Comprehending as skillfully as accord even more than supplementary will give each success. bordering to, the statement as well as insight of this A Hard Call Stonewall Investigations Book 1 can be taken as competently as picked to act.

Lie With Me Hachette UK

The book that started it all. Written with Coulter's trademark irreverent wit, this bestseller is now available in paperback. A Wanted Man Stonewall Investigations Instant New York Times Bestseller "Important and stunning. This is must-read material if you want to understand what the Trump administration is still up to right now." --Lawrence O'Donnell There are questions that the Mueller report couldn't—or wouldn't—answer. What actually happened to instigate the Russia investigation? Did President Trump's meddling incriminate him? There's no mystery to what Trump thinks. He claims that the Deep State, a cabal of career bureaucrats—among them, Andrew McCabe, Lisa Page, and Peter Strzok, previously little known figures within the FBI whom he has obsessively and publically reviled—is concerned only with protecting its own power and undermining the democratic process. Conversely, James Comey has defended the FBI as incorruptible apolitical public servants who work tirelessly to uphold the rule of law. For the first time, bestselling author James B. Stewart sifts these conflicting accounts to present a clear-eyed view of what exactly happened inside the FBI in the lead-up to the 2016 election, drawing on scores of interviews with key FBI, Department of Justice, and White House officials and voluminous transcripts, notes, and internal reports. In full detail, this is the dramatic saga of the FBI's simultaneous investigations of both Hillary Clinton and Donald Trump—the first time in American history the FBI has been thrust into the middle of both parties' campaigns for the presidency. Stewart shows what exactly was set in motion when Trump fired Comey, triggering the appointment of Robert Mueller as an independent special counsel and causing the FBI to open a formal investigation into the president himself. And how this unprecedented event joined in ongoing combat two vital institutions of American democracy: the presidency and the Federal Bureau of Investigation. At stake in this epic battle

is the rule of law itself, the foundation of the U.S. Constitution. There is no room for compromise, but plenty for collateral damage. The reputations of both sides have already been harmed, perhaps irrevocably, and at great cost to American democracy. Deep State goes beyond the limits of the legally constrained Mueller report, showing how the president's obsession with the idea of a conspiracy against him is still upending lives and sending shockwaves through both the FBI and the Department of Justice. In this world-historical struggle—Trump versus intelligence agencies—Stewart shows us in rare style what's real and what matters now. And for the looming 2020 election. High Crimes and Misdemeanors Oni Press NEW YORK TIMES BESTSELLER • From the author of *Empire of Pain*—a stunning, intricate narrative about a notorious killing in Northern Ireland and its devastating repercussions "Masked intruders dragged Jean McConville, a 38-year-old widow and mother of 10, from her Belfast home in 1972. In this meticulously reported book—as finely paced as a novel—Keefe uses McConville's murder as a prism to tell the history of the Troubles in Northern Ireland. Interviewing people on both sides of the conflict, he transforms the tragic damage and waste of the era into a searing, utterly gripping saga." —New York Times Book Review Jean McConville's abduction was one of the most notorious episodes of the vicious conflict known as The Troubles. Everyone in the neighborhood knew the I.R.A. was responsible. But in a climate of fear and paranoia, no one would speak of it. In 2003, five years after an accord brought an uneasy peace to Northern Ireland, a set of human bones was discovered on a beach. McConville's children knew it was their mother when they were told a blue safety pin was attached to the dress—with so many kids, she had always kept it handy for diapers or ripped clothes. Patrick Radden Keefe's mesmerizing book on the bitter conflict in Northern Ireland and its aftermath uses the McConville case as a starting point for the tale of a society wracked by a violent guerrilla war, a war whose consequences have never been reckoned with. The brutal violence seared not only people like the McConville children, but also I.R.A. members embittered by a peace that fell far short of the goal of a united Ireland, and left them wondering whether the killings they committed were not justified acts of war, but simple murders. From radical and impetuous I.R.A. terrorists such as Dolours Price, who, when she was barely out of her teens, was already planting

bombs in London and targeting informers for execution, to the ferocious I.R.A. mastermind known as The Dark, to the spy games and dirty schemes of the British Army, to Gerry Adams, who negotiated the peace but betrayed his hardcore comrades by denying his I.R.A. past—Say Nothing conjures a world of passion, betrayal, vengeance, and anguish. Look for Patrick Radden Keefe's latest bestseller, *Empire of Pain*

