Trinity Harper Collins

A dying Jew's last words to God -- a text that is regarded as the greatest piece of writing to have emerged from the Holocaust -- the story of how it came to be written, and the afterlife of both the author and his creation. As the German tanks destroy the Warsaw Ghetto, one of the few remaining fighters, Yosl Rakover, writes out his last words to God, seals the text in a glass bottle, and thrusts it into the rubble before preparing to

die. The text surfaces in Europe in the 1950s, is passed from hand to hand, is broadcast on Radio Berlin -- where it is acclaimed by Thomas Mann as a religious masterpiece -- is anthologized and translated into many languages. But what is hailed as the most important testament of the Holocaust is in fact a short story, written in 1946 for a Yiddish newspaper by a remarkable young Jew, Zvi Kolitz, in Buenos Aires, where he had gone to raise money for the Jewish underground in the struggle to establish the State of Israel. The Borgesian story of what happened to the text and to Kolitz in the fifty years since, and the detective work of German journalist Paul Badde that resulted in their eventual rejoining, form the second part

of this fascinating book. And in an afterword, the great French philosopher Emmanuel Lévinas's meditation on the text is answered in a commentary by Leon Wieseltier. Already an acclaimed bestseller in Europe, Yosl Rakover Talks to God restores a blazing artifact of twentieth-century writing to its true setting.

A Generation Lost Vantage Press, Inc

A moody mystery set in Italy from the New York

Times – bestselling author: “ One of the most exquisite and subtle detective series ever. ” —The Washington Post Guido Brunetti has to deal every day with crimes big and small, suffocating corruption, and a never-

ending influx of tourists. But at least he gets to do it in Venice, one of the most beautiful cities in the world. In this mystery in the bestselling series, the police commissioner's endurance will truly be tested. During an interrogation of an entitled, arrogant man suspected of giving drugs to a young girl, Brunetti acts rashly, doing something he will quickly come to regret. In the fallout, he realizes that he needs a break. Granted leave from the Questura, he accompanies his wife to a villa on Sant' Erasmo, one of the largest islands in the laguna. There he intends to pass his days rowing, and his nights reading Pliny's Natural History. That is until the caretaker of the house, a widowed beekeeper, goes missing following a sudden storm, and Brunetti must set aside his leave of absence and understand what happened to a man who had become a friend. From a Silver Dagger Award – winning author, this is a poignant novel featuring Guido Brunetti, “ a superb police detective—calm, deliberate, and insightful ” (Library Journal).

What is your plan for the end of the world as we know it? How will you protect the people you

love? What will you leave to them when you are gone?

The good news is this is not the first time the world has ended. What's more, men were made for times like these. And the men of the past--the good ones, anyway--have left us a plan to follow. They built houses to last--houses that could weather a storm. This book contains their plan.

Earthly Remains Duke

University Press

For hundreds of years, the history of the conquest of Mexico and the defeat of the Aztecs has been told in the words of the Spanish victors. Miguel León-Portilla has long been at the forefront of expanding that history to include the voices of indigenous peoples. In this new and updated edition of his classic *The Broken Spears*, León-Portilla has included accounts from native Aztec descendants across the centuries. These texts bear witness to the extraordinary vitality of an oral tradition that preserves the viewpoints of the vanquished instead of the victors. León-Portilla's new *Postscript* reflects upon the critical importance of these unexpected historical accounts.

Mitla Pass Simon and Schuster

This stunning companion to Kate Atkinson's #1 bestseller *Life After Life*, "one of the best novels I've read this century" (Gillian Flynn), follows Ursula's brother Teddy as he navigates

an unknown future after a perilous war. "He had been reconciled to death during the war and then suddenly the war was over and there was a next day and a next day. Part of him never adjusted to having a future." Kate Atkinson's dazzling *Life After Life* explored the possibility of infinite chances and the power of choices, following Ursula Todd as she lived through the turbulent events of the last century over and over again. *A God in Ruins* tells the dramatic story of the 20th Century through Ursula's beloved younger brother Teddy -- would-be poet, heroic pilot, husband, father, and grandfather -- as he navigates the perils and progress of a rapidly changing world. After all that Teddy endures in battle, his greatest challenge is living in a future he never expected to have. An ingenious and moving exploration of one ordinary man's path through extraordinary times, *A God in Ruins* proves once again that Kate Atkinson is one of the finest novelists of our age.

The City of Lost Fortunes

HarperCollins Publishers

"The narrative is fast paced, bursting with action, and obviously based on an intimate grasp of the region, its peoples, their tradition and age-old ways of life."—John Barkham

Reviews Leon Uris returns to the land of his acclaimed best-seller *Exodus* for an epic story of hate and love, vengeance and forgiveness

and forgiveness. The Middle East is the powerful setting for this sweeping tale of a land where revenge is sacred and hatred noble. Where an Arab ruler tries to save his people from destruction but cannot save them from themselves. When violence spreads like a plague across the lands of Palestine—this is the time of The Haj.

