The extreme value of what the Lord Jesus Christ accomplished while on earth is based on His true identity. He asked His disciples the piercing question: “Who do men say that I, the Son of Man, am?” His identity continues to be questioned today.

The non-Christian community and church members alike struggle to know. Either Jesus Christ is God revealed in human flesh or He is not! This is the very issue that divides the entire human race. Evil powers continue to mount a steady assault upon the character of Christ. To disgrace His character is to destroy the effect of His work on the cross.

Jesus, Man of Joy Sunstone Press A Glimpse of Heaven is the true story of JoAnna Oblander. In 2002, JoAnna Oblander was no stranger to God working her in life. He had already orchestrated the miraculous adoption of two children from Russia and presented her and her husband with the spirits of their unborn children. However, wracked with the physical pain of 24/7 migraines, severe depression and business failures caused by her health, she was ready to call it quits and end her

life. At the conclusion of an earth-shattering day, an angel escorted her back to her pre-mortal existence. There, she was shown the plans and promises she had made with God. She returned from her near-death experience equipped with an understanding of who she truly was and with a divine sense of whom she was to become. A Glimpse of Glory WestBow Press Best-selling author Richard J. Foster offers a warm, compelling, and sensitive primer on prayer, helping us to understand, experience, and practice it in its many forms-from

the simple prayer of beginning again to unceasing prayer. He clarifies the prayer process, answers common misconceptions, and shows the way into prayers of contemplation, healing, blessing, forgiveness, and rest. Coming to prayer is like coming home, Foster says. "Nothing feels more right, more like what we are created to be and to do. Yet at the same time we are confronted with great mysteries. Who hasn't struggled with the puzzle of unanswered

prayer? Who hasn't wondered how a finite person can commune with the infinite Creator of the universe? Who hasn't questioned whether prayer isn't merely psychological manipulation after all? We do our best, of course, to answer these knotty questions but when all is said and done, there is a sense in which these mysteries remain unanswered and unanswerable . . . At such times we must learn to become comfortable with the mystery." Foster shows how

prayer can move us inward into personal transformation, upward toward intimacy with God, and outward to minister to others. He leads us beyond questions to a deeper understanding and practice of prayer, bringing us closer to God, to ourselves, and to our community. In the Beginning, God . . . WestBow Press
Karen Templin had always believed in God, yet she felt ignored by him most of her life. The time came when she began to feel a calling from Jesus. It seemed as though the Savior Himself was

beckoning her to know him on a personal level. She began to read everything she could about him with a hunger like she had never known. She prayed to see him in a dream, and he came to her in two dreams to teach her about trust in him. After understanding his teachings, Jesus appeared to her in a vision at a church. He graciously offered forgiveness of her sins as his overwhelming love and radiant white light rained down on her. He began to communicate to her about things she had not understood earlier in her life. The words he spoke would have a profound effect on her, and her life would be changed forever. This is a story of one woman's journey as she

embarks on a search for Christ, and ultimately finds him in ways that she had not expected. This book is a must read for anyone who would like a closer glimpse of Jesus Christ. Karen Templin offers an up close and personal look at the personality of our Lord that the reader will treasure forever.