Why Be Happy When You Could Be Normal? Simon and Schuster

INSTANT #1 NEW YORK TIMES BESTSELLER *INSTANT #1 INDIE BESTSELLER* *INSTANT USA TODAY BESTSELLER* From the New York Times bestselling author of *One Last Stop* and *Red, White & Royal Blue* comes a romantic comedy about chasing down what you want, only to find what you need... Chloe Green is so close to winning. After her moms moved her from SoCal to Alabama for high school, she's spent the past four years dodging gossip classmates and the puritanical administration of Willowgrove Christian Academy. The thing that's kept her going: winning valedictorian. Her only rival: prom queen Shara Wheeler, the principal's perfect progeny. But a month before graduation, Shara kisses Chloe and vanishes. On a furious hunt for answers, Chloe discovers she's not the only one Shara kissed. There's also Smith, Shara's longtime quarterback sweetheart, and Rory, Shara's bad boy neighbor with a crush. The three have nothing in common except Shara and the annoyingly cryptic notes she left behind, but together they must untangle Shara's trail of clues and find her. It'll be worth it, if Chloe can drag Shara back before graduation to beat her fair and square. Thrown into an unlikely alliance, chasing a ghost through parties, break-ins, puzzles, and secrets revealed on monogrammed stationery, Chloe starts to suspect there might be more to this small town than she thought. And maybe—probably not, but maybe—more to Shara, too. Fierce, funny, and frank, Casey McQuiston's *I Kissed Shara Wheeler* is about breaking the rules, getting messy, and finding love in unexpected places. "An unfettered joy to read." - The New York Times "McQuiston has done it again." - USA Today "You won't want to miss." - Good Housekeeping

A Hard Call Catapult

NEW YORK TIMES BESTSELLER • Features a new introduction on the origins of the Will Trent novels and Broken's place in the series Karin Slaughter's internationally bestselling

novels are as notable for their vivid portraits of lives shadowed by loss and heartbreak as they are for their dramatic criminal investigations. Broken features the return of her most compelling characters and introduces memorable new ones in a tale of corruption, murder, and confrontation that will leave more than one life . . . When Special Agent Will Trent arrives in Grant County, he finds a police department determined to protect its own and far too many unanswered questions about a prisoner's death. He doesn't understand why Officer Lena Adams is hiding secrets from him. He doesn't understand her role in the death of Grant County's popular police chief. He doesn't understand why that man's widow, Dr. Sara Linton, needs him now more than ever to help her crack this case. While the police force investigates the murder of a young woman pulled from a frigid lake, Trent investigates the police force, putting pressure on Adams just when she's already about to crack. Caught between two complicated and determined women, trying to understand Linton's passionate distrust of Adams, the facts surrounding Chief Tolliver's death, and the complexities of this insular town, Trent will unleash a case filled with explosive secrets—and encounter a thin blue line that could be murderous if crossed. Spellbinding and keenly paced, Broken is Karin Slaughter at her best. Here is an unforgettable story of raw emotions, dangerous assumptions, the deadly and layered game of betrayal, and a man's determination to expose the most painful of human truths—no matter how deeply they're hidden . . . or how devastating.

Call Me Max (Max and Friends Book 1) New Society Publisher
SAM CLARK Family, friends, and video games. The three things that define my life. When a fourth variable gets added in the form of a smoldering detective named Rocky Hudson, suddenly

everything changes. Life isn't as simple anymore, and it begins to start feeling like a new world is opening up to me. A new world filled with firsts. But things take a turn and instead of awkwardly flirting, I find myself trying to convince Rocky that I shouldn't be a suspect in the case he's investigating. Our connection starts off on shaky ground and my daydreams about the handsome man quickly fluctuate from me ringing his neck to him ringing my... like I said, shaky ground. Bottom line though: I couldn't stop thinking about him. And soon, I wouldn't ever want to stop. ROCKY HUDSON Tragedy made me who I was, cementing the brick wall I had built around myself after the hurt subsided. The only time I'd let people in was when I'd walk them into my Velvet Room. But as far as craving relationships, I had killed that part of myself ages ago. Imagine my surprise when a bright-eyed young guy comes barreling through my defenses, knocking it all down, changing everything. Still, things are never easy, and when my case twists around on itself and points in a direction I don't like, I follow it, falling down a rabbit hole that leads to explosive revelations. All with Sam Clark at the center of it. As the connection between us strengthens and the mystery deepens, I find myself protecting his heart at all costs, while surrendering my own in the process.

_____ His First Surrender is the third and final book in the Stonewall Investigations-Miami series. It's a full-length, steamy gay romance novel and can read as a stand-alone.

