In *A Miracle for St. Cecilia*?, Katherine Valentine created a charming Connecticut town where ordinary people experience extraordinary things. Now in *A Gathering of Angels* the citizens of Dorsetville continue to discover the daily wonders of faith. While Father Flaherty toys with taking up kickboxing to trim his growing waistline, another town expansion proves more ominous: Barry Hornibrook, driven to build a riverfront hotel, turns to questionable sources for desperately needed money. But this is Dorsetville, where anything is possible—and by the time this beguiling tale is over, a tragic fire, a German shepherd, and an influx of dentists will all play a role in changing the community forever. Full of delightful surprises, *A Gathering of Angels* proves to be another heart-warming tale of hope.

**NEW YORK TIMES BESTSELLER** The complete, uncensored history of the award-winning *The Daily Show* with Jon Stewart, as told by its correspondents, writers, and host. For almost seventeen years, *The Daily Show* with Jon Stewart brilliantly redefined the borders between television comedy, political satire, and opinionated news coverage. It launched the careers of some of today's most significant comedians, highlighted the hypocrisies of the powerful, and garnered 23 Emmys. Now the show's behind-the-scenes gags, controversies, and camaraderie will be chronicled by the players themselves, from legendary host Jon Stewart to the star cast members and writers—including Samantha Bee, Stephen Colbert, John Oliver, and Steve Carell - plus some of *The Daily Show*'s most prominent guests and adversaries: John and Cindy McCain, Glenn Beck, Tucker Carlson, and many more. This oral history takes the reader behind the curtain for all the show's highlights, from its origins as Comedy Central's underdog late-night program to Trevor Noah's succession, rising from a scrappy jester in the 24-hour political news cycle to become part of the beating heart of politics—a trusted source for not only comedy but also commentary, with a reputation for calling bullshit and an ability to effect real change in the world. Through years of incisive election coverage, passionate debates with President Obama and Hillary Clinton, feuds with Bill O'Reilly and Fox, and provocative takes on Wall Street and racism, *The Daily Show* has been a cultural touchstone. Now, for the first time, the

people behind the show's seminal moments come together to share their memories of the last-minute rewrites, improvisations, pranks, romances, blow-ups, and moments of Zen both on and off the set of one of America's most groundbreaking shows.

Dear Cousin Sallie, I begin with words I never thought to write: I am not an orphan! Thirteen-year-old Eldora has always believed that her mother died when she was very little, and for nine years she

---

has lived with people that she calls Aunt and Uncle. The year is 1850, and all three have exchanged their quiet lives in New Bedford, Massachusetts, for new ones in San Francisco, the rapidly growing city that is the heart of the California Gold Rush. Shortly after their arrival, they receive a letter from an unknown woman who believes she is Eldora's mother. She is eager to meet her long-lost daughter, and a visit is arranged. As Eldora deals with her conflicting feelings about this news, she must also adjust to the challenges -- and dangers -- of living in a brash and growing city. She finds herself teaching English to two Mexicano children and beginning to learn Spanish, and an unlikely friendship with a boy named Luke introduces her to the hard, sometimes humorous, and often violent world of the mining camps. Every day seems to bring something different and new to consider. But can Eldora discover where -- and to whom -- she belongs? Told in letters that ring with the voice of the times, *Letters from the Corrugated Castle* is an intriguing adventure set in a fascinating time in California's history -- a worthy conclusion to the geographical trilogy begun with *A Gathering of Days*, winner of the Newbery Medal, and *Brothers of the Heart*.

A crowd of siblings gathers in Dublin for the wake of their wayward brother in this “stunning” novel by the award-winning author of *Actress* (The Washington Post). The surviving children of the Hegarty clan are gathering for the wake of their wayward, alcoholic brother, Liam, drowned in the sea after filling his pockets with stones. He is the third of the twelve Hegarty siblings to die. His sister, Veronica, collects the body and keeps the dead man company, guarding the secret she shares with him—something that happened in their grandmother’s house in the winter of 1968. As prize-winning author Anne Enright traces the line of betrayal and redemption through three generations, her distinctive intelligence twists the world a fraction and gives it back to us in a new and unforgettable light. *The Gathering* is an “wonderfully elegant and unsparing” epic of an Irish family (Los Angeles Times)—a novel about love and disappointment, how memories warp and secrets fester, and how fate is written in the body, not in the stars. “Entrancing...a haunting look at a broken family stifled by generations of hurt and disappointment, struggling to make peace with the irreparable.” —Entertainment Weekly “A melancholic love and rage bubbles just beneath the surface of this Dublin clan, and Enright explores it unflinchingly.” —Publishers Weekly “Her sympathy for her characters is as tender and subtle as Alice McDermott’s; her vision of Ireland is as brave and original as Edna O’Brien’s. *The Gathering* is her best book.” —Colm Toibin “Hypnotic.” —Booklist (starred review)