Redemption Penguin

A captivating contemporary fantasy set in New Orleans following Jude - a man with a talent. Jude can locate anything that has been lost. But after Katrina hits, his talent becomes a curse and he finds himself at the edge of madness... Post-Katrina New Orleans is a place haunted by its history and by the hurricane's destruction. Street magician Jude Dubuisson is likewise burdened by his past and by the storm, because he has a secret: the magical ability to find lost things, a gift passed down to him by the father he has never known. Jude has been lying low since the storm, which caused so many things to be lost that it played havoc with his magic. But his retirement ends abruptly when the Fortune god of New Orleans is murdered and Jude is drawn back into the world he tried so desperately to leave. A world full of magic,

monsters, and miracles. A world where he must find out who is responsible for the Fortune god's death, uncover the plot that threatens the city's soul, and discover what his talent has always been trying to show him: what it means to be his father's son.

A brilliant new translation of a classic work on violence and revolution as seen through mythology and art The Ruin of Kasch takes up two subjects—"the first is Talleyrand, and the second is everything else," wrote Italo Calvino when the book first appeared in 1983. Hailed as one of those rare books that persuade us to see our entire civilization in a new light, its guide is the French statesman Charles-Maurice de Talleyrand, who knew the secrets of the ancien régime and all that came after, and was able to adapt the notion of "legitimacy" to the modern age. Roberto Calasso follows him through a vast gallery of scenes set immediately before and after the French Revolution, making occasional forays

backward and forward in time, from Vedic India to the porticoes of the Palais-Royal and to the killing fields of Pol Pot, with appearances by Goethe and Marie Antoinette, Napoleon and Marx, Walter Benjamin and Chateaubriand. At the center stands the story of the ruin of Kasch, a legendary kingdom based on the ritual killing of the king and emblematic of the ruin of ancient and modern regimes. Offered here in a new translation by Richard Dixon, The Ruin of Kasch is, as John Banville wrote, "a great fat jewel-box of a book, gleaming with obscure treasures."

_____ What if you had the chance to live your life again and again, until you finally got it right? During a snowstorm in England in 1910, a baby is born and dies before she can take her first breath. During a snowstorm in England in 1910, the same baby is born and lives to tell the tale. What if there were second chances? And third chances? In fact an infinite number of chances to live your life? Would you eventually be able to save the world from its own inevitable destiny? And would you even want to? Life After Life follows Ursula Todd as she lives through the turbulent events of the last century again and again. With wit and compassion, Kate Atkinson finds warmth even in life's bleakest moments, and shows an extraordinary ability to evoke the past. Here she is at her most profound and inventive, in a novel that celebrates the best and worst of ourselves.

_____ 'Merging family saga with a fluid sense of time and an extraordinarily vivid sense of history at its most human level. A dizzying and dazzling tour de force' Daily Mail 'Absolutely brilliant...it reminded me a bit of her first book Behind the Scenes at the Museum, which is one of

my most favourite books ever.' Marian Keyes, author of Rachel, Again 'An exceptional writer' Guardian '[A] magnificently tender and humane novel' Observer 'A ferociously clever writer...a big, bold novel that is enthralling, entertaining' New Statesman 'Exceptionally captivating' New York Times 'Truly brilliant...Think of Audrey Niffenegger's The Time Traveler's Wife or David Nicholl's One Day.. a rare book that you want to start again the minute you have finished.' The Times The Angry Hills Blackstone Publishing Specially priced! This edition of Uris's bestselling sequel to his all-time blockbuster "Trinity" is sure to capture a whole new generation of readers. Features a teaser chapter from Uris's long-awaited new hardcover novel, "A God in Ruins".

Smith Princeton University Press Nothing in his rural New England upbringing could have prepared Colin Phelps for freshman year at an Ivy League college: the House Master crashes hall parties; public nudity is practically an intramural sport; and French intellectuals spouting arcane theories cast a spell over the

undergraduates. Colin plunges into the hookup culture, competing with his brash, rule-breaking roommate. But as he soon discovers, the pursuit of transgression is fraught with unexpected pitfalls, and his suave pose must be stripped away if he is to find genuine freedom.

Armageddon; a Novel of Berlin, St. Martin's Press Christopher Hitchens, described in the London Observer as "one of the most prolific, as well as brilliant, journalists of our time" takes on his biggest subject yet—the increasingly dangerous role of religion in the world. In the tradition of Bertrand Russell's *Why I Am Not a Christian* and Sam Harris's recent bestseller, *The End Of Faith*, Christopher Hitchens makes the ultimate case against religion. With a close and erudite reading of the major religious texts, he documents the ways in which religion is a man-made wish, a cause of dangerous sexual repression, and a distortion of our origins in the cosmos. With eloquent clarity, Hitchens frames the argument for a more secular life based on

science and reason, in which hell is replaced by the Hubble Telescope's awesome view of the universe, and Moses and the burning bush give way to the beauty and symmetry of the double helix.

