Floret Farm's Discovering Dahlias Simon and Schuster

“ A dazzling mosaic of intersecting lives and fates . . . Comparisons to John Irving and Tennessee Williams would not be amiss in this show-stopping debut ” (Kirkus Reviews, starred review). The national bestseller and Today Show Book Club selection, *Broken for You* is the story of two women in self-imposed exile whose lives are transformed when their paths intersect . . . When we meet septuagenarian Margaret Hughes, she is living alone in a mansion in Seattle with only a massive collection of valuable antiques for company. Enter Wanda Schultz, a young woman with a broken heart who has come west to search for her wayward boyfriend. Both women are guarding dark secrets and have spent many years building up protective armor against the outside world. As their tentative friendship evolves, the armor begins to fall away and Margaret opens her house to the younger woman. This launches a series of unanticipated events, leading Margaret to discover a way to redeem her cursed past, and Wanda to learn the true purpose of her cross-country journey. “ I absolutely fell in love with this book. . . . There is a message here about creating family in the most unusual places. . . . A wonderful, engaging story. ” —Sue Monk Kidd, New York Times – bestselling author of *The Secret Life of Bees* “ Well-crafted plotting and crackling wit make this debut novel by Seattle author Kallos a delight to read and a memory to savor . . . Book groups will enjoy discussing the layers of meaning, the stylistic nuances, and the powerful message of hope secreted in these pages. ” —Booklist (starred review)

*The Chairman* Grove/Atlantic, Inc.

*Bitterroot* Landing introduces Jael, born into a hard life, but a survivor. She will survive even River Bill. The almost impersonal kindness of strangers will rescue her; a priest with a good heart will shelter and teach her; a careful man will take his time and love her back into the world. Voices have always spoken to Jael in her mind, and some of what they have told her to do has been frightening. But the voices she hears now speak of comfort and courage, teaching her to master the ways other people manage to live. Jael has a job now, cleaning in a church, and a room of her own in the church's basement. As she dusts the statue of the Virgin Mary, the Virgin speaks peace to her. There's definitely too much hurt around here, she says. In flaws, you find the truth, says the small, dark figure

of a woman Jael sculpts out of wax. Come and look at the moon, says the homeless woman she meets at the laundromat. Hello, I'm an incest survivor, say the women in the recovery group that meets every week the church, just the other side of Jael's room. Voices both real and imagined make Jael stronger every day, until she finds she no longer needs them. Until she finds that at last she has a voice of her own.

## Faces of Suicide East African Publishers

It is 1961 and Puerto Rico is trapped in a tug-of-war between those who want to stay connected to the United States and those who are fighting for independence. For eleven-year-old Verdita Ortiz-Santiago, the struggle for independence is a battle fought much closer to home. Verdita has always been safe and secure in her sleepy mountain town, far from the excitement of the capital city of San Juan or the glittering shores of the United States, where her older cousin lives. She will be a señorita soon, which, as her mother reminds her, means that she will be expected to cook and clean, go to Mass every day, choose arroz con pollo over hamburguesas, and give up her love for Elvis. And yet, as much as Verdita longs to escape this seemingly inevitable future and become a blond American bombshell, she is still a young girl who is scared by late-night stories of the chupacabra, who wishes her mother would still rub her back and sing her a lullaby, and who is both ashamed and exhilarated by her changing body. Told in luminous prose spanning two years in Verdita's life, *The Time It Snowed* in Puerto Rico is much more than a story about getting older. In the tradition of *The House on Mango Street* and *Annie John*, it is about the struggle to break free from the people who have raised us, and about the difficulties of leaving behind one's homeland for places unknown. At times joyous and at times heartbreaking, Verdita's story is of a young girl discovering her power and finding the strength to decide what sort of woman she'll become.

