The Family Friend Knopf Books for Young Readers

Selected by the Modern Library as one of the 100 best nonfiction books of all time From the Modern Library ' s new set of beautifully repackaged hardcover classics by Truman Capote—also available are

Breakfast at Tiffany ' s and Other Voices, Other Rooms (in one volume), Portraits and Observations, and The Complete Stories Truman Capote ' s masterpiece, In Cold Blood, created a sensation when it was first published, serially, in The New Yorker in 1965. The intensively researched, atmospheric narrative of the lives of the Clutter family of Holcomb, Kansas, and of the two men, Richard Eugene Hickock and Perry Edward Smith, who brutally killed them on the night of November 15, 1959, is the seminal work of the “ new

---

journalism.” Perry Smith is one of the great dark characters of American literature, full of contradictory emotions. “ I thought he was a very nice gentleman, ” he says of Herb Clutter. “ Soft-spoken. I thought so right up to the moment I cut his throat. ” Told in chapters that alternate between the Clutter household and the approach of Smith and Hickock in their black Chevrolet, then between the investigation of the case and the killers ’ flight, Capote ’ s account is so detailed that the reader comes to feel almost like a participant in the events.

As cracks begin to appear in Amy's perfect life, she cannot shake the feeling that the family friend may not be a friend at all... Don't miss this gripping, addictive read. It will make you think twice about who you invite into your home...

*The Book Thief* Elise Faber

The inspiration for *The Durrells in Corfu*, a Masterpiece production on public television: A naturalist's account of his childhood on the exotic Greek island. When the Durrells could no longer endure the gray English climate, they did what any sensible

family would do: sold their house and relocated to the sun-soaked island of Corfu. As they settled into their new home, hilarious mishaps ensued as a ten-year-old Gerald Durrell pursued his interest in natural history and explored the island's fauna. Soon, toads and tortoises, bats and butterflies—as well as scorpions, geckos, ladybugs, praying mantises, octopuses, pigeons, and gulls—became a common sight in the Durrell villa. Uproarious tales of the island's animals and Durrell's fond reflections on his family bring this delightful memoir to life. Capturing the joyous chaos of growing up in an unconventional household, *My Family and Other Animals* will transport you to a place you won't want to leave. This ebook features an illustrated

---

biography of Gerald Durrell including rare photos from the author's estate.

The Family Business Friends of the Family

Matt Lowe was born into a large, loving family. His parents believed they had always protected him from harm. But one day their son would reveal that they had unwittingly allowed a young man to abuse him for over ten years... in the guise of the perfect Family Friend. Jeremy was intelligent, artistic and fantastic with children. He was welcomed into Lowe family life, singling out Matt for his particular attention. As their relationship took a more sinister turn, Matt became increasingly alienated from his family and friends and the abuse continued unnoticed. Beautifully written with heart-wrenching

candour, Matt's story begins in adulthood when he becomes a parent himself. Falling into a deep depression, he embarks on a period of therapy forcing him to confront the true nature of his relationship with Jeremy. What follows is an unusually insightful and moving account of one man's struggle to come to terms with the ramifications of years of sexual and psychological abuse. **An Old Friend of the Family** Graphic Arts Books

Through a series of poems, a young girl chronicles the life-changing year of 1975, when she, her mother, and her brothers leave Vietnam and resettle in Alabama.

God Gave Us Families Penguin UK

America's next favorite Australian author! "With jaw-dropping discoveries and realistic

---

consequences, this novel is not to be missed. Perfect for lovers of Big Little Lies." —Library Journal, starred review Small, perfect towns often hold the deepest secrets. From the outside, Essie's life looks idyllic: a loving husband, a beautiful house in a good neighborhood, and a nearby mother who dotes on her grandchildren. But few of Essie's friends know her secret shame: that in a moment of maternal despair, she once walked away from her newborn, asleep in her carriage in a park. Disaster was avoided and Essie got better, but she still fears what lurks inside her, even as her daughter gets older and she has a second baby. When a new woman named Isabelle moves in next door to Essie, she is an immediate object of curiosity in the neighborhood. Why single, when everyone else is married with children? Why renting, when everyone else owns? What mysterious job does she have? And why is she so fascinated with Essie? As the two women grow closer and Essie's friends voice their disapproval, it starts to become clear that

Isabelle's choice of neighborhood was no accident. And that her presence threatens to bring shocking secrets to light. The Family Next Door is Sally Hepworth at her very best: at once a deeply moving portrait of family drama and a compelling suburban mystery that will keep you hooked until the very last page.

