A Glimpse of the Chosen challenges readers to ponder the Bibles teaching of the doctrine of election. The writer begins by giving a small glimpse into the domain of the absolute holiness of God, his amazing power, his righteousness, and his love. God, who is the ultimate genius, has a divine purpose for everything that occurs in time and space, both good and evil, in order to ultimately reveal the amazing riches of his glory. A Glimpse of the Chosen unfolds a glimpse of Gods work in calling people to him, beginning in the Garden of Eden, continuing throughout history, and ending with the kingdom of Jesus Christ. The writer demonstrates that we are fallen creatures with a distorted knowledge of life. We can take comfort in the fact that no matter how things appear, God is in control and has a purpose for every human being, both saved and lost, that he creates.

For the great God who called me has given me, also, a glimpse of His glory. Kathryn Kuhlman Kathryn Kuhlman introduced the Holy Spirit to a generation who knew Him not. Thousands were born again and healed by the power of God during her miracle services. While most people knew Kathryn Kuhlman only as a woman of miracles, her most lasting contribution to the kingdom is her teaching. Her daily radio broadcasts were gems of truth and wit. This book captures Kathryn's spoken wisdom while also telling the stories of the miracle healings she witnessed. Hundreds of thousands bought her only authorized biography, *Daughter of Destiny*, to know her better. Then before she died in 1976 she told her biographer, Jamie Buckingham, Tell it all. He realized that what she taught was even more important than what she did. That realization birthed *A Glimpse Into Glory*. The short chapters that compose *A Glimpse Into Glory* carefully transcribed and edited from Kathryn's radio teachings represent some of the best messages she preached around the nation. Several are unpublished statements she gave to various magazines and newspapers, taken verbatim from interview tapes. What she had to say gives us not only insight into a woman God used as a prophetic leader, but also provides something far more important: glimpses into His glory.

Passionate and compelling, Greg Sheridan, bestselling author of *God is Good For You*, examines the role of Christianity in our modern world. 'Vividly written, compellingly argued, [Christians] will captivate believers and non-believers alike ... Jesus jumps from the pages of this book.' Richard Glover, ABC broadcaster 'You feel like you have met Jesus. I wholeheartedly endorse this book as a must read.' Russell Evans, Senior Pastor, Planetshakers International Church 'Greg Sheridan cuts through the thicket of scholars and skeptics to reclaim the New Testament and return us to the Word, as it was in the beginning.' Chris Uhlmann, political editor and columnist 'I love reading what Greg Sheridan has to say about faith. He is consistently interesting and challenging.' Nicky Gumbel, pioneer of the Alpha course on Christianity From the historical Jesus and his disciples through to the present day, Greg Sheridan has written an impassioned, informed and utterly compelling case for the truth and importance of Christianity in our lives. He presents a strong argument for the historical reliability of the New Testament, meets the living Jesus there,

explores the extraordinary personality of Paul, celebrates Mary's activism and examines the magnificent richness of John. Filled with insights, intelligence, warmth and humour, Greg also introduces us to a range of fascinating Christians today, among them political leaders, and young activists offering the radical Christian interpretation of love to their generation. His book explores the journey of those who have been guided by faith, such as Gemma Sisia, whose school in Tanzania has transformed the lives of thousands of children, and the dynamic Chinese Christians pursuing their beliefs under harsh restrictions. He examines where Jesus can be found in popular culture and talks to Christian leaders - Pentecostal, Catholic, Evangelical and others - in Australia, the US and Britain. At a time when the chasm of understanding between secularism and faith has never seemed wider, *Christians* is timely, relevant and convincing. 'At the heart of the Christian story is the truth about the life of Jesus ... Greg Sheridan's book is a good read about Good News.'

Peter Comensoli, Catholic Archbishop of Melbourne 'If there is ever going to be a Renaissance of Christian belief to save us from the dreariness of much secular humanism, it will come from a book like *Christians*. I will be buying it and giving it away to believers and sceptics alike.' John Dickson, author and historian