*Growing Wonder* A Gracious PlentyDisfigured by boiling water, Finch Nobles is so ugly people shun her. So Finch, who is employed as a caretaker in a cemetery, finds company in the dead who talk to her. Among her friends are the spirits of a beauty queen and of a homeless man.A Gracious Plenty #1 New York Times bestselling author Sheri Reynolds continues to captivate in this masterful tale of redemption and finding a place to truly belong. Kenny Lugo has been raised by her father's girlfriend "Aunt Glo" after her mother died of cancer and her daddy went to jail for drug trafficking. As she approaches her eighteenth birthday and the looming end of government checks that have sustained her, Kenny desperately wants to prove that this family belongs to her. But when a senseless murder of a woman next door occurs, Kenny becomes consumed with her own feelings of how she is different and has therefore been deemed unworthy, and the death of the young woman who had everything to live for becomes her unshakable obsession. In the end, Kenny's is the story of an unforgettable young woman

who finds redemption in the unlikelyst of places.

#### NurtureShock Hogarth

No one knows the dark side of “ The Street ” better than master storyteller Stephen Frey, author of such riveting novels as Shadow Account and The Day Trader. Now, in his most ambitious work to date, Frey proves that no writer can put a high-powered hero at greater risk, nor offer readers more thrilling rewards. A towering legend among New York private equity partnerships, Everest Capital is aptly named. When its founder meets an untimely death, thirty-six-year-old superstar Christian Gillette gets the top job. But with the power and prestige come risks. The day he narrowly escapes a fiery explosion that consumes his limo and takes two innocent lives, Gillette instantly understands how intense those risks are. It comes as no surprise to him that he has enemies in the world of multibillion-dollar deals. But now that he controls Everest, he ’ s not going to let those enemies keep him from taking the firm – and himself – to even greater heights. Gillette has never hesitated to be aggressive, even ruthless, in his pursuit of success. This time will be no exception. But in order to forge the alliances necessary to achieve his goals, Gillette forsakes a cardinal rule: Never trust anyone. The only certainties are the insidious campaign of corporate sabotage that could cost Gillette his job and the relentless assassination attempts that could cost him his life. To break a deadly conspiracy of greed, he ’ ll be forced to walk – then run – an ever-blurring line between loyalty and betrayal, attack and retreat, survival and destruction . . . in the ultimate game of profit and loss. With The Chairman, Stephen Frey presides with intensified skill over the market he has so dramatically cornered – sharpening his patented brand of hard-boiled high-finance intrigue to its keenest cutting edge yet.

#### Leavin' Trunk Blues Houghton Mifflin Harcourt

A richly textured coming-of-age story about fathers and sons, home and family, recalling classics by Thomas Wolfe and William Styron, by a powerful new voice in fiction Just before Henry Aster ’ s birth, his father—outsized literary ambition and pregnant wife in tow—reluctantly returns to the small Appalachian town in which he was raised and installs his young family in an immense house of iron and glass perched high on the side of a mountain. There, Henry grows up under the writing desk of this fiercely brilliant man. But when tragedy tips his father toward a fearsome unraveling, what was once a young son ’ s reverence is poisoned and Henry flees, not to return until years later when he, too, must go home again. Mythic in its sweep and mesmeric in its prose, THE BARROWFIELDS is a breathtaking debut about the darker side of devotion, the limits of forgiveness, and the reparative power of shared pasts. – SIBA Okra Pick

The River Beyond the World Fox Chapel Publishing

#1 New York Times bestselling author Sheri Reynolds delivers an emotionally moving novel

of Finch Nobles, a girl severely burned as a child, who later discovers she can hear the voices of the dead. After sustaining terrible burns from a household accident as a young girl, Finch Nobles refuses the pity of her hometown. The brave and feisty loner finds comfort in visiting her father's cemetery, where she soon discovers that she can hear the voices of those buried underground. When she begins to speak to them, their answers echo around her in a remarkable chorus of regrets, explanations, and insights. A wonderfully wrought amalgam of Steinbeck, Faulkner, Spoon River Anthology, and Our Town, A Gracious Plenty is a masterful tale not soon forgotten.