Empire of the Vampire Titan Books

Jill and Leon Uris came to Ireland looking for answers. Why was Ireland bled by one internal war after another? How can one country contain such greatness and grief? What they discovered was more than the Ireland of peat fires and pubs, of fabled Irish wit and the haunts of the banshees. What they found was a people--trapped in mutual mistrust, but with a courage and kindness that brought them through centuries of bitter occupation and civil dissension, in a land as complexly beautiful as the people themselves. This then is the Uris' "love song" to the Irish and to Ireland.

The Evolution of Humankind

Grove/Atlantic, Inc.

A God in Ruins Spanning the decades from World War II to the 2008 presidential campaign, A God in Ruins is the riveting story of Quinn Patrick O'Connell, an honest, principled, and courageous man on the brink of becoming

the second Irish Catholic President of the United States. But Quinn is a man with an explosive secret that can shatter his political ambitions, threaten his life, and tear the country apart--a secret buried for over a half century--that even he does not know...

Istanbul Passage Beacon Press

A sweeping novel of love, passion, and freedom, Mitla Pass stands as an epic look at modern Middle Eastern history and is quite possibly Uris's most autobiographical work.

Gideon Zadok arrives in Israel with every intention to research a new book, mend a broken marriage, and improve his dysfunctional family. But as political tensions escalate and his family is evacuated, Zadok asks to follow Israeli paratroopers to secure Mitla Pass and finds himself in the midst of one of the largest global crises of the twentieth century.

Battle Cry McClelland & Stewart

The life and times of this iconic and enduring biblical book The book of Job raises stark questions about the meaning of innocent suffering and the relationship of the human to the divine, yet it is also one of the Bible's most obscure and paradoxical books. Mark Larrimore provides a panoramic history of this remarkable book, traversing centuries and traditions to examine how Job's trials and his challenge to God have been used and understood in diverse contexts, from

commentary and liturgy to philosophy and art. Larrimore traces Job's reception by figures such as Gregory the Great, William Blake, and Elie Wiesel, and reveals how Job has come to be viewed as the Bible's answer to the problem of evil and the perennial question of why a God who supposedly loves justice permits bad things to happen to good people.

A God in Ruins Puffin

A fresh, new Canadian author, who is comparable to Marion Zimmer Bradley, debuts a brand new fantasy trilogy for all ages. The quest is on to find the coveted Stone of the Stars on the mystical isle of Trynisia, once a place where humans dwelt side by side with dragons. Four have set off on their journey to reach it--Ailia, a daydreaming bookworm; Damion, a devoted missionary; Jomar, a half-breed soldier-slave; and Lorelyn, quite possibly a prophesied savior, who will one day guide her people in a battle against the Dark God. But can they reach the isle and the Stone of the Stars before the tyrannical God-King Khalazar finds it and uses it to rule the world?

The Boy on the Wooden Box Farrar, Straus and Giroux

A Puffin Book - stories that last a lifetime. Puffin Modern Classics are relaunched under a new logo: A Puffin Book. There are 20 titles to collect in

the series, listed below, all with exciting new covers and fun-filled endnotes. London street urchin Smith is 12 years old, and an experienced pick-pocket. One day on Ludgate Hill, he robbed an old gentleman, and one minute later watched him silently murdered by two men, who chased him for the document he had stolen but could not understand. Smith artfully dodges the two men and winds up in the odd company of a wealthy blind man, who takes Smith into his home and provides him with an education. But this new comfort is lost when Smith himself is suspected of the very murder he witnessed. Leon Garfield was a British novelist, born in 1921. He is best known for children's historical novels, though he also wrote for adults. He wrote more than thirty books including Shakespeare's Stories - retellings of Shakespeare's plays for children, and he won many awards including the Guardian Award and the Carnegie Medal. He died in 1996, aged 74. Also available in A Puffin Book

Based on the diaries of Leon Uris's uncle, this action-packed thriller will keep readers in suspense until the very end. Just as World War II threatens to break out, Mike Morrison arrives in Greece to collect his late wife's inheritance. Hoping to quickly finish his business and leave

before German troops invade, Morrison's plans are derailed when he receives a letter listing the names of Greek patriots pretending to be German collaborators, a list Nazi strategists desperately need. With the outcome of the war hinging on Morrison's ability to protect the letter, he embarks on an adventure across Greece in an effort to evade Nazi troops and keep the letter from falling into enemy hands.