Inside Out & Back Again Algonquin Books  
Discover the simple beauty of gospel truths in "God gave us Families," a celebration of the loved Primary song . Through music and art, this volume sweetly outlines the divine roles of each member of the family. From a father's priesthood guidance to a mother's responsibility as a teacher and nurturer, these lyrics beautifully depict the significance of families and our Heavenly Father's plan for His children.  
*Bad Best Friend* Macfarlane Walter & Ross

---

The second novel by Donna Tartt, bestselling author of *The Goldfinch* (winner of the 2014 Pulitzer Prize), *The Little Friend* is a grandly ambitious and utterly riveting novel of childhood, innocence and evil. The setting is Alexandria, Mississippi, where one Mother's Day a little boy named Robin Cleve Dufresnes was found hanging from a tree in his parents' yard. Twelve years later Robin's murder is still unsolved and his family remains devastated. So it is that Robin's sister Harriet—unnervingly bright, insufferably determined, and unduly influenced by the fiction of Kipling and Robert Louis Stevenson--sets out to unmask his killer. Aided only by her worshipful friend Hely, Harriet crosses her town's rigid lines of race and caste and burrows deep into her family's history of loss. Filled with hairpin turns of plot and "a bustling, ridiculous humanity worthy of

Dickens" (The New York Times Book Review), *The Little Friend* is a work of myriad enchantments by a writer of prodigious talent.

**Friend of the Family** Craig Place Books

A rich and idle man confronts his dead mistress's husband in this psychological novel of duality. Powerful and accessible, it offers a captivating and revealing exploration of love, guilt, and hatred.

Family & Friends' Guide to Domestic Violence Open Road Media

Six overprotective older brothers. One hopelessly single younger sister. Her. She was talking about herself. Cora was the hopelessly single younger sister. Because, God, she loved her brothers. But, hell, they were ANNOYING. And good at scaring off every single man she'd ever dated. Sigh.

---

She just...wanted the happy ending, the man who'd love her and her flaws. The one who wouldn't be scared off by her six scary—even to her, as much as she hated to admit that particular truth—older brothers. But—another sigh—there didn't actually appear to be a man on the planet who met those criteria. So...circling back to the fact that she was hopelessly single and destined to remain that way. Until one day there was a knock at the door. And Rafe showed up, moved in, and— Proved that her brothers' best friend was the one man on the planet who wasn't scared.

*My Antonia* Courier Corporation

"Having been born a freeman, and for more than thirty years enjoyed the blessings of liberty in a free State—and having at the end of

that time been kidnapped and sold into Slavery, where I remained, until happily rescued in the month of January, 1853, after a bondage of twelve years—it has been suggested that an account of my life and fortunes would not be uninteresting to the public." -an excerpt

Friends of the Family Harper Collins

[The Family Next Door](#) Harper Collins

Almost ten years after its original publication, this groundbreaking and practical guide remains a wise, informed, and vital resource for those who want to assist a friend or loved one in her struggle to escape an abusive relationship. Susan Brewster, a longtime psychotherapist whose practice includes working with abused women and their families, recognizes that friends and family need specific tools and ideas to help them develop a relationship with their abused loved one that will ultimately benefit her, not control her. The survivor of an abusive

---

relationship herself, Brewster teaches readers how to recognize the signs of abuse, handle negative feelings, become an effective advocate, deal with the abuser, and more. This compassionate book is just as timely and important as ever, offering the information needed to give strength to women who are trying to break free. *Helping Her Get Free* was previously published as *To Be an Anchor in the Storm*.

**A Friend of the Family** Volcano Press

A fascinating blend of true-crime story and psychological thriller, this book casts painfully revealing light on the life and mind of a sociopath.

**Don't Date Your Brother's Best Friend**  
Girlebooks

When a child is diagnosed with an autism spectrum disorder (ASD), what the family really need, and often lack, is positive reassurance and understanding from those closest to them. This book is packed with advice on how extended family members and friends can provide the necessary support. Explaining the diagnosis and characteristics of ASD, this helpful guide

uses examples from real families to illustrate the complex feelings that parents and each member of the family are likely to go through after a child is diagnosed. It gives practical tips on help that might be needed most, details the possible changes that will take place as the family adjusts and concludes with a comprehensive guide to other useful sources of information. This book will help strengthen relationships between parents and their extended family and friends, enabling a reliable support system to develop which will remain crucial to the child throughout their life.