The Lullaby Girl Wednesday Books
From a New York Times-bestselling author, "another frontier romance loaded with hot lead, steamy sex and surprising plot twists" (Publishers Weekly). The past has a way of catching up with folks in Stone Creek, Arizona. But schoolmarm Lark Morgan and Marshal Rowdy Rhodes are determined to hide their secrets—and deny their instant attraction. That should be easy, since each suspects the other of living a lie. . . . Yet Rowdy and Lark share one truth: both face real dangers. Such as the gang of train robbers heading their way, men Ranger Sam O'Ballivan expects Rowdy to nab. As past and current troubles collide, Rowdy and Lark must surrender their pride to the greatest power of all—undying love. "Linda Lael Miller creates vibrant characters and stories I defy you to forget." —Debbie Macomber, #1 New York Times-bestselling author of *The Best is Yet to Come*
Pushing to the Front DIANE Publishing
His job is to protect her...no matter the cost Police

detective Joy Ingram's connection to elite security expert Stonewall Courson is instant. Undeniable. Electric. But her commitment to protect and serve has always come first. Everything else is secondary—especially when she uncovers an underground surrogate baby-making ring. Joy can't risk a distraction during the most important case of her career, not even one as sexy as reformed ex-con Stonewall. There are few things Stonewall values more than a strong woman. But when Joy's investigation draws her into a deadly conspiracy that goes deeper than she ever imagined, he must convince her that he's the best man to protect her. And while he puts his life on the line to save hers, the insatiable attraction between them becomes the one danger neither of them can escape.

I Kissed Shara Wheeler Little, Brown Books for Young Readers
Obstruction of justice, the specter of impeachment, sexism at work, shocking revelations: Jill Wine-Banks takes us inside her trial by fire as a Watergate prosecutor. It was a time, much like today, when Americans feared for the future of their democracy, and women stood up for equal treatment. At the crossroads of the Watergate scandal and the women's movement was a young lawyer named Jill Wine Volner (as she was then known), barely thirty years old and the only woman on the team that prosecuted the highest-ranking White House officials. Called "the mini-skirted lawyer" by the press, she fought to receive the respect accorded her male counterparts—and prevailed. In *The Watergate Girl*, Jill Wine-Banks opens a window on this troubled time in American history. It is impossible to read about the crimes of Richard Nixon and the people around him without drawing parallels to today's headlines. The book is also the story of a young woman who

sought to make her professional mark while trapped in a failing marriage, buffeted by sexist preconceptions, and harboring secrets of her own. Her house was burgled, her phones were tapped, and even her office garbage was rifled through. At once a cautionary tale and an inspiration for those who believe in the power of justice and the rule of law, *The Watergate Girl* is a revelation about our country, our politics, and who we are as a society.

Love Me Again Macmillan
A book to challenge the status quo, spark a debate, and get people talking about the issues and questions we face as a country!

THE GREAT GATSBY e-artnow
Picking up where *Frozen Heat* left off, top NYPD Homicide Detective Nikki Heat pursues the elusive former CIA station chief who ordered the execution of her mother over a decade ago. For the hunt, Nikki teams once again with her romantic partner, Pulitzer Prize-winning investigative journalist Jameson Rook, and their quest for the old spy and the motive behind the past murder unearths an alarming terror plot—which is anything but ancient history. It is lethal. It is now. And it has already entered its countdown phase.

Complicating Heat's mission to bring the rogue spy to justice and thwart the looming terror event, a serial killer begins menacing the Twentieth Precinct and her homicide squad is under pressure to stop him, and soon. The frightening murderer, known for his chilling stealth, not only has singled out Nikki as the exclusive recipient of his taunting messages, he then boldly names his next victim: Detective Heat.

Wake-Up Call Createspace
Independent Publishing Platform
Reviews the circumstances surrounding the Challenger accident to establish the probable cause or causes of the accident. Develops recommendations for corrective or other action based upon the Commission's findings and determinations. Color photos,

charts and tables.

Crossing the Rubicon Dell
MAVERICK GOLD: The moment I locked eyes with Theo from across the bar, I knew my life would change. I just didn't know by how much. Before I met Theo, I was fine with occasional hookups and drowning myself in work. I didn't realize how burnt out I was getting until he came into my life and showed me what a good time really meant, roping me into situations that blew my mind (among other things). Good times always come to an end, though. Both our worlds get rocked completely off course when Theo receives shocking news that changes everything. Meanwhile, the stalker obsessed with my family takes their attacks to a whole new level. The situation pushes us into leaving New York and going to my family's animal sanctuary, where Theo and I grow even closer while the threats grow deadlier.

THEODORE PEREZ: Relationships weren't my thing. I never imagined myself falling for someone, especially not as hard as I fell for Maverick Gold. But life surprises you sometimes. Trust me on that one. Surprises became a common occurrence from the second Mav and I shared our first kiss. Surprises in life, in the bedroom, in my job at Stonewall Investigations. One thing remained constant throughout: my explosive chemistry with Mav. That connection is what helped me handle the shocking news that was dropped into my lap one day, altering the entire course of my life. At the same time that I found myself working on the biggest case of my career. Yeah, life definitely likes surprises.

