carvin. Maude knows she has the drive and talent to succeed but she also knows that her father used to live in the city. Perhaps, just perhaps, she can have it all: a successful music career and a chance to learn more about her family. It's perfect! However, there's one big problem—her collaborator Matt Durand. He's annoying and arrogant, a popstar on a break, and he's determined to force Maude out of her comfort zone. With rival artists determined to see Maude fail and the clock ticking, Maude and Matt have to put their bickering aside if they're going to succeed. Then a sudden revelation about Maude's parents changes her perspective on everything and leaves her wondering if she can ever find the perfect

harmony.

From four stunning and accomplished French women—a charming bestseller about how to slip into your inner cool and be a Parisienne. In short, frisky sections, these Parisian women give you their very original views on style, beauty, culture, attitude and men. The authors—Anne Berest, Audrey Diwan, Caroline de Maigret, and Sophie Mas—unmarried but attached, with children—have been friends for years. Talented bohemian iconoclasts with careers in the worlds of music, film, fashion and publishing, they are untypically frank and outspoken as they debunk

the myths about what it means to be a French woman today. Letting you in on their secrets and flaws, they also make fun of their complicated, often contradictory feelings and behavior. They admit to being snobs, a bit self-centered, unpredictable but not unreliable. Bossy and opinionated, they are also tender and romantic. You will be taken on a first date, to a party, to some favorite haunts in Paris, to the countryside, and to one of their dinners at home with recipes even you could do -- but to be out with them is to be in for some mischief and surprises. They will tell you how to be mysterious and sensual, look natural, make your boyfriend jealous, and how they feel about children, weddings and going to the gym. And they will share their address book in Paris for where to go: *At the End of the Night*, for *A Birthday*, for *A Smart Date*, *A Hangover*, for *Vintage Finds* and much more.

The Los Angeles Times bestseller! "A Gallic prescription for living a life that is richer, more sensual, messier, and a lot more fun" (Boston Globe) It's not the shoes, the scarves, or the lipstick that gives French women their allure. It's this: French women don't give a damn. They don't expect men to understand them. They don't care about being liked or being like everyone else. They accept the passage of time, celebrate the immediacy of pleasure, embrace ambiguity and imperfection, and prefer having a life to making a living. In *What French Women Know*, Debra Ollivier goes beyond stale ooh- la-la stereotypes, challenging ingrained notions about sex, love, marriage, motherhood, and everything in between. With savvy, provocative thinking from French mistresses and maidens alike, Ollivier presents a refreshing counterpoint to the tired love dogma of our times, and offers realistic, liberating alternatives

from the land that knows how to love.

A powerful tragedy distilled into a small masterpiece by the Nobel Prize-winning author of *Beloved* and, almost like a prelude to that story, set two centuries earlier. Jacob is an Anglo-Dutch trader in 1680s United States, when the slave trade is still in its infancy. Reluctantly he takes a small slave girl in part payment from a plantation owner for a bad debt. Feeling rejected by her slave mother, 14-year-old Florens can read and write and might be useful on his farm. Florens looks for love, first from Lina, an older servant woman at her new master's house, but later from the handsome blacksmith, an African, never enslaved, who comes riding into their lives . . . At the novel's heart, like *Beloved*, it is the ambivalent, disturbing story of a mother and a daughter - a mother who casts off her daughter in order to save her, and a daughter who may never exorcise that abandonment.

—Kirkus French Girl with Mother is a provocative, propulsive thriller that marries the spirit of James Salter with a hint of Patricia Highsmith and the velocity of *The Art Forger*. Nathan is a young artist traveling across Europe in search of the emotional fire that has been missing from his work. He's been deemed by his mentors and critics as technically skillful but uninspired —criticisms he fears to be true. On a Paris street, he witnesses the volatile breakup of a young French

woman and her beau. Nathan pursues a meeting with the woman and it very quickly becomes evident that her provocative charisma and scathing beauty just may conjure the electricity he has been seeking for his work. So when the woman invites him to her parents' crumbling, centuries-old chateau in the country to allow him to sketch her, he accepts, knowing that this proposition is both ill advised and thrilling. Once enveloped by this isolated estate, a door opens to a world Nathan is not prepared for. The arrival of the young woman's family—her mother, a volatile, voracious former ballerina, her father, a mysterious businessman with secrets of his own, and her uncle, who might be trafficking in art forgeries.