#### My Life in Prison Bywater Books

Edwer Thissell has to conduct a murder investigation on a planet where everyone wears masks and plays complicated musical instruments to denote their social status. Gracious Plenty Ballantine Books

It was a simple incident in the life of James Clavell—a talk with his young daughter just home from school—that inspired this chilling tale of what could happen in twenty-five quietly devastating minutes. He writes, "The Children's Story came into being that day. It was then that I really realized how vulnerable my child's mind was —any mind, for that matter—under controlled circumstances. Normally I write and rewrite and re-rewrite, but this story came quickly—almost by itself. Barely three words were changed. It pleases me greatly because I kept asking the questions... Questions like, What's the use of 'I pledge allegiance' without understanding? Like Why is it so easy to divert thoughts? Like What is freedom? and Why is so hard to explain? The Children's Story keeps asking me all sorts of questions I cannot answer. Perhaps you

---

can—then your child will...."

Broken for You Bloom Imprint LLC

Disfigured by boiling water, Finch Nobles is so ugly people shun her. So Finch, who is employed as a caretaker in a cemetery, finds company in the dead who talk to her. Among her friends are the spirits of a beauty queen and of a homeless man.

Firefly Cloak Harper Perennial

Meet Dolores Price. She's thirteen, wise-mouthed but wounded. Beached like a whale in front of her bedroom TV, she spends the next few years nourishing herself with the chocolate, crisps and Pepsi her anxious mother supplies. When she finally rolls into young womanhood at 257 pounds, Dolores is no stronger and life is no kinder. But this time she's determined to rise to the occasion and give herself one more chance before really going belly up. In his extraordinary coming-of-age odyssey, Wally Lamb invites us to hitch an incredible ride on a journey of love, pain, and renewal with the most heartbreakingly comical heroine to come along in years. At once a fragile girl and a hard-edged cynic, so tough to love yet so inimitably loveable, Dolores is as poignantly real as our own imperfections.

The Moon Moth John Wiley & Sons

Abandoned by their desperate mother, eight-year-old Tessa Lee and her brother, Travis, are left only with her favorite housecoat and the phone number of their grandparents, items that years later prompt Tessa Lee to search for what she has lost.

Simple Friendships Penguin

In the lush and isolated cemetery of a small Southern town, Finch Nobles, the narrator of this brilliantly inventive novel, tends to the flowers and shrubs that surround the monuments of people who were not known to her while they lived but who in death have become her lifeline. Badly burned in a household accident when she was just four, Finch grows into a courageous and feisty loner. She eschews the pity and awkward stares of the people of her hometown and discovers that if she listens closely enough, she can hear the voices of those who have gone before. Finally, when she speaks, they answer back, telling their stories in a

remarkable chorus of regrets, explanations, and insights. But the infant Marcus, son of the town's mayor, died before he learned to speak and can only wail away the hours. The roots of his anguish are revealed in a crescendo of lasting resonance that ties together the outcast Finch, her dead friends, and the living community outside the cemetery's gates. With prose that is spare, yet richly poetic, Sheri Reynolds creates a vision of a world that is at once fantastic and palpably real. She teaches us that neither our capacity to suffer nor our ability to be healed ends with the grave--and that love is all we have. A Gracious Plenty is a reading experience you will not soon forget. "A triumph of story, voice, and character. The afflicted and unforgettable Finch, whose longings inspire in equal measure love and awe and pity, who seeks to understand the difference between the kind of suffering brought upon us and the kind we bring upon ourselves, defies mortality. Stunning and authentic . . . this is a beautiful book." --Janet Peery, author of "TheRiver Beyond the World"

Life's Golden Ticket Dell

Nick Travers becomes involved in the forty-year-old murder of a blues record producer, a crime for which the victim's potentially innocent lover, Ruby Walker, has spent forty years in prison.