_____ *Heart of Summer* is the third and final book in *The Gold Brothers* series. It's a full-length, steamy gay romance novel and can be read as a stand-alone.

A Tangled Truth HQN Books
Alejandro Santos is a sharp as nails detective who's been struck with a spell of boring cases. He's left unstimulated and unhappy. That is until Griffin walks in through the doors of Stonewall Investigations and suddenly everything changes. Griffin Banks is the son of a tech mogul and, from the outside in, appears to have everything set. But Griffin's battling intense demons of his own. Things get

exponentially worse when he wakes up from a drug and alcohol-fueled blackout to find his friend in his living room. His dead friend. Someone murdered her and left him behind. Griffin's case is exactly what Alejandro was looking for, and Alejandro happened to be exactly whom Griffin was looking for. When powerful sparks begin to fly between the two, both men will be faced with new challenges. They'll be tested in ways neither would have ever seen coming. Griffin and Alejandro will need to navigate a winding, treacherous road on their journey to finding happiness together. _____ A Lethal Love is the second book in the Stonewall Investigations series. It can be read as a standalone and is a full-length, steamy gay romantic suspense novel. Broken Open Road + Grove/Atlantic

When Max starts school, the teacher hesitates to call out the name on the attendance sheet. Something doesn't seem to fit. Max lets her know the name he wants to be called by--a boy's name. This begins Max's journey as he makes new friends and reveals his feelings about his identity to his parents. Written with warmth and sensitivity by trans writer Kyle Lukoff, this book is a sweet and age-appropriate introduction to what it means to be transgender.

Report of the Presidential Commission on the Space Shuttle Challenger Accident Independently Published

The heart-wrenching account of a young mother widowed after the horrific 9/11 terrorist attack and her journey towards becoming a central activists in the fight for justice and peace. Kristen Breitweiser was a happy young mother and housewife leading a privileged life. Then, on the morning of September 11th, 2001, the phone rang. It was

her husband, Ron, calling from his office in the second tower. "Sweets, I'm ok. I'm ok. Don't worry. It's not my building," he said. Kristen didn't know what he was saying. He told her to turn on the television. He continued. "I see them. They're right there. Right across from me. And they're jumping. My God, they're jumping." The call ended abruptly and Kristen watched with horror as the second tower exploded. A huge, brilliant, red fireball. In that frozen instant, she felt in her heart that he had been killed. This is the deeply personal, often shocking and ultimately inspirational story of a woman left to pick up the pieces of a life shattered by terrorism. With no husband by her side or father for her child, Kristen had to find the strength within herself to embark on a journey that would lead first to the creation of the 9/11 Commission and then to her role as one of the country's most outspoken activists and critics of the current administration.

Investigation of Failure of the SEC to Uncover Bernard Madoff's Ponzi Scheme [electronic Resource] DIANE Publishing

An examination of the AIDS crisis exposes the federal government for its inaction, health authorities for their greed, and scientists for their desire for prestige in the face of the AIDS pandemic.

Three Hearts Regnery Publishing

The acclaimed investigative reporter and author of Confronting Collapse examines the global forces that led to 9/11 in this provocative exposé. The attacks of September 11, 2001 were accomplished through an amazing orchestration of logistics and personnel. Crossing the Rubicon examines how such a conspiracy was possible through an interdisciplinary analysis of petroleum, geopolitics, narco-

traffic, intelligence and militarism--without which 9/11 cannot be understood. In reality, 9/11 and the resulting "War on Terror" are parts of a massive authoritarian response to an emerging economic crisis of unprecedented scale. Peak Oil--the beginning of the end for our industrial civilization--is driving the elites of American power to implement unthinkably draconian measures of repression, warfare and population control. Crossing the Rubicon is more than a story of corruption and greed. It is a map of the perilous terrain through which we are all now making our way.

The Watergate Girl McFarland

Detective Angie Pallorino took down a serial killer permanently and, according to her superiors, with excessive force. Benched on a desk assignment for twelve months, Angie struggles to maintain her sense of identity--if she's not a detective, who is she? Then a decades-old cold case washes ashore, pulling her into an investigation she recognizes as deeply personal. Angie's lover and partner, James Maddocks, sees it, too. But spearheading an ongoing probe into a sex-trafficking ring while keeping Angie's increasing obsession with her case in check is taking its toll. As startling connections between the parallel investigations emerge, Maddocks realizes he has even more than Angie's emotional state to worry about. Driven and desperate to solve her case, Angie goes rogue, risking her relationship, career, and very life in pursuit of answers. She'll learn that some truths are too painful to bear, and some sacrifices include collateral damage. But Angie Pallorino won't let it go. She can't. It's not in her blood.