A language barrier is no match for love. Lauren Collins discovered this firsthand when, in her early thirties, she moved to London and fell for a Frenchman named Olivier—a surprising turn of events for someone who didn't have a passport until she was in college. But what does it mean to love someone in a second language? Collins wonders, as her relationship with Olivier continues to grow entirely in English. Are there things she doesn't understand about Olivier,

having never spoken to him in his native tongue? Does "I love you" even mean the same thing as "je t'aime"? When the couple, newly married, relocates to Francophone Geneva, Collins—fearful of one day becoming "a Borat of a mother" who doesn't understand her own kids—decides to answer her questions for herself by learning French. When in French is a laugh-out-loud funny and surprising memoir about the lengths we go to for love, as well as an exploration across culture and history into how we learn languages—and what they say about who we are. Collins grapples with the complexities of the French language, enduring excruciating role-playing games with her classmates at a Swiss language school and accidentally telling her mother-in-law that she's given birth to a coffee machine. In learning French, Collins must wrestle with the very nature of French identity and society—which, it turns out, is a far cry from life back home in North Carolina. Plumbing the mysterious depths of humanity's many forms of language, Collins describes with great style and wicked humor the frustrations, embarrassments, surprises, and, finally, joys of

learning—and living
in—French.

“When Tadpole was born, I spent a sleepless night on the maternity ward gazing intently into her inky, newborn eyes, grappling to come to terms with the indisputable fact that this was an actual person looking back at me, not just a version of Mr. Frog, or me, or both, in miniature. From the outset she seemed to know what she wanted, and I realized I could have no inkling of the paths she would choose to follow. But if I watch her life unfold carefully enough, perhaps I will see clear signposts pointing to who or what she will become. Because when I look backward, ransacking my own past for clues with the clarity that only hindsight can bring, a series of defining moments do stand out. Moments charged with significance; snapshots of myself which, if I join the dots together, lead me unswervingly to where I stand today: from French, to France, to Paris, and to Petite Anglaise.” [ed. note - excerpted from *Petite Anglaise*, p.4] Catherine Sanderson has a beautiful bilingual daughter, an authentic French boyfriend, and a Paris apartment with bohemian charm. She has

what she has always wanted — a life in France. Growing up in Yorkshire amidst a traditional family, Catherine had set her sights on a different life — a life that would immerse her in an exotic language and culture. From grammar school French lessons to teaching English in Normandy and finally to a permanent job in Paris, she was determined that France would be the place she would call home. But now that she does, things are not so idyllic. Catherine wonders just when her life in Paris turned from wine to vinegar: She’s stuck in a dead-end administrative job, her relationship with her boyfriend has settled into a dreary routine, and the birth of their daughter has not helped to reignite the dying fire of her relationship. The remedy to her dissatisfaction arrives in the morning headlines. While scanning the news of the day, Catherine becomes intrigued by a story profiling an internet diarist. After exploring one blog after another, and in one exhilarating moment, Catherine decides to create her own online persona, her *jardin secret*. At that moment, she is transformed from Catherine to *Petite Anglaise*, her boyfriend to Mr. Frog, her daughter to

Tadpole, and her life to something she could never have predicted. What begins as a lighthearted diversion, a place to discuss the fish-out-of-water challenges of ex-pat life in Paris, soon gives way to a raw forum for her to bare her most intimate secrets and impulsive desires. Thousands of readers log-on to the blog and are witness to the ever-widening gulf between *Petite Anglaise* and Mr. Frog. Those public revelations of her growing frustrations, which play out in each successive post, begin to surreptitiously yet irrevocably erode their relationship.
